(a) "licensee" means any person licensed, certified or authorized to practice a health care profession governed by the articles of this title listed in subdivision one of this section and who provides direct patient care;

- (b) "health care agent" means a health care agent designated by an adult pursuant to article twenty-nine-C of the public health law;
- 7 (c) "health care surrogate" means an individual selected to complete
 8 the probation notification form and to decide on behalf of the patient
 9 whether or not the patient shall receive care from the licensee on
 10 probation; the health care surrogate must be an adult and may be the
 11 spouse or domestic partner, a child, a sibling, a parent, or a close
 12 friend of the patient; and
- 13 (d) "reasonably available" means that a person to be contacted can be
 14 contacted with diligent efforts by the licensee, another person acting
 15 on behalf of the licensee, or the health care facility.
- 16 (3) Except as provided by subdivision five of this section, the board 17 of regents or office of professional misconduct shall require a licensee 18 who has been placed on probation to disclose the following on a separate 19 written document: his or her probationary status; the cause or causes 20 for probation stated in the order issued by the board of regents, the 21 office of professional misconduct, or the court; the length of the probation and the end date; all practice restrictions placed on the 22 licensee by the board of regents, office of professional misconduct, or 23 the court; the address of the office of professional misconduct's or 24 25 office of the professions enforcement actions' internet website; and the 26 board of regents or office of professional misconduct's telephone number 27 to a current or new patient, or to the patient's quardian, health care surrogate, or health care agent prior to the patient's first visit, or 28 29 prior to the patient receiving direct care from the licensee following the probationary order and while the licensee is on probation pursuant 30 31 to a probationary order made on or after January first, two thousand 32 twenty-three, in any of the circumstances listed in paragraph (a), (b), 33 (c) or (d) of this subdivision. Such written disclosure shall be provided to the patient, or to the patient's guardian, health care 34 35 surrogate, or health care agent in the licensee's office prior to the patient entering the room where the licensee performs the examination, 36 diagnostic testing, procedure, treatment or other direct patient care; 37 or in a hospital, ambulatory care center, or other health care facility 38 prior to the licensee performing any examination, testing, procedure, 39 treatment, or other direct patient care. The licensee shall provide the 40 41 disclosure under the following circumstances:
- 42 (a) The licensee has been placed on probation, as ordered by the board 43 of regents, office of professional misconduct, or the court after being 44 implicated in any of the following:
 - (i) gross negligence or gross incompetence;
- 46 <u>(ii) repeated negligent acts involving a departure from the standard</u>
 47 <u>of care with multiple patients;</u>
- 48 <u>(iii) drug or alcohol abuse that threatens to impair a licensee's</u>
 49 <u>ability to render patient care safely, including practicing under the</u>
 50 <u>influence of drugs or alcohol;</u>
- 51 <u>(iv) felony or misdemeanor conviction arising from or occurring during</u>
 52 <u>patient care or treatment; or</u>
- 53 <u>(v) mental illness or other cognitive impairment that impedes a</u> 54 <u>licensee's ability to safely render patient care.</u>

(b) The board of regents, office of professional misconduct, or the court ordered any of the following in conjunction with placing the <u>licensee on probation:</u>

- (i) a third-party chaperone shall be present when the licensee examines patients as a result of sexual misconduct;
- (ii) the licensee shall submit to drug testing as a result of drug or alcohol abuse; and/or
 - (iii) the licensee shall have a monitor.
- (c) The licensee has not successfully completed a training program or any associated examinations required by the board of regents, office of 11 professional misconduct, or the court as a condition of probation.
 - (d) The licensee has been on probation more than once.
 - (4) The licensee shall obtain from each patient, or each patient's guardian, health care surrogate, or health care agent, a signed receipt following the disclosure described in subdivision three of this section that includes a written explanation of how the patient can find further information on the licensee's probation on the applicable office of professional misconduct or office of the professions enforcement actions' internet website.
 - (5) The licensee shall not be required to provide the disclosure prior to performing an examination, diagnostic testing, procedure, treatment or other direct patient care as required by subdivision three of this section, if in the health care professional's judgment, an emergency exists and the person is in immediate need of medical attention, and an attempt to secure consent would result in delay of treatment which would increase the risk to such person's life or health, or if the patient is incapacitated and the patient's guardian, health care surrogate, or health care agent is not reasonably available.
 - (6) Should a patient, or the patient's guardian, health care surrogate, or health care agent, elect to cancel the patient's appointment, procedure, diagnostic testing, treatment or other direct patient care with the licensee upon being provided with the disclosure required by subdivision three of this section, neither the patient nor the patient's insurance company shall be charged for the appointment.
 - (7) Any licensee who violates the provisions of this section shall be subject to a penalty not to exceed two thousand dollars. Any licensee who commits subsequent, willful violations of the provisions of this section shall have his or her license suspended for a period of time to be determined by the board of regents.
 - (8) The commissioner of health in consultation with the commissioner shall promulgate regulations to implement the requirements of this section, and shall issue forms set forth that shall be used to satisfy the written requirement specified in this section.
- § 2. This act shall take effect January 1, 2023 and shall apply to all 44 45 probationary orders issued on or after January 1, 2023. Effective imme-46 diately, the addition, amendment and/or repeal of any rule or regulation 47 necessary for the implementation of this act on its effective date are authorized to be made and completed on or before such effective date.
