51 New York state urban development corporation act, is amended by adding a
52 new section 54-b to read as follows:

53 § 54-b. Personal income tax notes. 1. Findings and declaration of
54 need. (a) The state of New York finds and determines that shortfalls in
55 the state's financial plan arising from adverse economic and fiscal
56 events and risks, disasters and emergencies, including but not limited

1 to, public health emergencies, may occur or develop, and that the finan-
2 cial impact of such events, risks, disasters and emergencies could be
3 prudently mitigated by certain fiscal management authorization measures
4 being legislatively authorized and established.

5 (b) Notwithstanding any other provision of law to the contrary,
6 including, specifically, the provisions of chapter 59 of the laws of
7 2000 and section sixty-seven-b of the state finance law, the dormitory
8 authority of the state of New York and the corporation are hereby
9 authorized to issue personal income tax revenue anticipation notes with
10 a maturity no later than March 31, 2023, in one or more series in an
11 aggregate principal amount for each fiscal year not to exceed three
12 billion dollars, and to pay costs of issuance of such notes, for the
13 purpose of temporarily financing budgetary needs of the state. Such
14 purpose shall constitute an authorized purpose under subdivision two of
15 section sixty-eight-a of the state finance law for all purposes of arti-
16 cle five-C of the state finance law with respect to the notes authorized
17 by this paragraph. Such notes shall not be renewed, extended or
18 refunded. For so long as any notes authorized by this paragraph shall be
19 outstanding, the restrictions, limitations and requirements contained in
20 article five-B of the state finance law shall not apply.

21 (c) Such notes of the dormitory authority and the corporation shall
22 not be a debt of the state, and the state shall not be liable thereon,
23 nor shall they be payable out of any funds other than those appropriated
24 by the state to the dormitory authority and the corporation for debt
25 service and related expenses pursuant to any financing agreement
26 described in paragraph (d) of this subdivision, and such notes shall
27 contain on the face thereof a statement to such effect. Such notes shall
28 be issued on a subordinate basis and shall be secured by subordinate
29 payments from the revenue bond tax fund established pursuant to section
30 ninety-two-z of the state finance law. Except for purposes of complying
31 with the internal revenue code, any interest income earned on note
32 proceeds shall only be used to pay debt service on such notes. All of
33 the provisions of the state finance law, the dormitory authority act and
34 this act relating to notes and bonds which are not inconsistent with the
35 provisions of this section shall apply to notes authorized by paragraph
36 (b) of this subdivision, including but not limited to the power to
37 establish adequate reserves therefor, subject to the final maturity
38 limitation for such notes set forth in paragraph (b) of this subdivi-

40 subdivision shall further be subject to the approval of the director of
41 the division of the budget.

42 (d) Notwithstanding any other law, rule or regulation to the contrary
43 but subject to the limitations contained in paragraph (b) of this subdivi-
44 sion, in order to assist the dormitory authority and the corporation
45 in undertaking the administration and financing of such notes, the
46 director of the budget is hereby authorized to supplement any existing
47 financing agreement with the dormitory authority and/or the corporation,
48 or to enter into a new financing agreement with the dormitory authority
49 and/or the corporation, upon such terms and conditions as the director
50 of the budget and the dormitory authority and the corporation shall
51 agree, so as to provide to the dormitory authority and the corporation,
52 a sum not to exceed the debt service payments and related expenses
53 required for any notes issued pursuant to paragraph (b) of this subdivi-
54 sion. Any financing agreement supplemented or entered into pursuant to
55 this section shall provide that the obligation of the state to pay the
56 amount therein provided shall not constitute a debt of the state within

1 the meaning of any constitutional or statutory provision and shall be
2 deemed executory only to the extent of monies available and that no
3 liability shall be incurred by the state beyond the monies available for
4 such purposes, subject to annual appropriation by the legislature. Any
5 such financing agreement or any payments made or to be made thereunder
6 may be assigned or pledged by the dormitory authority and the corpo-
7 ration as security for the notes authorized by paragraph (b) of this
8 subdivision.

9 (e) Notwithstanding any other provision of law to the contrary,
10 including specifically the provisions of subdivision 3 of section 67-b
11 of the state finance law, no capital work or purpose shall be required
12 for any issuance of personal income tax revenue anticipation notes
13 issued by the dormitory authority and the corporation pursuant to para-
14 graph (b) of this subdivision.

15 (f) Notwithstanding any other law, rule, or regulation to the contra-
16 ry, the comptroller is hereby authorized and directed to deposit to the
17 credit of the general fund, all proceeds of personal income tax revenue
18 anticipation notes issued by the dormitory authority and the New York
19 state urban development corporation pursuant to paragraph (b) of this
20 subdivision.

21 2. Effect of inconsistent provisions. Insofar as the provisions of
22 this section are inconsistent with the provisions of any other law,
23 general, special, or local, the provisions of this section shall be
24 controlling.

25 3. Severability; construction. The provisions of this section shall be
26 severable, and if the application of any clause, sentence, paragraph,
27 subdivision, section or part of this section to any person or circum-
28 stance shall be adjudged by any court of competent jurisdiction to be
29 invalid, such judgment shall not necessarily affect, impair or invali-
30 date the application of any such clause, sentence, paragraph, subdivi-
31 sion, section, part of this section or remainder thereof, as the case
32 may be, to any other person or circumstance, but shall be confined in
33 its operation to the clause, sentence, paragraph, subdivision, section
34 or part thereof directly involved in the controversy in which such judg-
35 ment shall have been rendered.

36 § 55. Section 1 of chapter 174 of the laws of 1968, constituting the
37 New York state urban development corporation act, is amended by adding a
38 new section 55-b to read as follows:

39 § 55-b. Line of credit facilities. 1. Findings and declaration of
40 need. (a) The state of New York finds and determines that shortfalls in
41 the state's financial plan arising from adverse economic and fiscal
42 events and risks, disasters and emergencies, including but not limited
43 to, public health emergencies, may occur or develop, and that the finan-
44 cial impact of such events, risks, disasters and emergencies could be
45 prudently mitigated by certain fiscal management authorization measures
46 being legislatively authorized and established.

