Introduced by M. of A. CLARK -- read once and referred to the Committee on Economic Development

AN ACT in relation to certain credits for any future application for a license to sell alcohol at retail for on-premises consumption; and providing for the repeal of such provisions upon expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Notwithstanding any other provision of law to the contra-  
2 ry, the state liquor authority shall provide, upon application, a one-  
3 time credit to any covered entity to be used towards any future applica-  
4 tion for a license to sell alcohol at retail for on-premises  
5 consumption. Such credit shall be in the amount that such covered enti-  
6 ty paid in fees solely for retail licenses to sell alcohol on-premises  
7 in calendar year two thousand twenty. Such one-time credit shall only  
8 be authorized to apply to license fees related to renewals or applica-  
9 tions to sell alcoholic beverages in the same locations for which the  
10 covered entity obtained a retail license for on-premises consumption in  
11 calendar year two thousand twenty. For purposes of this section,  
12 "covered entity" shall mean any sports or cultural organization that  
13 held more than one license to sell alcohol at retail for on-premises  
14 consumption in calendar year two thousand twenty. Such credits shall be  
15 given at no cost to a covered entity and no late fees shall be charged  
16 to a covered entity for such credit; however, if requested by the state  
17 liquor authority, such covered entity shall still be required to submit  
18 any forms or information to the state liquor authority to receive such  
19 credit. However, no credit shall be issued or applied pursuant to this  
20 section if such covered entity is able to claim a credit for such fees  
21 pursuant to any other applicable provision of law.  
22 § 2. This act shall take effect immediately and shall expire and be  
23 deemed repealed one year after such effective date.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.
