IN SENATE -- Introduced by Sen. PALUMBO -- read twice and ordered printed, and when printed to be committed to the Committee on Local Government

IN ASSEMBLY -- Introduced by M. of A. THIELE -- read once and referred to the Committee on Local Governments

AN ACT to amend the town law, in relation to the Peconic Bay region community preservation fund; and providing for the repeal of certain provisions upon expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subdivisions 5, 9 and 10 of section 64-e of the town law, as amended by chapter 551 of the laws of 2015, are amended to read as follows:

3

- 4 5. The town board of any town in the Peconic Bay region which has established a community preservation fund shall create an advisory board to review and make recommendations on proposed acquisitions of interests 7 in real property or water quality improvement projects using monies from the fund. Such board shall consist of five or seven legal residents of 9 the municipality who shall serve without compensation. No member of the local legislative body shall serve on the board. A majority of the 10 members of the board shall have demonstrated experience with conservation and land preservation activities or water quality improvement 12 activities, or historic preservation activities. The board shall act in 13 an advisory capacity to the town board. At least one member of the board 14 15 shall be an active farmer.
- 9. Lands acquired pursuant to this section shall be administered and managed in a manner which (a) allows public use and enjoyment in a manner compatible with the natural, scenic, historic and open space character of such lands; (b) preserves the native biological diversity of such lands; (c) with regard to open spaces, limits improvements to enhancing access for passive use of such lands such as nature trails, boardwalks, bicycle paths, and peripheral parking areas provided that such improvements do not degrade the ecological value of the land or

threaten essential wildlife habitat; and (d) preserves historic and cultural property consistent with accepted standards for historic preservation and permits adaptive reuse of such properties that is consistent with the historic character of the property, while maximizing public use to the maximum extent practicable. In furthering the purposes of this section, the town may enter into agreements with corporations organized under the not-for-profit corporation law and engage in land trust activities to manage lands including less than fee interests acquired pursuant to the provisions of this section, provided that any such agreement shall contain a provision that such corporation shall keep the lands accessible to the public unless such corporation shall demonstrate to the satisfaction of the town that public accessibility would be detrimental to the lands or any natural resources associated therewith.

10. Rights or interests in real property acquired with monies from such fund shall not be sold, leased, exchanged, donated, or otherwise disposed of or used for other than the purposes permitted by this section without the express authority of an act of the legislature, which shall provide for the substitution of other lands of equal envi-19 20 ronmental value and fair market value and reasonably equivalent useful-21 ness and location to those to be discontinued, sold or disposed of, such other requirements as shall be approved by the legislature. Noth-22 ing in this section shall preclude a town, by local law, from establishing additional restrictions to the alienation of lands acquired pursuant 24 to this section. This subdivision shall not apply to the sale of development rights by a town acquired pursuant to this section, where said sale is made by a central bank created by a town, pursuant to a transfer of development rights program established by a town pursuant to section two hundred sixty-one-a of this chapter, provided, however (a) that the lands from which said development rights were acquired shall remain 31 preserved in perpetuity by a permanent conservation easement or other instrument that similarly preserves the community character referenced 33 in subdivision four of this section, and (b) the proceeds from such sale 34 shall be deposited in the community preservation fund. Nothing in this section shall preclude a town from utilizing development rights acquired with monies from the fund from being utilized to provide community housing, provided that such development rights have not been expressly extinguished at the time of acquisition. The lands from which said development rights were acquired shall remain preserved in perpetuity by a permanent conservation easement or other instrument that similarly 40 preserves the community character referenced in subdivision four of 41 42 this section. Where such development rights are sold, the proceeds from 43 such sale shall be deposited in the community preservation fund. For 44 purposes of this subdivision, "community housing" shall mean a primary residential property where the purchase price limit shall not exceed one hundred fifty percent of the purchase price limits established by the state of New York mortgage agency low interest rate loan program in non-target categories for the county.

- § 2. Severability clause. If any provision of this act or application thereof shall for any reason be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair, or invalidate the remainder of the act, but shall be confined in its operation to the provision thereof directly involved in the controversy in which the judgment shall have been rendered.
 - § 3. This act shall take effect immediately.
