

# STATE OF NEW YORK

8280--A

2021-2022 Regular Sessions

## IN ASSEMBLY

September 13, 2021

Introduced by M. of A. McDONALD, LUPARDO, GALLAHAN, OTIS, GALEF, ABINANTI, BUTTENSCHON, FAHY, B. MILLER, GOTTFRIED, ENGLEBRIGHT, SANTABARBARA, KELLES -- Multi-Sponsored by -- M. of A. ANGELINO, J. M. GIGLIO -- read once and referred to the Committee on Health -- recommitted to the Committee on Health in accordance with Assembly Rule 3, sec. 2 -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the public health law, in relation to authorizing certain emergency medical technicians and paramedics to administer certain vaccines pursuant to non-patient specific orders and under the authority of an emergency medical services director

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The public health law is amended by adding a new section  
2 3005-c to read as follows:

3 § 3005-c. Vaccination by emergency medical technicians and paramedics.

4 1. Emergency medical technicians and advanced emergency medical techni-  
5 icians may administer vaccinations against influenza and COVID-19 pursu-  
6 ant to a non-patient specific order and under the authority of an emer-  
7 gency medical services director while overseen or approved by the  
8 department of health or local health departments and operated under the  
9 medical supervision of licensed physicians, licensed physician assist-  
10 ants, or certified nurse practitioners; provided that such individuals  
11 first receive training in the following areas, as determined by the  
12 commissioner after consultation with the commissioner of education:

13 (a) techniques, indications, precautions, contraindications, infection  
14 control practices;

15 (b) use of personal protective equipment sufficient to provide the  
16 basic level of competence for such tasks; and

17 (c) a current certificate in basic cardiopulmonary resuscitation,  
18 which at a minimum must include a certification in basic cardiopulmonary

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

1 resuscitation by an online program that has received accreditation from  
2 the American Nurses Credentialing Center, the Accreditation Council for  
3 Pharmacy Education (ACPE), or the Accreditation Council for Continuing  
4 Medical Education.

5 2. Certified emergency medical technician-paramedics, with prior  
6 approval of the department, may administer vaccinations against influen-  
7 za and COVID-19 pursuant to a non-patient specific order and under the  
8 medical direction of a licensed physician; provided that such emergency  
9 medical technician-paramedics first receive training in the following  
10 areas, as determined by the commissioner after consultation with the  
11 commissioner of education:

12 (a) techniques, indications, precautions, contraindications, infection  
13 control practices;

14 (b) use of personal protective equipment sufficient to provide the  
15 basic level of competence for such tasks; and

16 (c) a current certificate in basic cardiopulmonary resuscitation,  
17 which at a minimum must include a certification in basic cardiopulmonary  
18 resuscitation by an online program that has received accreditation from  
19 the American Nurses Credentialing Center, the Accreditation Council for  
20 Pharmacy Education (ACPE), or the Accreditation Council for Continuing  
21 Medical Education.

22 § 2. This act shall take effect immediately.