47 (b) Definitions. When used in this subdivision:

48 (i) "Line of credit facility" shall mean one or more revolving credit
49 commitment arrangements between the dormitory authority of the state of
50 New York and/or the urban development corporation with an individual
51 financial institution or a consortium of financial institutions for the
52 purpose of assisting the state to temporarily finance its budgetary
53 needs.

54 (ii) "Related expenses and fees" shall mean interest costs, commitment
55 fees and other costs, expenses and fees incurred in connection with a
56 line of credit facility and/or a service contract or other agreement of

1 the state securing such line of credit facility that contractually obli-
2 gates the state to pay debt service subject to an appropriation.

3 (c) Notwithstanding any other provision of law to the contrary,
4 including, specifically, the provisions of chapter 59 of the laws of
5 2000 and section 67-b of the state finance law, the dormitory authority
6 of the state of New York and the urban development corporation are
7 authorized until March 31, 2023 to: (i) enter into one or more line of
8 credit facilities not in excess of two billion dollars in aggregate
9 principal amount; (ii) draw, at one or more times at the direction of
10 the director of the budget, upon such line of credit facilities and
11 provide to the state the amounts so drawn for the purpose of assisting
12 the state to temporarily finance its budgetary needs; provided, however,
13 that the total principal amounts of such draws for each fiscal year
14 shall not exceed two billion dollars; and (iii) secure repayment of all
15 draws under such line of credit facilities and the payment of related
16 expenses and fees, which repayment and payment obligations shall not
17 constitute a debt of the state within the meaning of any constitutional
18 or statutory provision and shall be deemed executory only to the extent
19 moneys are available and that no liability shall be incurred by the
20 state beyond the moneys available for such purpose, and that such
21 payment obligation is subject to annual appropriation by the legisla-
22 ture. Any line of credit facility agreements entered into by the dormi-
23 tory authority of the state of New York and/or the urban development
24 corporation with financial institutions pursuant to this section may
25 contain such provisions that the dormitory authority of the state of New
26 York and/or the urban development corporation deem necessary or desira-
27 ble for the establishment of such credit facilities. The maximum term of
28 any line of credit facility shall be one year from the date of incur-
29 rence; provided however that no draw on any such line of credit facility
30 shall occur after March 31, 2023, and provided further that any such
31 line of credit facility whose term extends beyond March 31, 2023 shall
32 be supported by sufficient appropriation authority enacted by the legis-
33 lature that provides for the repayment of all amounts drawn and remain-
34 ing unpaid as of March 31, 2023, as well as the payment of related
35 expenses and fees incurred and to become due and payable by the dormito-
36 ry authority of the state of New York and/or the urban development
37 corporation.

38 (d) Notwithstanding any other law, rule, or regulation to the contra-
39 ry, the comptroller is hereby authorized and directed to deposit to the
40 credit of the general fund, all amounts provided by the dormitory
41 authority of the state of New York and/or the urban development corpo-
42 ration to the state from draws made on any line of credit facility
43 authorized by paragraph (c) of this subdivision.

44 (e) Notwithstanding any other provision of law to the contrary, for so
45 long as any amounts under a line of credit facility authorized by para-
46 graph (c) of this subdivision are due and payable, such amounts shall
47 not constitute nor be treated as state-supported debt for purposes of
48 article 5-B of the state finance law. As applicable, all of the
49 provisions of the state finance law, the dormitory authority act and the
50 New York state urban development corporation act relating to notes and
51 bonds which are not inconsistent with the provisions of this section
52 shall apply to any line of credit facility established in accordance
53 with the authorization contained in paragraph (c) of this subdivision.

54 (f) Each draw on a line of credit facility authorized by paragraph (c)
55 of this subdivision shall only be made if the service contract or other
56 agreement entered into in connection with such line of credit facility

1 is supported by sufficient appropriation authority enacted by the legis-
2 lature to repay the amount of the draw and to pay the related expenses
3 and fees to become due and payable. Amounts repaid under a line of cred-
4 it facility may be re-borrowed under the same or another line of credit
5 facility authorized by paragraph (c) of this subdivision provided that
6 the legislature has enacted sufficient appropriation authority that
7 provides for the repayment of any such re-borrowed amounts and the
8 payment of the related expenses and fees to become due and payable.
9 Neither the dormitory authority of the state of New York nor the urban
10 development corporation shall have any financial liability for the
11 repayment of draws under any line of credit facility authorized by para-
12 graph (c) of this subdivision and the payment of the related expenses
13 and fees beyond the moneys received for such purpose under any service
14 contract or other agreement authorized by paragraph (g) of this subdivi-
15 sion.

16 (g) The director of the budget is authorized to enter into one or more
17 service contracts or other agreements, none of which shall exceed one
18 year in duration, with the dormitory authority of the state of New York
19 and/or the urban development corporation, upon such terms and conditions
20 as the director of the budget and dormitory authority of the state of
21 New York and/or the urban development corporation shall agree. Any
22 service contract or other agreement entered into pursuant to this para-
23 graph shall provide for state commitments to provide annually to the
24 dormitory authority of the state of New York and/or the urban develop-
25 ment corporation a sum or sums, upon such terms and conditions as shall
26 be deemed appropriate by the director of the budget and the dormitory
27 authority of the state of New York and/or the urban development corpo-
28 ration, to fund the payment of all amounts to become due and payable
29 under any line of credit facility. Any such service contract or other
30 agreement shall provide that the obligation of the director of the budg-
31 et or of the state to fund or to pay the amounts therein provided for
32 shall not constitute a debt of the state within the meaning of any
33 constitutional or statutory provision and shall be deemed executory only
34 to the extent moneys are available and that no liability shall be
35 incurred by the state beyond the moneys available for such purpose, and
36 that such obligation is subject to annual appropriation by the legisla-
37 ture.

38 (h) Any service contract or other agreement entered into pursuant to
39 paragraph (g) of this subdivision or any payments made or to be made
40 thereunder may be assigned and pledged by the dormitory authority of the
41 state of New York and/or the urban development corporation as security
42 for any related payment obligation it may have with one or more finan-
43 cial institutions in connection with a line of credit facility author-
44 ized by paragraph (c) of this subdivision.

