2021-2022 Regular Sessions

IN ASSEMBLY

May 19, 2021

Introduced by M. of A. B. MILLER -- read once and referred to the Committee on Higher Education

AN ACT authorizing the conveyance of real property at the State University of New York College at Delhi

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Legislative findings. The legislature finds that the State University of New York, Agricultural and Technical College at Delhi ("University") is in need of additional facilities to fulfill its legislatively mandated mission of providing educational experiences and applied learning opportunities to its students. Specifically, the College Foundation at Delhi, Inc. ("Foundation") has offered to construct, maintain and operate a hotel to support the University's hospitality management program on a site that is currently state-owned land. To effectuate this development, the Foundation would exchange four parcels of land to be put to future academic purposes with a parcel of state-owned land located in the Town of Delhi.

The legislature further finds that granting the trustees of the State University of New York the authority and power to exchange the subject land will ensure such activity will promote the continued investment in tourism and economic development in the surrounding community.

§ 2. Notwithstanding any other provision of law, the state of New York is authorized to convey to the College Foundation at Delhi, Inc. all its rights, title and interest in the real property and improvements thereon described as Parcel A in section three of this act, now owned by the state of New York and under the jurisdiction of the State University of New York College at Delhi, in exchange for the conveyance by the College Foundation at Delhi, Inc. to the state of New York, for the benefit of the State University of New York College at Delhi, of all its rights, title and interest in the real property and improvements thereon described as Parcels B-1, B-2, B-3, and B-4 in section four of this act,

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
