1 b. (i) Except as provided in this section, conveyances of federal
2 public lands in the state are void ab initio unless the commissioner of
3 general services was provided with the right of first refusal to the
4 conveyance or the right to arrange for the transfer of the federal
5 public land to another entity.

6 (ii) The commissioner of general services may seek declaratory and
7 injunctive relief from a court of competent jurisdiction to contest
8 conveyances made to any entity unless the requirements of this section
9 are met.

10 (iii) The commissioner of general services shall formally consider its
11 right of first refusal or arrange for the transfer of federal public
12 lands to a third party at a public hearing.

13 (iv) (A) Prior to the conveyance of federal public lands in state, if
14 the commissioner of general services was provided with the right of
15 first refusal or the right to arrange for the transfer of the federal
16 public lands to another entity, the commissioner of general services
17 shall issue a certificate affirming compliance with this section.

18 (B) The commissioner of general services shall waive its right of
19 first refusal or the right to arrange for the transfer of the federal
20 public lands to another entity, and issue a certification of compliance
21 affirming compliance with this section for a conveyance that is deemed
22 by the commissioner of general services to be routine. A conveyance
23 deemed by the commissioner of general services to be routine includes,
24 but is not limited to, the exchange of lands of equal value between the
25 federal government and a private entity. The commissioner of general
26 services may adopt regulations to establish a process and criteria for
27 determining the types of conveyances it considers to be routine.

28 (v) The commissioner of general services, and the department of envi-
29 ronmental conversation shall enter into a memorandum of understanding
30 that establishes a state policy that both agencies shall undertake all

34 lands designated as federal monuments pursuant to the federal Antiqui-
35 ties Act of 1906.

39 this section. Costs include, but are not limited to, management costs
40 and infrastructure development costs.

41 4. The commissioner of general services may establish, through regu-
42 lations or another appropriate method, a process for engaging with
43 federal land managers and potential purchasers of federal public lands
44 early in the conveyance process.

45 5. The commissioner of general services shall ensure, for any conveyed
46 federal public land the commissioner accepts, purchases, or arranges for
47 the transfer of, that future management of the conveyed federal public
48 land is determined in a public process that gives consideration of past
49 recognized and legal uses of those lands. At a minimum, the public proc-
50 ess required by this subdivision shall include a noticed and open meet-
51 ing.

52 6. The commissioner of general services shall waive its right of first
53 refusal or the right to arrange for the transfer of the federal public

7 American tribe or individual Native American.

8 7. The provisions of this section are severable. If any provision of
9 this section or its application is held invalid, the invalidity shall
10 not affect other provisions or applications that can be given effect
11 without the invalid provision or application.

12 8. This section shall not apply to the sale of real property acquired
13 by a federal agency through a foreclosure proceeding.

20 a certificate of compliance from the commissioner of general services.
21 Further, a deed, instrument, or other document related to a conveyance
22 that is subject to section twenty-one-a of the public lands law shall be
23 titled "Federal Public Land Deed of Conveyance" and shall not be
24 recorded without a certificate from the commissioner of general
25 services. The federal agency wishing to convey federal public lands
26 shall ensure that the deed, instrument, or other conveyance document is
27 titled in the manner required by this section.