45 (i) In addition to the foregoing, the director of the budget, the
46 dormitory authority of the state of New York and the urban development
47 corporation shall each be authorized to enter into such other agreements
48 and to take or cause to be taken such additional actions as are neces-
49 sary or desirable to effectuate the purposes of the transactions contem-
50 plated by a line of credit facility and the related service contract or
51 other agreement, subject to the limitations and restrictions set forth
52 in this subdivision.

53 (j) No later than seven days after a draw occurs on a line of credit
54 facility, the director of the budget shall provide notification of such
55 draw to the president pro tempore of the senate and the speaker of the
56 assembly.

2. Effect of inconsistent provisions. Insofar as the provisions of this section are inconsistent with the provisions of any other law, general, special, or local, the provisions of this act shall be controlling.

3. Severability; construction. 15 for deletion is denied, the commission, in its notification of denial,
16 shall inform the person of their right to appeal the commission's
17 determination in a proceeding commenced against the commission, pursuant
18 to article seventy-eight of the civil practice law and rules.

19 (h) The commission may permit any person who is required to file a

7 accordance with rules and regulations governing such exemptions. Such
8 rules and regulations shall provide for exemptions to be granted either
9 on the application of an individual or on behalf of persons who share
10 the same job title or employment classification which the commission
11 deems to be comparable for purposes of this section. Such rules
12 and regulations may permit the granting of an exemption where, in the
13 discretion of the commission, the public interest does not require
14 disclosure and the applicant's duties do not involve the negotiation,
15 authorization or approval of:

16 (i) contracts, leases, franchises, revocable consents, concessions,
17 variances, special permits, or licenses as such terms are defined in

46 jurisdiction, it shall provide the respondent timely notice for a due
47 process hearing. The commission shall also inform the respondent of its
48 rules regarding the conduct of adjudicatory proceedings and appeals and
49 the other due process procedural mechanisms available to the respondent.

50 (e) The hearing shall be conducted before an independent arbitrator.
51 Such hearing shall afford the respondent with a reasonable opportunity
52 to appear in person, and by attorney, give sworn testimony, present
53 evidence, and cross-examine witnesses.

54 (f) The commission may, at any time, develop procedures and rules for
55 resolution of de minimus or minor violations that can be resolved

1 outside of the enforcement process, including the sending of a confiden-
2 tial guidance or educational letter.

3 (g) The jurisdiction of the commission when acting pursuant to this
4 section shall continue notwithstanding that a statewide elected official
5 or a state officer or employee or member of the legislature or legisla-
6 tive employee separates from state service, or a political party chair
7 ceases to hold such office, or a candidate ceases to be a candidate, or
8 a lobbyist or client of a lobbyist ceases to act as such, provided that
9 the commission notifies such individual or entity of the alleged
10 violation of law within two years from the individual's separation from
11 state service or termination of party service or candidacy, or from the
12 last report filed pursuant to article one-A of the legislative law.
13 Nothing in this section shall serve to limit the jurisdiction of the
14 commission in enforcement of subdivision eight of section seventy-three
15 of the public officers law.

16 (i) An individual subject to the jurisdiction of the commission who
17 knowingly and intentionally violates the provisions of subdivisions two
18 through five-a, seven, eight, twelve or fourteen through seventeen of
19 section seventy-three of the public officers law, section one hundred
20 seven of the civil service law, or a reporting individual who knowingly
21 and willfully fails to file an annual statement of financial disclosure
22 or who knowingly and willfully with intent to deceive makes a false
23 statement or fraudulent omission or gives information which such indi-
24 vidual knows to be false on such statement of financial disclosure filed
25 pursuant to section seventy-three-a of the public officers law, shall be
26 subject to a civil penalty in an amount not to exceed forty thousand
27 dollars and the value of any gift, compensation or benefit received as a
28 result of such violation.

29 (ii) An individual who knowingly and intentionally violates the
30 provisions of paragraph a, b, c, d, e, g, or i of subdivision three of
31 section seventy-four of the public officers law, shall be subject to a
32 civil penalty in an amount not to exceed ten thousand dollars and the
33 value of any gift, compensation or benefit received as a result of such
34 violation.

35 (iii) An individual subject to the jurisdiction of the commission who
36 knowingly and willfully violates article one-A of the legislative law
37 shall be subject to civil penalty as provided for in that article.

38 (iv) With respect to a potential violation of any criminal law where
39 the commission finds sufficient cause by a majority vote, it shall refer
40 such matter to the appropriate law enforcement authority for further
41 investigation.

42 (v) In assessing the amount of the civil penalties to be imposed, the
43 commission shall consider the seriousness of the violation, the amount
44 of gain to the individual and whether the individual previously had any
45 civil or criminal penalties imposed pursuant to this section, and any
46 other factors the commission deems appropriate.

47 (vi) A civil penalty for false filing shall not be imposed under this
48 subdivision in the event a category of "value" or "amount" reported
49 hereunder is incorrect unless such reported information is falsely
50 understated.

51 (vii) Notwithstanding any other provision of law to the contrary, no
52 other penalty, civil or criminal may be imposed for a failure to file,
53 or for a false filing, of such statement, or a violation of subdivision
54 six of section seventy-three of the public officers law, except that the
55 commission may recommend that the individual in violation of such subdi-
56 vision or section be disciplined.

1 (viii) The commission shall be deemed to be an agency within the mean-
2 ing of article three of the state administrative procedure act and shall
3 adopt rules governing the conduct of adjudicatory proceedings and
4 appeals taken pursuant to a proceeding commenced under article seventy-
5 eight of the civil practice law and rules relating to the assessment of
6 the civil penalties or the recommendation of employee discipline herein
7 authorized. Such rule shall provide for due process procedural mech-
8 anisms substantially similar to those set forth in article three of the
9 state administrative procedure act but such mechanisms need not be iden-
10 tical in terms or scope.

11 (h) (i) The commission shall have jurisdiction to investigate, but
12 shall have no jurisdiction to impose penalties or discipline upon
13 members of or candidates for member of the legislature or legislative
14 employees for any violation of the public officers law. If, after inves-
15 tigation and a due process hearing, the commission has found, by a
16 majority vote, a substantial basis to conclude that a member of the
17 legislature or a legislative employee or candidate for member of the
18 legislature has violated any provisions of such laws, it shall prepare a
19 written report of its findings and provide a copy of that report to the
20 legislative ethics commission, and to such individual in violation of
21 such law. The commission shall provide to the legislative ethics
22 commission copies of the full investigative file and hearing record.

