25 Such documentation may include a self-declaration that the applicant  
26 incurred immediate or critical needs in the immediate aftermath of a

29 sustaining items described in this subdivision.

30 9. Clean and removal assistance is financial assistance for disaster-  
31 caused real property damage that does not qualify for home repair  
32 assistance because the damage did not render the home uninhabitable. It  
33 is intended to ensure contamination from floodwaters is addressed in a  
34 timely manner to prevent additional losses and potential health and  
35 safety concerns. If home repair assistance is subsequently awarded to

50 including but not limited to state emergency appropriations established  
51 by the governor and based on the magnitude of the disaster and the  
52 number of impacted residents of the state. Nothing in this section shall  
53 be deemed to prevent the state from receiving grants, gifts or bequests  
54 for the purpose of the program. Grants shall only be awarded based upon  
55 the availability of funds.

1 11. The division of homeland security and emergency services, in  
2 conjunction with the New York state office for new Americans, shall have  
3 the authority to establish rules and regulations to implement the  
4 provisions of this section.

5 § 3. This act shall take effect on the ninetieth day after it shall
