The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision 6 of section 27-1007 of the environmental
2 conservation law, as added by section 4 of part SS of chapter 59 of the
3 laws of 2009, is amended to read as follows:

4 6. In addition to the refund value of a beverage container as estab-

6 to any dealer or operator of a redemption center a handling fee of
7 [~~three and one-half~~] five cents for each beverage container accepted by
8 the deposit initiator from such dealer or operator of a redemption
9 center. Payment of the handling fee shall be as compensation for
10 collecting, sorting and packaging of empty beverage containers for
11 transport back to the deposit initiator or its designee. Payment of the
12 handling fee may not be conditioned on the purchase of any goods or
13 services, nor may such payment be made out of the refund value account
14 established pursuant to section 27-1012 of this title. A distributor who
15 does not initiate deposits on a type of beverage container is considered
16 a dealer only for the purpose of receiving a handling fee from a deposit
17 initiator.

2 ~~ty~~] forty-three percent of the balance outstanding at the close of each
3 quarter shall be the monies of the deposit initiator and may be with-
4 drawn from such account by the deposit initiator. If the provisions of
5 this section with respect to such account have not been fully complied
6 with, each deposit initiator shall pay to such commissioner at such
7 time, in lieu of the amount described in the preceding sentence, an
8 amount equal to the balance which would have been outstanding on such

12 c. Final report. A deposit initiator who ceases to do business in this
13 state as a deposit initiator shall file a final report and remit payment

15 value account as of the close of the deposit initiator's last day of
16 business. The commissioner of taxation and finance may require that the
17 payments be made electronically. The deposit initiator shall indicate on
18 the report that it is a "final report". The final report is due to be
19 filed with payment twenty days after the close of the quarterly period
20 in which the deposit initiator ceases to do business. In the event the
21 deposit initiator pays out more in refund values than it collects in
22 such final quarterly period, the deposit initiator may apply to the
23 commissioner of taxation and finance for a refund of the amount of such
24 excess payment of refund values from sources other than the refund value
25 account, in the manner as provided by the commissioner of taxation and
26 finance.