23 (ii) With respect to the investigation of any individual who is not a
24 member of the legislature or a legislative employee or candidate for
25 member of the legislature, if after its investigation and due process
26 hearing, the commission has found a substantial basis to conclude that
27 the individual has violated the public officers law or the legislative
28 law, the commission shall determine whether, in addition to or in lieu
29 of any fine authorized by this article, the respondent should be
30 referred to their employer for discipline with a warning, admonition,
31 censure, suspension or termination or other appropriate discipline. With
32 regard to statewide elected officials, the commission may not order
33 suspension or termination but may recommend impeachment. The commission
34 shall then issue a report containing its determinations including its
35 findings of fact and conclusions of law to the respondent. The commis-
36 sion shall publish such report on its website within twenty days of its
37 delivery to the respondent.

38 11. Confidentiality. (a) When an individual becomes a commissioner or
39 staff of the commission, such individual shall be required to sign a
40 non-disclosure statement.

41 (b) Except as otherwise required or provided by law, testimony
42 received, or any other information obtained by a commissioner or staff
43 of the commission, shall not be disclosed by any such individual to any
44 person or entity outside of the commission during the pendency of any
45 matter. Any confidential communication to any person or entity outside
46 the commission related to the matters before the commission shall occur
47 only as authorized by the commission. For the purposes of this para-
48 graph, "matter" shall mean any complaint, review, inquiry, or investi-
49 gation into alleged violations of this chapter.

50 (c) The commission shall establish procedures necessary to prevent the
51 unauthorized disclosure of any information received by any member of the
52 commission or staff of the commission. Any breaches of confidentiality
53 may be investigated by the New York state office of the inspector gener-
54 al, attorney general, or other appropriate law enforcement authority
55 upon a majority vote of the commission to refer, and appropriate action
56 shall be taken.

(d) Any commission member or person employed by the commission who intentionally and without authorization releases confidential information received or generated by the commission shall be guilty of a class A misdemeanor.

12. Annual report. (a) The commission shall make an annual public report prioritizing transparency and summarizing the activities of the commission during the previous year and recommending any changes in the laws governing the conduct of persons subject to the jurisdiction of the commission, or the rules, regulations and procedures governing the commission's conduct. Such report shall include, but is not limited to:

(i) information on the number and type of complaints received by the commission and the status of such complaints;

(ii) information relating to the investigation or investigations opened by the commission, including the current status of each such investigation;

(iii) where a matter has been resolved, the date and nature of the disposition and any sanction imposed; provided, however, that such annual report shall not contain any information for which disclosure is not permitted pursuant to this section or other laws;

(iv) information regarding financial disclosure compliance for the preceding year; and

(v) information regarding lobbying law filing compliance for the preceding year.

(b) Such a report shall be filed in the office of the governor and with the legislature on or before the first day of February for the preceding year.

13. Website. (a) Within one hundred twenty days of the effective date of this section, the commission shall create and thereafter maintain a publicly accessible website which shall set forth the procedure for filing a complaint with the commission, the filing of financial disclosure statements filed by state officers or employees or legislative employees, the filing of statements required by article one-A of the legislative law, and any other records or information which the commission determines to be appropriate.

(b) The commission shall post on its website the following documents:

(i) the information set forth in an annual statement of financial disclosure filed pursuant to section seventy-three-a of the public officers law except information deleted pursuant to paragraph (g) of subdivision nine of this section;

(ii) notices of delinquency sent under subdivision nine of this section;

(iii) notices of civil assessments imposed under this section which shall include a description of the nature of the alleged wrongdoing, the procedural history of the complaint, the findings and determinations made by the commission, and any sanction imposed;

(iv) the terms of any settlement or compromise of a complaint or referral which includes a fine, penalty or other remedy;

(v) those required to be held or maintained publicly available pursuant to article one-A of the legislative law; and

(vi) reports issued by the commission pursuant to this section.

14. Additional powers. In addition to any other powers and duties specified by law, the commission shall have the power and duty to administer and enforce all the provisions of this section.

15. Severability. If any part or provision of this section or the application thereof to any person or organization is adjudged by a court of competent jurisdiction to be unconstitutional or otherwise invalid,

1 such judgment shall not affect or impair any other part or provision or
2 the application thereof to any other person or organization, but shall
3 be confined in its operation to such part or provision.

4 § 3. Subdivision (f) of section 1-c of the legislative law, as amended
5 by chapter 14 of the laws of 2007, is amended to read as follows:

6 (f) The term "commission" shall mean the independent commission on
7 ~~[public integrity]~~ ethics and lobbying in government created by section
8 ninety-four of the executive law.

9 § 4. Subdivisions 7, 9, 10, 12 and 13 of section 80 of the legislative
10 law, as amended by section 9 of part A of chapter 399 of the laws of
11 2011, are amended to read as follows:

12 7. The commission shall:

13 a. Appoint an executive director who shall act in accordance with the
14 policies of the commission, provided that the commission may remove the
15 executive director for neglect of duty, misconduct in office, or inabil-
16 ity or failure to discharge the powers or duties of office;

17 b. Appoint such other staff as are necessary to assist it to carry out
18 its duties under this section;

19 c. Adopt, amend, and rescind policies, rules and regulations consist-
20 ent with this section to govern procedures of the commission which shall
21 not be subject to the promulgation and hearing requirements of the state
22 administrative procedure act;

23 d. Administer the provisions of this section;

24 e. Specify the procedures whereby a person who is required to file an
25 annual financial disclosure statement with the commission may request an
26 additional period of time within which to file such statement, due to
27 justifiable cause or undue hardship; such rules or regulations shall
28 provide for a date beyond which in all cases of justifiable cause or
29 undue hardship no further extension of time will be granted;

