AN ACT to amend the general business law and the penal law, in relation to preventing the unlawful sale of firearms, rifles, and shotguns to individuals with a criminal record

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings and declaration. The legislature here-  
2 by finds and declares as follows:  
3 1. Guns--including firearms, rifles and shotguns--are used to kill  
4 almost 40,000 individuals in the United States every year, including 800  
5 individuals in New York state alone. Additionally, there are 115,000  
6 non-fatal injuries across the country. Gun violence also costs billions  
7 of dollars and causes incalculable emotional damage, devastating  
8 families and communities throughout the country. In spite of the efforts  
9 of many individual federal officials, the federal government has been  
10 unwilling to enact legislation to address this public health crisis and  
11 has left it up to state and local governments to do so. The state of New  
12 York has a strong interest in reducing violence and crimes that involve  
13 the use of guns and the illegal trafficking of guns. Illegal guns  
14 obtained throughout the state end up in the hands of individuals who are

1 prohibited from possessing them because of their criminal record, their  
2 youth, their particular mental health, or a protective order. Such illegal  
3 guns are often used to threaten, maim and kill New Yorkers.

4 2. There is a thriving underground market for illegal guns, which is  
5 leading to shootings that are disproportionately impacting under-re-  
6 sourced Black and brown communities. A highly efficient and continuous  
7 business practice exists in which guns are moved from legal manufacture  
8 and sale to prohibited purchasers, making them illegal guns. According  
9 to a recent report of the New York state attorney general, 52,915 crime  
10 guns were recovered by law enforcement in New York between 2010-2015  
11 (Target on Trafficking, New York Crime Gun Analysis, October 2016, here-  
12 inafter the "2016 AG Report"). Of these crime guns, 13,188 or 25% were  
13 long guns. Outside New York City, long guns are sold without a permit.  
14 The 2016 AG Report further found that 90% of the crime guns recovered  
15 were recovered in seven distinct markets: New York City, the lower  
16 Hudson Valley (including the cities of Yonkers, White Plains, Newburgh  
17 and Poughkeepsie), the Capital Region (including Albany, Troy and Sche-  
18 nectady), Syracuse, Rochester and Buffalo. Although 74% of the crime  
19 guns recovered statewide were from out of state, a significant portion  
20 of guns involved in crimes upstate originate within the state. For exam-  
21 ple, according to the 2016 AG Report, 41% of crime guns in the Buffalo  
22 area and 56% of crime guns in the Rochester area originated within New  
23 York state.

24 3. Youth are particularly at risk of being killed with guns. Accord-  
25 ing to the Centers for Disease Control and Prevention, in 2019 alone, 40  
26 children and teens (under the age of 19) died from gun violence in New  
27 York state.

28 4. A substantial portion of illegal guns are diverted to the illegal  
29 market through licensed gun dealers. Rogue gun dealers play a key role  
30 in this market. These rogue dealers funnel guns to the illegal market  
31 through a variety of channels. One of the most common means is to allow  
32 "straw purchases". A straw purchase occurs when a person purchases a gun  
33 on behalf of a prohibited person. In 2000, the Bureau of Alcohol,  
34 Tobacco, Firearms, and Explosives (ATF) conducted an investigation of  
35 gun trafficking from July 1996 to December 1998 and found that almost  
36 26,000 trafficked guns were associated with investigations in which  
37 there was a straw purchaser. Almost 50% of all trafficking investi-  
38 gations involved straw purchasers, with an average of 37 guns trafficked  
39 per investigation. Another issue, according to a 2008 report by Mayors  
40 Against Illegal Guns, Inside Straw Purchasing: How Criminals Get Guns  
41 Illegally, is that many traffickers return to the same store again and  
42 again once they have identified it as one in which they can make straw  
43 purchases easily. According to the ATF, 1% of gun dealers are the  
44 source of almost 60% of crime guns. Although ATF has not since released  
45 an updated report on straw purchases, a 2019 University of Chicago study  
46 found that of those incarcerated for a gun-related crime, 58% acquired  
47 their gun from a friend or acquaintance.

48 5. Although most gun dealers operate their businesses legally and  
49 responsibly, some gun dealers who are corrupt or maintain shoddy record-  
50 keeping practices flood the streets with illegal guns as a result of  
51 their unrestricted access to new gun inventory and the unwillingness of  
52 gun manufacturers to terminate their supply to these rogue dealers.  
53 Current federal and state regulation has not curbed the business prac-  
54 tice of illegal gun dealers. According to a 2004 study by Americans for  
55 Gun Safety, of the 120 worst gun dealers in the country, namely those

1 dealers with an average of 500 crime guns traced to them, 96 were still  
2 in operation.

