AN ACT to amend the alcoholic beverage control law, in relation to promoting the education of the human trafficking information and referral hotlines to assist individuals from becoming or freeing themselves from any act of severe forms of sex trafficking

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings. For the past several years, the toll-free telephone number of the National Human Trafficking hotline has been
2 posted on a New York state agency website and those locations where
3 victims may be present, including adult or sexually-oriented businesses,
4 have been encouraged to voluntarily display information posters. The
5 Hotline's 2019 data report shows that bars and strip clubs remain one of
6 the top three locations where sex and labor trafficking occurs. Most of
7 these trafficking victims are young women, the majority of whom arrive
8 from other countries. In order to combat this scourge, numerous other
9 states have now made it a requirement for alcoholic beverage licensees
10 that operate sexually-oriented establishments to post information on how
11 to call, text or otherwise contact the hotline. This bill will enhance
12 New York state's efforts to fight sex and labor trafficking.

14 § 2. The alcoholic beverage control law is amended by adding a new
15 section 65-e to read as follows:

16 § 65-e. Posting of signs relating to human trafficking. 1. The
17 authority shall require any person with a license to sell alcoholic
18 beverages for consumption on the premises who indicated, pursuant to
19 paragraph (f) of subdivision one of section one hundred ten of this
