2021-2022 Regular Sessions

IN ASSEMBLY

May 19, 2021

Introduced by M. of A. LAVINE -- read once and referred to the Committee on Corporations, Authorities and Commissions

AN ACT to amend the public authorities law and the general municipal law, in relation to establishing the North Shore water authority

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings. The legislature hereby finds that the
2 groundwater supply system presently operated by a private utility in the
3 northwest portion of the Nassau county servicing the residents of the
4 village of Sea Cliff, and portions of the village of Old Brookville,
5 village of Roslyn Harbor, and residents in the unincorporated hamlets of
6 Glenwood Landing, Glen Head and the city of Glen Cove, is fragile and
7 subject to episodic deficiencies of varying magnitude including service
8 disruptions and drastic price variations to residents serviced by the
9 existing private water company. The groundwater supply requires better
10 management of its entire reserve both within and outside the water util-
11 ity supply area as well as long range planning to provide protection of
12 important watershed areas, water conservation, and prevention from
13 contamination and salt water intrusion. Since the potable water for the
14 northern portion of the North Shore peninsula is derived from an aquifer
15 which is the sole source of water for all of Long Island, the issues of
16 contamination and conservation are of statewide concern. The problems of
17 salt water intrusion facing the North Shore peninsula, face many other
18 peninsulas on Long Island and many of the barrier islands. It is hoped
19 that the authority created by this act will not only protect, preserve
20 and enhance the quality and quantity of the water within its supply
21 area, but that it will also serve as a model and as a leader in foster-
22 ing cooperation with other water suppliers to better manage, conserve
23 and protect the groundwater within and outside its supply area.

24 § 2. Article 5 of the public authorities law is amended by adding a
25 new title 5-a to read as follows:

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

55 title and limiting or abrogating the rights of the bondholders to

1 appoint a trustee under such section or limiting the rights, duties and
2 powers of such trustee;

3 (k) defining the acts or omissions to act which may constitute a
4 default in the obligations and duties of the authority to the bondhold-

7 a receiver, provided, however, that such rights and remedies shall not

41 perform such agreements. The provisions of any such agreements may be
42 made a part of the contract with the holders of bonds of the authority.

43 6. Any provision of the uniform commercial code to the contrary
44 notwithstanding, any pledge of or other security interest in revenues,
45 moneys, accounts, contract rights, general intangibles or other personal
46 property made or created by the authority shall be valid, binding and

27 bonds and such notes and the resolution or resolutions authorizing the
28 same may contain any provisions, conditions or limitations which the
29 bonds or bond resolution of the authority may contain. Such notes may be

9 rights.

10 4. The state supreme court, county of Nassau and the state shall have

2 and agree with the holders of any bonds issued by the authority pursuant
3 to this title that the state will not alter or limit the rights hereby
4 vested in the authority to fulfill the terms of any agreement made with
5 or for the benefit of the holders of bonds or in any way impair the
6 rights and remedies of bondholders until the bonds together with the
7 interest thereon, with interest on any unpaid installments of interest,
8 and all costs and expenses in connection with any action or proceeding

42 5. Notwithstanding the provisions of subdivisions one through four of
43 this section, nothing herein shall prevent the state from assessing a
44 tax or surcharge against the water customers based on their water
45 consumption, provided, however, that all such taxes and surcharges and
46 the authority's obligation to collect and pay such taxes and surcharges
47 shall be subordinate to the rights of holders of all of the authority's
48 bonds and notes and to the payment of principal, premiums if any, and
49 interest thereon.

50 § 1114-n. Actions against the authority. 1. Except in an action for
51 wrongful death, no action or proceeding shall be prosecuted or main-