3 6. Moreover, this problem is not limited to unlicensed sellers, and  
4 clearly includes federal firearms licensees (FFLs). Indeed, although  
5 FFLs were involved in under 10% of the trafficking investigations under-  
6 taken by ATF, they were associated with 40,000 diverted guns nearly half  
7 of the total number of trafficked guns documented during the two-year  
8 period of the ATF's investigation. Additionally, a 2010 report by  
9 Mayors Against Illegal Guns indicated that several states that allow  
10 state authorities to supplement the federal ATF inspection with routine  
11 inspections provide law enforcement with more opportunities to uncover  
12 dealers in violation of the law. These inspections also help identify  
13 dealers who exercise lax oversight over their inventory and may lead to  
14 improved compliance with federal, state, and local laws.

15 7. Current state law governing gun dealers is inadequate to prevent  
16 the diversion of guns to the illegal marketplace. Additional  
17 protections that are needed include better gun dealer internal compli-  
18 ance procedures, programs to eliminate straw purchases, improved securi-  
19 ty measures, reduced youth access, and mandatory training for gun dealer  
20 employees. The additional protections set forth in this act will great-  
21 ly enhance the state's efforts to stop gun violence and criminal activi-  
22 ty in New York.

23 § 2. The general business law is amended by adding a new article 39-BB  
24 to read as follows:

50 traces initiated by the federal bureau of alcohol, tobacco, firearms and  
51 explosives ("ATF"). All ATF Form 4473 transaction records shall be  
52 retained on the dealer's business premises in a secure container  
53 designed to prevent loss by fire, theft, or other mishap.

39 counties of Nassau and Suffolk, by the licensing officer, and elsewhere  
40 than in the city of New York by any judge or justice of a court of  
41 record; a license issued pursuant to section 400.01 of this article may  
42 be revoked and cancelled at any time by the licensing officer or any  
43 judge or justice of a court of record. A license to engage in the busi-  
44 ness of dealer may be revoked or suspended for any violation of the

47 unnecessary delay to the executive department, division of state police,

49 authorities of the locality.

50 (b) Whenever the director of community services or his or her designee  
51 makes a report pursuant to section 9.46 of the mental hygiene law, the  
52 division of criminal justice services shall convey such information,  
53 whenever it determines that the person named in the report possesses a  
54 license issued pursuant to this section, to the appropriate licensing  
55 official, who shall issue an order suspending or revoking such license.

2 revoked under paragraph (a) or (b) of this subdivision, such person

4 any and all firearms, rifles, or shotguns owned or possessed by such  
5 person shall be surrendered to an appropriate law enforcement agency as  
6 provided in subparagraph (f) of paragraph one of subdivision a of  
7 section 265.20 of this chapter. In the event such license, firearm,  
8 shotgun, or rifle is not surrendered, such items shall be removed and  
9 declared a nuisance and any police officer or peace officer acting  
10 pursuant to his or her special duties is authorized to remove any and  
11 all such weapons.

12 12. Records required of gunsmiths and dealers in firearms. [~~Any~~] In  
13 addition to the requirements set forth in article thirty-nine-BB of the  
14 general business law, any person licensed as gunsmith or dealer in  
15 firearms shall keep a record book approved as to form, except in the  
16 city of New York, by the superintendent of state police. In the record  
17 book shall be entered at the time of every transaction involving a  
18 firearm the date, name, age, occupation and residence of any person from  
19 whom a firearm is received or to whom a firearm is delivered, and the  
20 calibre, make, model, manufacturer's name and serial number, or if none,  
21 any other distinguishing number or identification mark on such firearm.  
22 Before delivering a firearm to any person, the licensee shall require  
23 him to produce either a license valid under this section to carry or  
24 possess the same, or proof of lawful authority as an exempt person  
25 pursuant to section 265.20 of this chapter and either (a) the National  
26 Instant Criminal Background Check System (NICS) or its successor has  
27 issued a "proceed" response to the licensee, or (b) thirty calendar days  
28 have elapsed since the date the licensee contacted NICS to initiate a  
29 national instant criminal background check and NICS has not notified the  
30 licensee that the transfer of the firearm to such person should be  
31 denied. In addition, before delivering a firearm to a peace officer, the  
32 licensee shall verify that person's status as a peace officer with the  
33 division of state police. After completing the foregoing, the licensee  
34 shall remove and retain the attached coupon and enter in the record book  
35 the date of such license, number, if any, and name of the licensing  
36 officer, in the case of the holder of a license to carry or possess, or  
37 the shield or other number, if any, assignment and department, unit or  
38 agency, in the case of an exempt person. The original transaction report  
39 shall be forwarded to the division of state police within ten days of  
40 delivering a firearm to any person, and a duplicate copy shall be kept  
41 by the licensee. The superintendent of state police may designate that  
42 such record shall be completed and transmitted in electronic form. A  
43 dealer may be granted a waiver from transmitting such records in elec-