30 f. Promulgate guidelines to assist appointing authorities in determin-
31 ing which persons hold policy-making positions for purposes of section
32 seventy-three-a of the public officers law and may promulgate guidelines
33 to assist firms, associations and corporations in separating affected
34 persons from net revenues for purposes of subdivision ten of section
35 seventy-three of the public officers law, and promulgate guidelines to
36 assist any firm, association or corporation in which any present or
37 former statewide elected official, state officer or employee, member of
38 the legislature or legislative employee, or political party chairman is
39 a member, associate, retired member, of counsel or shareholder, in
40 complying with the provisions of subdivision ten of section seventy-
41 three of the public officers law with respect to the separation of such
42 present or former statewide elected official, state officer or employee,
43 member of the legislature or legislative employee, or political party
44 chairman from the net revenues of the firm, association or corporation.
45 Such firm, association or corporation shall not be required to adopt the
46 procedures contained in the guidelines to establish compliance with
47 subdivision ten of section seventy-three of the public officers law, but
48 if such firm, association or corporation does adopt such procedures, it
49 shall be deemed to be in compliance with such subdivision ten;

50 g. Make available forms for financial disclosure statements required
51 to be filed pursuant to subdivision six of section seventy-three and
52 section seventy-three-a of the public officers law as provided by the
53 ~~[joint]~~ independent commission on ~~[public]~~ ethics and lobbying in
54 government;

55 h. Review financial disclosure statements in accordance with the
56 provisions of this section, provided however, that the commission may

1 delegate all or part of the review function relating to financial
2 disclosure statements filed by legislative employees pursuant to
3 sections seventy-three and seventy-three-a of the public officers law to
4 the executive director who shall be responsible for completing staff
5 review of such statements in a manner consistent with the terms of the
6 commission's delegation;

7 i. Upon written request from any person who is subject to the juris-
8 diction of the commission and the requirements of sections seventy-
9 three, seventy-three-a and seventy-four of the public officers law,
10 render formal advisory opinions on the requirements of said provisions.
11 A formal written opinion rendered by the commission, until and unless
12 amended or revoked, shall be binding on the legislative ethics commis-
13 sion in any subsequent proceeding concerning the person who requested
14 the opinion and who acted in good faith, unless material facts were
15 omitted or misstated by the person in the request for an opinion. Such
16 opinion may also be relied upon by such person, and may be introduced
17 and shall be a defense in any criminal or civil action. The [~~joint~~]
18 independent commission on [~~public~~] ethics and lobbying in government
19 shall not investigate an individual for potential violations of law
20 based upon conduct approved and covered in its entirety by such an opin-
21 ion, except that such opinion shall not prevent or preclude an investi-
22 gation of and report to the legislative ethics commission concerning the
23 conduct of the person who obtained it by the [~~joint~~] independent commis-
24 sion on [~~public~~] ethics and lobbying in government for violations of
25 section seventy-three, seventy-three-a or seventy-four of the public
26 officers law to determine whether the person accurately and fully
27 represented to the legislative ethics commission the facts relevant to
28 the formal advisory opinion and whether the person's conduct conformed
29 to those factual representations. The [~~joint~~] independent commission on
30 ethics and lobbying in government shall be authorized and shall have
31 jurisdiction to investigate potential violations of the law arising from
32 conduct outside of the scope of the terms of the advisory opinion; and
33 j. Issue and publish generic advisory opinions covering questions
34 frequently posed to the commission, or questions common to a class or
35 defined category of persons, or that will tend to prevent undue repe-
36 tition of requests or undue complication, and which are intended to
37 provide general guidance and information to persons subject to the
38 commission's jurisdiction;

39 k. Develop educational materials and training with regard to legisla-
40 tive ethics for members of the legislature and legislative employees
41 including an online ethics orientation course for newly-hired employees
42 and, as requested by the senate or the assembly, materials and training
43 in relation to a comprehensive ethics training program; and

44 l. Prepare an annual report to the governor and legislature summariz-
45 ing the activities of the commission during the previous year and recom-
46 mending any changes in the laws governing the conduct of persons subject
47 to the jurisdiction of the commission, or the rules, regulations and
48 procedures governing the commission's conduct. Such report shall
49 include: (i) a listing by assigned number of each complaint and report
50 received from the [~~joint~~] independent commission on [~~public~~] ethics and
51 lobbying in government which alleged a possible violation within its
52 jurisdiction, including the current status of each complaint, and (ii)
53 where a matter has been resolved, the date and nature of the disposition
54 and any sanction imposed, subject to the confidentiality requirements of
55 this section. Such annual report shall not contain any information for

1 which disclosure is not permitted pursuant to subdivision twelve of this
2 section.

3 9. (a) An individual subject to the jurisdiction of the commission
4 with respect to the imposition of penalties who knowingly and inten-
5 tionally violates the provisions of subdivisions two through five-a,
6 seven, eight, twelve, fourteen or fifteen of section seventy-three of
7 the public officers law or a reporting individual who knowingly and
8 wilfully fails to file an annual statement of financial disclosure or
9 who knowingly and wilfully with intent to deceive makes a false state-
10 ment or gives information which such individual knows to be false on
11 such statement of financial disclosure filed pursuant to section seven-
12 ty-three-a of the public officers law shall be subject to a civil penal-
13 ty in an amount not to exceed forty thousand dollars and the value of
14 any gift, compensation or benefit received as a result of such
15 violation. Any such individual who knowingly and intentionally violates
16 the provisions of paragraph a, b, c, d, e, g, or i of subdivision three
17 of section seventy-four of the public officers law shall be subject to a
18 civil penalty in an amount not to exceed ten thousand dollars and the
19 value of any gift, compensation or benefit received as a result of such
20 violation. Assessment of a civil penalty hereunder shall be made by the
21 commission with respect to persons subject to its jurisdiction. In
22 assessing the amount of the civil penalties to be imposed, the commis-
23 sion shall consider the seriousness of the violation, the amount of gain
24 to the individual and whether the individual previously had any civil or
25 criminal penalties imposed pursuant to this section, and any other
26 factors the commission deems appropriate. For a violation of this
27 section, other than for conduct which constitutes a violation of subdi-
28 vision twelve, fourteen or fifteen of section seventy-three or section
29 seventy-four of the public officers law, the legislative ethics commis-
30 sion may, in lieu of or in addition to a civil penalty, refer a
31 violation to the appropriate prosecutor and upon such conviction, but
32 only after such referral, such violation shall be punishable as a class
33 A misdemeanor. Where the commission finds sufficient cause, it shall
34 refer such matter to the appropriate prosecutor. A civil penalty for
35 false filing may not be imposed hereunder in the event a category of
36 "value" or "amount" reported hereunder is incorrect unless such reported
37 information is falsely understated. Notwithstanding any other provision
38 of law to the contrary, no other penalty, civil or criminal may be
39 imposed for a failure to file, or for a false filing, of such statement,
40 or a violation of subdivision six of section seventy-three of the public
41 officers law, except that the appointing authority may impose discipli-
42 nary action as otherwise provided by law. The legislative ethics commis-
43 sion shall be deemed to be an agency within the meaning of article three
44 of the state administrative procedure act and shall adopt rules govern-
45 ing the conduct of adjudicatory proceedings and appeals taken pursuant
46 to a proceeding commenced under article seventy-eight of the civil prac-
47 tice law and rules relating to the assessment of the civil penalties
48 herein authorized. Such rules, which shall not be subject to the promul-
49 gation and hearing requirements of the state administrative procedure
50 act, shall provide for due process procedural mechanisms substantially
51 similar to those set forth in such article three but such mechanisms
52 need not be identical in terms or scope. Assessment of a civil penalty
53 shall be final unless modified, suspended or vacated within thirty days
54 of imposition, with respect to the assessment of such penalty, or unless
55 such denial of request is reversed within such time period, and upon
56 becoming final shall be subject to review at the instance of the

