19 lost a major source of income due to lost work. The moneys shall be paid
20 out of the fund on the audit and warrant of the state comptroller on
21 vouchers certified or approved by such commissioner or his or her duly
22 designated officer. Any balance in such fund shall not lapse at any time
23 but shall remain continuously available for such purposes.

24 5. Moneys of the fund shall not be used in whole or in part for any
25 purpose or in any manner which would (a) permit its substitution for, or
26 a corresponding reduction in, federal funds that would be available in
27 its absence to finance expenditures for the administration of this arti-
28 cle; or (b) cause the appropriate agency of the United States government
29 to withhold any part of an administrative grant which would otherwise be
30 made.

31 § 4. The sum of eight hundred million dollars (\$800,000,000) is hereby
32 appropriated from any moneys in the state treasury in the general fund
33 to the credit of the state purposes account for the excluded worker
34 unemployment program fund in carrying out the provisions of this act.
35 Such sum shall be payable on the audit and warrant of the state comp-
36 troller on vouchers certified or approved in the manner provided by law.

38 of approval of availability shall have been issued by the director of
39 the budget and filed with the state comptroller and a copy filed with
40 the chairman of the senate finance committee and the chairman of the
41 assembly ways and means committee. Such certificate may be amended from
42 time to time by the director of the budget and a copy of each such
43 amendment shall be filed with the state comptroller, the chairman of the
44 senate finance committee and the chairman of the assembly ways and means
45 committee.

46 § 5. Severability Clause. If any clause, sentence, paragraph, subdivi-
47 sion, section, or part of this act shall be adjudged by any court of
48 competent jurisdiction to be invalid, such judgment shall not affect,
49 impair or invalidate the remainder thereof, but shall be confined in its
50 operation to the clause, sentence, paragraph, subdivision, section, or
51 part thereof directly involved in the controversy in which such judgment
52 shall have been rendered. It is hereby declared to be the intent of the
53 legislature that this act would have been enacted even if such invalid
54 provisions had not been included herein.

55 § 6. This act shall take effect immediately.
