34 retired police officer, retired state trooper, or retired deputy sheriff  
35 who is employed as a school resource officer.

36 § 5. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

Insofar as this bill will affect the New York State and Local Employ-  
ees' Retirement System (NYSLERS) and the New York State and Local Police  
and Fire Retirement System (NYSLPFRS), this bill will allow the commis-  
sioner of education to determine that the earnings limitations set forth  
in Section 212 of the Retirement and Social Security Law (RSSL) shall  
not apply to retired police officers, retired state troopers and retired  
deputy sheriffs who are employed as a school resource officer by either  
a board of cooperative educational services or a school district, or by  
a county, city, town or village police department pursuant to a contract  
with a school district to provide such services. The commissioner may  
include no more than twenty thousand dollars in addition to the earnings  
limitations set forth in subdivision two of Section 212 of the RSSL for  
the affected school resource officers. Currently, only retired police  
officers who are employed as a school resource officer by a school  
district are not subject to the earnings limitations set forth in  
Section 212 of the RSSL.

If this bill is enacted, we expect few retirees to be affected. There  
would be negligible additional annual costs. However, if large numbers  
of retirees are hired into such positions, there would be additional

annual costs which would be shared by the state of New York and all of the participating employers in the System.