1 affected reporting individuals in a proceeding commenced against the
2 legislative ethics commission, pursuant to article seventy-eight of the
3 civil practice law and rules.

4 (b) Not later than forty-five calendar days after receipt from the
5 ~~[joint]~~ independent commission on ~~[public]~~ ethics and lobbying in
6 government of a written substantial basis investigation report and any
7 supporting documentation or other materials regarding a matter before
8 the commission pursuant to ~~[subdivision fourteen-a-of]~~ section ninety-
9 four of the executive law, unless requested by a law enforcement agency
10 to suspend the commission's action because of an ongoing criminal inves-
11 tigation, the legislative ethics commission shall make public such
12 report in its entirety; provided, however, that the commission may with-
13 hold such information for not more than one additional period of the
14 same duration or refer the matter back to the ~~[joint]~~ independent
15 commission on ~~[public]~~ ethics and lobbying in government once for addi-
16 tional investigation, in which case the legislative ethics commission
17 shall, upon the termination of such additional period or upon receipt of
18 a new report by the ~~[joint]~~ independent commission on ~~[public]~~ ethics
19 and lobbying in government after such additional investigation, make
20 public the written report and publish it on the commission's website. If
21 the legislative ethics commission fails to make public the written
22 report received from the ~~[joint]~~ independent commission on ethics and
23 lobbying in government in accordance with this paragraph, the ~~[joint]~~
24 independent commission on ethics and lobbying in government shall
25 release such report publicly promptly and in any event no later than ten
26 days after the legislative ethics commission is required to release such
27 report. The legislative ethics commission shall not refer the matter
28 back to the ~~[joint]~~ independent commission on ~~[public]~~ ethics and lobby-
29 ing in government for additional investigation more than once. If the
30 commission refers the matter back to the ~~[joint]~~ independent commission
31 on ethics and lobbying in government for additional fact-finding, the
32 ~~[joint-commission's]~~ independent commission on ethics and lobbying in
33 government's original report shall remain confidential.

34 10. Upon receipt of a written report from the ~~[joint]~~ independent
35 commission on ~~[public]~~ ethics and lobbying in government pursuant to
36 subdivision fourteen-a of section seventy-three of the public officers
37 law, the legislative ethics commission shall commence its review of the
38 matter addressed in such report. No later than ninety days after receipt
39 of such report, the legislative ethics commission shall dispose of the
40 matter by making one or more of the following determinations:

41 a. whether the legislative ethics commission concurs with the ~~[joint~~
42 ~~commission's]~~ independent commission on ethics and lobbying in govern-
43 ment's conclusions of law and the reasons therefor;

44 b. whether and which penalties have been assessed pursuant to applica-
45 ble law or rule and the reasons therefor; and

46 c. whether further actions have been taken by the commission to punish
47 or deter the misconduct at issue and the reasons therefor.

48 The commission's disposition shall be reported in writing and
49 published on its website no later than ten days after such disposition
50 unless requested by a law enforcement agency to suspend the commission's
51 action because of an ongoing criminal investigation.

52 12. a. Notwithstanding the provisions of article six of the public
53 officers law, the only records of the commission which shall be avail-
54 able for public inspection and copying are:

55 (1) the terms of any settlement or compromise of a complaint or refer-
56 ral or report which includes a fine, penalty or other remedy reached

1 after the commission has received a report from the [~~joint~~] independent
2 commission on [~~public~~] ethics and lobbying in government pursuant to
3 [~~subdivision fourteen-a-of~~] section ninety-four of the executive law;

4 (2) generic advisory opinions;

5 (3) all reports required by this section; and

6 (4) all reports received from the [~~joint~~] independent commission on
7 [~~public~~] ethics and lobbying in government pursuant to [~~subdivision~~
8 ~~fourteen-a-of~~] section ninety-four of the executive law and in conform-
9 ance with paragraph (b) of subdivision [~~nine-b~~] nine of this section.

10 b. Notwithstanding the provisions of article seven of the public offi-
11 cers law, no meeting or proceeding of the commission shall be open to
12 the public, except if expressly provided otherwise by this section or
13 the commission.

14 13. Within one hundred twenty days of the effective date of this
15 subdivision, the commission shall create and thereafter maintain a
16 publicly accessible website which shall set forth the procedure for
17 filing a complaint with the [~~joint~~] independent commission on [~~public~~]
18 ethics and lobbying in government, and which shall contain any other
19 records or information which the commission determines to be appropri-
20 ate.

