The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The state finance law is amended by adding a new section

6 (b) processed inside or outside this state comprising over fifty-one
7 percent agricultural raw materials grown, harvested, or produced in this
8 state, by weight or volume.

9
10 2. (a) In order to create, strengthen, and expand local farm and food
11 economies throughout New York, all state agencies annually spending an
12 amount exceeding fifty thousand dollars on food or food products shall
13 set percentage goals for New York state food products purchased yearly
14 and if a state agency spends an amount greater than or equal to two
15 million dollars annually on food or food products then: in the first

3 be given preference over other bidders, provided that the cost included
4 in the bid of New York state food products is not more than ten percent
5 greater than the cost included in a bid that is not for New York state
6 food products.

7 3. The provisions of this section shall not apply if the head of the
