

STATE OF NEW YORK

8602

IN ASSEMBLY

January 10, 2022

Introduced by M. of A. RA -- read once and referred to the Committee on Governmental Employees

AN ACT authorizing the widow of Robert A. Serroen to change his retirement option

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Notwithstanding any other provision of law to the contrary,
2 Gina M. Serroen, the widow of Robert A. Serroen, who was employed by the
3 Nassau County Sheriff's Department and was retired from the New York
4 state and local employees' retirement system effective December 17,
5 2011, and for reasons not ascribable to his own negligence failed to
6 change his retirement option selection prior to the expiration of thirty
7 days following the date of payability of his retirement allowance, shall
8 be authorized to file such option election form on behalf of her
9 deceased husband to a joint allowance full option, if within one year
10 from the effective date of this act, she files a written request to that
11 effect with the state comptroller.

12 § 2. The costs associated with implementing the provisions of this act
13 shall be borne by the County of Nassau.

14 § 3. This act shall take effect immediately and shall be deemed to
15 have been in full force and effect on and after such date.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would allow Gina M. Serroen to file a new option election form on behalf of her deceased husband, Robert A. Serroen, changing the retirement option election to a joint allowance full. Robert A. Serroen retired on December 17, 2011 and died on May 12, 2013. The joint allowance full election will be deemed to have been in effect on the date of retirement.

If this bill is enacted during the 2022 legislative session, and a new option election form filed, we anticipate that there will be an immediate past service cost of approximately \$1.14M which will be borne by the County of Nassau as a one-time payment. This estimate is based on the assumption that payment will be made on February 1, 2023.