21 § 5. Paragraphs (c), (d) and (d-1) of subdivision 1 of section 73-a of
22 the public officers law, paragraphs (c) and (d) as amended and paragraph
23 (d-1) as added by section 5 of part A of chapter 399 of the laws of
24 2011, are amended to read as follows:

25 (c) The term "state officer or employee" shall mean:

26 (i) heads of state departments and their deputies and assistants;

27 (ii) officers and employees of statewide elected officials, officers
28 and employees of state departments, boards, bureaus, divisions, commis-
29 sions, councils or other state agencies, who receive annual compensation
30 in excess of the filing rate established by paragraph (1) of this subdivi-
31 sion or who hold policy-making positions, as annually determined by
32 the appointing authority and set forth in a written instrument which
33 shall be filed with the [~~joint~~] independent commission on [~~public~~]
34 ethics and lobbying in government established by section ninety-four of
35 the executive law during the month of February, provided, however, that
36 the appointing authority shall amend such written instrument after such
37 date within thirty days after the undertaking of policy-making responsi-
38 bilities by a new employee or any other employee whose name did not
39 appear on the most recent written instrument; and

40 (iii) members or directors of public authorities, other than multi-
41 state authorities, public benefit corporations and commissions at least
42 one of whose members is appointed by the governor, and employees of such
43 authorities, corporations and commissions who receive annual compen-
44 sation in excess of the filing rate established by paragraph (1) of this
45 subdivision or who hold policy-making positions, as determined annually
46 by the appointing authority and set forth in a written instrument which
47 shall be filed with the [~~joint~~] independent commission on [~~public~~]
48 ethics and lobbying in government established by section ninety-four of
49 the executive law during the month of February, provided, however, that
50 the appointing authority shall amend such written instrument after such
51 date within thirty days after the undertaking of policy-making responsi-
52 bilities by a new employee or any other employee whose name did not
53 appear on the most recent written instrument.

54 (d) The term "legislative employee" shall mean any officer or employee
55 of the legislature who receives annual compensation in excess of the
56 filing rate established by paragraph (1) below or who is determined to

1 hold a policy-making position by the appointing authority as set forth
2 in a written instrument which shall be filed with the legislative ethics
3 commission and the ~~[joint]~~ independent commission on ~~[public]~~ ethics and
4 lobbying in government.

5 (d-1) A financial disclosure statement required pursuant to section
6 seventy-three of this article and this section shall be deemed "filed"
7 with the ~~[joint]~~ independent commission on ~~[public]~~ ethics and lobbying
8 in government upon its filing, in accordance with this section, with the
9 legislative ethics commission for all purposes including, but not limit-
10 ed to, ~~[subdivision fourteen of]~~ section ninety-four of the executive
11 law, subdivision nine of section eighty of the legislative law and
12 subdivision four of this section.

13 § 6. Subdivision 2 of section 73-a of the public officers law, as
14 amended by section 5 of part A of chapter 399 of the laws of 2011, is
15 amended to read as follows:

16 2. (a) Every statewide elected official, state officer or employee,
17 member of the legislature, legislative employee and political party
18 chairman and every candidate for statewide elected office or for member
19 of the legislature shall file an annual statement of financial disclo-
20 sure containing the information and in the form set forth in subdivision
21 three of this section. On or before the fifteenth day of May with
22 respect to the preceding calendar year: (1) every member of the legisla-
23 ture, every candidate for member of the legislature and legislative
24 employee shall file such statement with the legislative ethics commis-
25 sion which shall provide such statement along with any requests for
26 exemptions or deletions to the ~~[joint]~~ independent commission on
27 ~~[public]~~ ethics and lobbying in government for filing and rulings with
28 respect to such requests for exemptions or deletions, on or before the
29 thirtieth day of June; and (2) all other individuals required to file
30 such statement shall file it with the ~~[joint]~~ independent commission on

7 A reporting individual need not disclose activities performed while
 8 lawfully acting in his or her capacity as provided in paragraphs (c),
 9 (d), (e) and (f) of subdivision seven of section seventy-three of this
 10 article.
 11 The disclosure requirement in questions (b-1) and (b-2) shall not
 12 require disclosing clients or customers receiving medical, pharmaceu-

 14 estate brokering services from the reporting individual or his or her
 15 firm or if federal law prohibits or limits disclosure. The reporting
 16 individual need not identify any client to whom he or she or his or her

 31 the reporting individual shall (i) disclose the identity of the client
 32 and the services provided relating to the initial public offering to the

 37 that the disclosure of information maintained in the locked box is no
 38 longer restricted by professional disciplinary rules, federal law or
 39 regulation, the reporting individual shall disclose such information in
 40 an amended disclosure statement in response to the disclosure require-
 41 ments in questions (b-1) and (b-2). The office of court administration
 42 shall develop and maintain a secure portal through which information
 43 submitted to it pursuant to this paragraph can be safely and confiden-
 44 tially stored. With respect to clients represented in other matters not
 45 otherwise exempt, the reporting individual may request an exemption to
 46 publicly disclosing the name of that client from the [~~joint~~] independent
 47 commission on ethics and lobbying in government pursuant to [~~paragraph~~
 48 ~~(i-1) of subdivision nine of~~] section ninety-four of the executive law,

(iv) A grant obtained through a legislative initiative during the reporting period; or

(v) A case, proceeding, application or other matter that is not a ministerial matter before a state agency during the reporting period."

In reviewing the request for an exemption, the ~~joint~~ independent commission on ethics and lobbying in government or the office of court administration may consult with bar or other professional associations and the legislative ethics commission for individuals subject to its jurisdiction and may consider the rules of professional conduct. In making its determination, the ~~joint~~ independent commission on ethics and lobbying in government or the office of court administration shall conduct its own inquiry and shall consider factors including, but not limited to: (i) the nature and the size of the client; (ii) whether the client has any business before the state; and if so, how significant the business is; and whether the client has any particularized interest in pending legislation and if so how significant the interest is; (iii) whether disclosure may reveal trade secrets; (iv) whether disclosure could reasonably result in retaliation against the client; (v) whether disclosure may cause undue harm to the client; (vi) whether disclosure may result in undue harm to the attorney-client relationship; and (vii) whether disclosure may result in an unnecessary invasion of privacy to the client.

The ~~joint~~ independent commission on ethics and lobbying in government or, as the case may be, the office of court administration shall promptly make a final determination in response to such request, which shall include an explanation for its determination. The office of court administration shall issue its final determination within three days of receiving the request. Notwithstanding any other provision of law or any professional disciplinary rule to the contrary, the disclosure of the identity of any client or customer in response to this question shall not constitute professional misconduct or a ground for disciplinary action of any kind, or form the basis for any civil or criminal cause of action or proceeding. A reporting individual who first enters public office after January first, two thousand sixteen, need not report clients or customers with respect to matters for which the reporting individual or his or her firm was retained prior to entering public office.

