37 § 837-f-3. Law enforcement collaboration in missing persons investi-

39 twenty-three, in consultation with the division of state police, every
40 police agency in this state, every district attorney in this state, and
41 such other qualified agencies the department deems appropriate, develop,
42 adopt, implement and thereafter regularly update a uniform plan for
43 collaboration between police agencies in missing persons investigations.
44 Such plan shall involve a pro-active, coordinated response, planned in
45 advance, that is triggered immediately upon confirmation by a police
46 officer, peace officer or police agency of a report of a missing person.

47 2. Such plans shall, at a minimum, require that:

48 (a) the name of the missing person, a description of the person and
49 other pertinent information be immediately dispatched over the police
50 communication system to all local and state agencies;

51 (b) there shall be no presumption that persons between the ages of
52 nineteen and sixty-four are not missing;

53 (c) the agency shall ascertain whether the missing person is or has
54 been the victim of a family offense as defined in subdivision one of
55 section 530.11 of the criminal procedure law or section eight hundred
56 twelve of the family court act, and if so, the agency shall immediately

12 3. Police agencies not connected with the basic police communication
13 system in use in such jurisdiction shall transmit such information to
14 the nearest or most convenient teletypewriter point, from which point it
15 shall be immediately dispatched, in conformity with the orders, rules or
16 regulations governing the system.

17 4. In the event that a police agency receives a report of an adult
