5 § 112. Separability of congressional districts. Each congressional
6 district created by this article shall be deemed a separate district for
7 the purpose of apportionment of the entire state into congressional
8 districts. If one or more congressional districts created by this arti-
9 cle are judicially found not to be in compliance with the decisions and
10 mandates of a court of competent jurisdiction, only the defective
11 district or districts and those immediately adjacent or contiguous ther-
12 eto shall be reapportioned. All other districts shall be deemed to to be
13 properly created.

14 § 2. Construction. a. This act shall be liberally construed to effec-
15 tuate the purposes thereof and to apportion and district this state in
16 compliance with constitutional and statutory requirements.

17 b. It is intended that this act and the congressional districts
18 described herein completely encompass all the area of the state. It is
19 also intended that such districts apportioned on the basis of 2020 popu-
20 lation, contain the whole number of persons in this state. It is
21 further intended that the apportionment and districting provided for in
22 this act result in the creation of districts containing equal population
23 as nearly as practicable. It is also intended that no district shall
24 include any of the area included within the description of any other
25 district.

26 § 3. Saving clause. a. If the districts described in the act do not
27 carry out the purposes thereof, because of unintentional omissions;
28 duplications; overlapping areas; erroneous nomenclature; lack of
29 adequate maps or descriptions of political subdivisions, wards, or other
30 divisions thereof, or of their boundary lines; street closings, changes
31 in names of streets, or other changes of public places; alteration of
32 the boundary or courses of waters or waterways, filling in of lands
33 underwater, accretion or other changes in shorelines or alteration of
34 courses, rights of way, or lines of public utilities or other condi-
35 tions, then the state board of elections, at the request of any person
36 or candidate, aggrieved thereby, shall, by order, correct such omis-
37 sions, overlappings, erroneous nomenclature, or other defects in the
38 description of districts so as to accomplish the purposes and objectives
39 of this act.

40 b. In promulgating such orders, the state board of elections, in addi-
41 tion to achieving equality in the population of districts and ensuring
42 that all areas of the state are completely and accurately encompassed in
43 such districts, shall be guided by the following standards:

44 (1) Gaps in the description of any district shall be completed in a
45 manner which results in a total description of that district consonant
46 with the description of adjacent districts and in complete contiguity of
47 districts.

48 (2) Areas of the state included within the descriptions of more than
49 one district shall be allocated to the district having the lowest popu-
50 lation.

51 (3) Areas of the state not included within the descriptions of any
52 district shall be allocated to the adjacent district having the lowest
53 population.

54 (4) In the event that the area subject to corrected description or
55 allocation as provided in paragraph one, two or three of this subdivi-
56 sion is of such size or contains such population that its inclusion as a

1 unit in any district would result in substantial disparity in the size,
2 shape or population of such district, then the state board of elections
3 may allocate portions of such area to two or more districts.

4 (5) In any allocation of area or correction of descriptions made
5 pursuant to this section, the state board of elections shall, consistent
6 with the foregoing standards, preserve the contiguity and compactness of
7 districts and avoid the unnecessary division of political subdivisions.

8 c. Copies of such orders shall be filed by the state board of
9 elections in its own office and in the office of the affected boards of
10 election. A copy of each such order shall also be filed by the state
11 board with the legislative bill drafting commission to facilitate it in
12 performing its functions under section 70-b of the public officers law.
13 In addition, a copy of such order shall be served upon the person or
14 candidate, if any, who instituted the application for such an order. The
15 state board of elections may adopt reasonable rules regulating the
16 procedure for applications for orders under this section in the manner
17 of serving and filing any notice or copy of orders relating thereto.

18 d. Upon the filing of such an order, the description of any affected
19 district shall be deemed to have been corrected in the manner provided
20 in such order to the full extent as if such correction had been
21 contained in the original description set forth in this act.

22 e. In furtherance of effectuating the provisions of subdivision d of
23 this section, the legislative bill drafting commission, upon receipt
24 from the state board of elections of an order promulgated pursuant to
25 subdivision b of this section, and upon the approval of the temporary
26 president of the senate and the speaker of the assembly, shall cause the
27 description of a congressional district altered pursuant to any such
28 order to be revised accordingly within its data base of the laws of the
29 state of New York so that such altered district may be contained in a
30 publication of the state law and be certified to as a correct transcript
31 of the text of law relating thereto such district in the manner author-
32 ized by section 70-b of the public officers law.

33 f. If any part or provision of this act relating to any congressional
34 district shall be adjudged invalid by a court of competent jurisdiction,
35 such judgment shall: (1) be confined in its operation to the part or
36 provision of this act or the district or districts described herein
37 directly involved in the controversy in which such judgment shall have
38 been rendered, and (2) not affect or impair the validity of the remain-
39 ing parts, provisions or districts described in this act or elsewhere.

40 g. The congressional districts of this state, as existing immediately
41 prior to the effective date of this act, shall continue to be the
42 congressional districts of the state for the purpose of filling vacan-
43 cies in the office of representative in congress at any special election
44 held prior to the general election of the year 2022.

45 h. The congressional districts of this state, from and after the
46 effective date of this act, shall be the congressional districts of the
47 state for the purpose of designating and nominating candidates for
48 representatives in congress, and for electing district delegates and
49 alternate district delegates to national party conventions.

50 i. In order to provide for an orderly election of members of the
51 congress from the state of New York and in recognition of the constitu-
52 tional mandate that congressional districts shall be created by law
53 subject to judicial review under such reasonable regulations as the
54 legislature may prescribe, it is hereby determined and declared that no
55 order of the court invalidating this act or part thereof shall be
56 entered in a manner which will deprive the legislature of an opportunity

1 to discharge its constitutional mandate. In any proceeding for judicial
2 review of the provisions of this act, the determination of the court
3 shall be embodied in a tentative order which shall become final 30 days
4 after service of copies thereof upon the parties unless the court shall,
5 in the interval, on application of any party, resettle its order.

6 j. If any clause, sentence, paragraph, section or part of this act
7 shall be adjudged by any court of competent jurisdiction to be invalid,
8 such judgment shall not affect, impair or invalidate the remainder ther-
9 eof, but shall be confined in its operation to the clause, sentence,
10 paragraph, section or part thereof directly involved in the controversy
11 in which such judgment shall have been rendered.

12 § 4. Separability. If any clause, sentence, paragraph, section or
13 part of this act shall be adjudged by any court of competent jurisdic-
14 tion to be invalid, such judgment shall not affect, impair or invalidate
15 the remainder thereof, but shall be confined in its operation to the
16 clause, sentence, paragraph, section or part thereof directly involved
17 in the controversy in which such judgment shall have been rendered.

18 § 5. This act shall take effect immediately.