(c) APPLICABLE ONLY TO NEW CLIENTS OR CUSTOMERS FOR WHOM SERVICES ARE PROVIDED ON OR AFTER DECEMBER THIRTY-FIRST, TWO THOUSAND FIFTEEN, OR FOR NEW MATTERS FOR EXISTING CLIENTS OR CUSTOMERS WITH RESPECT TO THOSE SERVICES THAT ARE PROVIDED ON OR AFTER DECEMBER THIRTY-FIRST, TWO THOUSAND FIFTEEN:

If the reporting individual receives income of ten thousand dollars or greater from any employment or activity reportable under question 8(a), identify each registered lobbyist who has directly referred to such individual a client who was successfully referred to the reporting individual's business and from whom the reporting individual or firm received a fee for services in excess of five thousand dollars. Report only those referrals that were made to a reporting individual by direct communication from a person known to such reporting individual to be a

1 registered lobbyist at the time the referral is made. With respect to
2 each such referral, the reporting individual shall identify the client,
3 the registered lobbyist who has made the referral, the category of value
4 of the compensation received and a general description of the type of
5 matter so referred. A reporting individual need not disclose activities
6 performed while lawfully acting pursuant to paragraphs (c), (d), (e) and
7 (f) of subdivision seven of section seventy-three of this article. The
8 disclosure requirements in this question shall not require disclosing
9 clients or customers receiving medical, pharmaceutical or dental
10 services, mental health services, or residential real estate brokering
11 services from the reporting individual or his or her firm or if federal
12 law prohibits or limits disclosure. The reporting individual need not
13 identify any client to whom he or she or his or her firm provided legal
14 representation with respect to investigation or prosecution by law
15 enforcement authorities, bankruptcy, family court, estate planning, or
16 domestic relations matters, nor shall the reporting individual identify
17 individuals represented pursuant to an insurance policy but the report-
18 ing individual shall in such circumstances only report the entity that
19 provides compensation to the reporting individual; with respect to
20 matters in which the client's name is required by law to be kept confi-
21 dential (such as matters governed by the family court act) or in matters
22 in which the reporting individual represents or provides services to
23 minors, the client's name may be replaced with initials. To the extent
24 that the reporting individual, or his or her firm, provided legal repre-
25 sentation with respect to an initial public offering, and federal law or
26 regulations restricts the disclosure of information relating to such
27 work, the reporting individual shall (i) disclose the identity of the
28 client and the services provided relating to the initial public offering
29 to the office of court administration, who will maintain such informa-
30 tion confidentially in a locked box; and (ii) include in his or her
31 response a statement that pursuant to this paragraph, a disclosure to
32 the office of court administration has been made. Upon such time that
33 the disclosure of information maintained in the locked box is no longer
34 restricted by federal law or regulation, the reporting individual shall
35 disclose such information in an amended disclosure statement in response
36 to the disclosure requirements of this paragraph. The office of court
37 administration shall develop and maintain a secure portal through which
38 information submitted to it pursuant to this paragraph can be safely and
39 confidentially stored. With respect to clients represented in other
40 matters not otherwise exempt, the reporting individual may request an
41 exemption to publicly disclosing the name of that client from the
42 ~~[joint]~~ independent commission on ethics and lobbying in government
43 pursuant to ~~[paragraph (i-1) of subdivision nine of]~~ section ninety-four
44 of the executive law, or from the office of court administration. In
45 such application, the reporting individual shall state the following:
46 "My client is not currently receiving my services or seeking my services
47 in connection with:
48 (i) A proposed bill or resolution in the senate or assembly during the
49 reporting period;
50 (ii) A contract in an amount totaling \$10,000 or more from the state
51 or any state agency for services, materials, or property;
52 (iii) A grant of \$10,000 or more from the state or any state agency
53 during the reporting period;
54 (iv) A grant obtained through a legislative initiative during the
55 reporting period; or

(v) A case, proceeding, application or other matter that is not a ministerial matter before a state agency during the reporting period."

In reviewing the request for an exemption, the ~~[joint]~~ independent commission on ethics and lobbying in government or the office of court administration may consult with bar or other professional associations and the legislative ethics commission for individuals subject to its jurisdiction and may consider the rules of professional conduct. In making its determination, the ~~[joint]~~ independent commission on ethics and lobbying in government or the office of court administration shall conduct its own inquiry and shall consider factors including, but not limited to: (i) the nature and the size of the client; (ii) whether the client has any business before the state; and if so, how significant the business is; and whether the client has any particularized interest in pending legislation and if so how significant the interest is; (iii) whether disclosure may reveal trade secrets; (iv) whether disclosure could reasonably result in retaliation against the client; (v) whether disclosure may cause undue harm to the client; (vi) whether disclosure may result in undue harm to the attorney-client relationship; and (vii) whether disclosure may result in an unnecessary invasion of privacy to the client.

The ~~[joint]~~ independent commission on ethics and lobbying in government or, as the case may be, the office of court administration shall promptly make a final determination in response to such request, which shall include an explanation for its determination. The office of court administration shall issue its final determination within three days of receiving the request. Notwithstanding any other provision of law or any professional disciplinary rule to the contrary, the disclosure of the identity of any client or customer in response to this question shall not constitute professional misconduct or a ground for disciplinary action of any kind, or form the basis for any civil or criminal cause of action or proceeding. A reporting individual who first enters public office after December thirty-first, two thousand fifteen, need not report clients or customers with respect to matters for which the reporting individual or his or her firm was retained prior to entering public office.

A reporting individual who knowingly and wilfully fails to file an annual statement of financial disclosure or who knowingly and wilfully with intent to deceive makes a false statement or gives information which such individual knows to be false on such statement of financial disclosure filed pursuant to this section shall be subject to a civil penalty in an amount not to exceed forty thousand dollars. Assessment of a civil penalty hereunder shall be made by the ~~[joint]~~ independent commission on ~~[public]~~ ethics and lobbying in government or by the legislative ethics commission, as the case may be, with respect to

1 persons subject to their respective jurisdictions. The [~~joint~~] inde-
