24 § 125. Separability of senate districts. Each senate district created
25 by this title shall be deemed a separate district for the purpose of
26 apportionment of the entire state into senate districts. If one or more
27 senate districts created by this title are judicially found to be inval-
28 id or unenforceable for any reason, including but not limited to non-
29 compliance with decisions and mandates of a court of competent jurisdic-
30 tion, only the defective district or districts and those immediately
31 adjacent or contiguous thereto shall be reapportioned. All other
32 districts shall be deemed to be properly created.

33 TITLE III

34 MISCELLANEOUS

35 Section 126. Application.

36 127. Construction.

37 128. Saving clause.

38 § 126. Application. For the purpose of filling vacancies occurring
39 other than by the expiration of term in the offices of members of the
40 senate and assembly elected at a general election in two thousand twen-
41 ty, or at a special election held to fill a vacancy in the office of a
42 member elected at said general election, the senate and assembly
43 districts of this state, as existing immediately before the effective
44 date of this article, shall continue to be respectively, the senate
45 districts and assembly districts of the state.

46 § 127. Construction. a. This article shall be liberally construed to
47 effectuate the purposes thereof and to apportion and district this state
48 in compliance with the requirements of law.

49 b. It is intended that this article and the districts described there-
50 in completely encompass all the area within the state. It is further
51 intended that the apportionment and districting provided for in this
52 article result in the creation of districts which are substantially
53 equal in population and contain all inhabitants in this state, based on
54 the Federal Census of two thousand twenty, as adjusted pursuant to the
55 provisions of part XX of chapter fifty-seven of the laws of two thousand

1 ten, as amended. It is also intended that no district shall include any
2 of the area included within the description of any other district.

3 c. The apportionment of assembly districts and senate districts shall
4 be deemed to be separate from each other. The invalidity of the
5 districts contained in one title of this article shall not affect or
6 require the redistricting provided by the other title of this article
7 when the provisions of such other title have been found to be valid by a
8 court of competent jurisdiction.

9 § 128. Saving clause. a. If the districts described in this article do
10 not carry out the purposes thereof, because of unintentional omission;
11 duplications; overlapping areas; erroneous nomenclature; lack of
12 adequate maps or descriptions of political subdivisions, wards, or other
13 divisions thereof, or of their boundary line; street closings, changes
14 in names of streets, or other changes of public places; alteration of
15 the boundary or courses of waters or waterways, filling in or lands
16 under water, accretion or other changes in shorelines; or alteration of
17 courses, rights of way, or lines of public utilities or other condi-
18 tions, then the state board of elections, at the request of any person
19 aggrieved thereby, or any candidate affected thereby shall, by order,
20 correct such omissions, overlaps, erroneous nomenclature, or other
21 defects in the description of districts so as to accomplish the purposes
22 and objectives of this article.

23 b. In promulgating such orders, the state board of elections, in addi-
24 tion to achieving equality in the population of districts and insuring
25 that all areas of the state are completely and accurately encompassed in
26 such districts, shall be guided by the following standards:

27 (1) Gaps in the description of any district shall be completed in a
28 manner which results in a total description of that district consonant
29 with the description of adjacent districts and in complete contiguity of
30 districts.

31 (2) Areas of the state included within the descriptions of more than
32 one district shall be allocated to the district having the lowest popu-
33 lation.

34 (3) Areas of the state not included within the descriptions of any
35 district shall be allocated to the adjacent district having the lowest
36 population.

37 (4) In the event that the area subject to corrected description or
38 allocation as provided in paragraph one, two or three of this subdivi-
39 sion is of such size or contains such population that its inclusion as a
40 unit in any district would result in substantial disparity in the size,
41 shape or population of such district, then the state board of elections
42 may allocate portions of such area to two or more districts.

43 (5) In any allocation of area or correction of descriptions made
44 pursuant to this section, the state board of elections shall, consistent
45 with the foregoing standards, preserve the contiguity and compactness of
46 districts and avoid the unnecessary division of political subdivisions.

47 c. Copies of such orders shall be filed by the state board of
48 elections in its own office and in the office of the affected boards of
49 election. A copy of each such order shall also be filed by the state
50 board with the legislative bill drafting commission to facilitate it in
51 performing its functions under section seventy-b of the public officers
52 law. In addition, a copy of such order shall be served upon the person
53 or candidate, if any, who instituted the application for such an order.
54 The state board of elections may adopt reasonable rules regulating the
55 procedure for applications for orders under this section in the manner
56 of serving and filing any notice or copy of orders relating thereto.

1 d. Upon the filing of such an order, the description of any affected
2 district shall be deemed to have been corrected in the manner provided
3 in such order to the full extent as if such correction had been
4 contained in the original description set forth in this article.

5 e. In furtherance of effectuating the provisions of subdivision d of
6 this section, the legislative bill drafting commission, upon receipt
7 from the state board of elections of an order promulgated pursuant to
8 subdivision b of this section, and upon the approval of the temporary
9 president of the senate and the speaker of the assembly, shall cause the
10 description of a senate district or assembly district altered pursuant
11 to any such order to be revised accordingly within its data base of the
12 laws of the state of New York so that such altered district may be
13 contained in a publication of the state law and be certified to as a
14 correct transcript of the text of law relating thereto such district in
15 the manner authorized by section seventy-b of the public officers law.

16 § 2. In order to provide for an orderly election of members of the
17 legislature and in recognition of the constitutional mandate that legis-
18 lative districts shall be created by law subject to judicial review
19 under such reasonable regulations as the legislature may prescribe, it
20 is hereby determined and declared that no order of the court invalidat-
21 ing this act or part thereof shall be entered in a manner which will
22 deprive the legislature of an opportunity to discharge its constitu-
23 tional mandate. In any proceeding for judicial review of the provisions
24 of this act, the determination of the court shall be embodied in a
25 tentative order which shall become final thirty days after service of
26 copies thereof upon the parties unless the court shall, in the interval,
27 on application of any party, resettle its order.

28 § 3. If any clause, sentence, paragraph, section or part of this act
29 shall be adjudged by any court of competent jurisdiction to be invalid,
30 such judgment shall not affect, impair or invalidate the remainder ther-
31 eof, but shall be confined in its operation to the clause, sentence,
32 paragraph, section or part thereof directly involved in the controversy
33 in which such judgment shall have been rendered.

34 § 4. Section 126 of the state law is REPEALED and a new section 126
35 is added to read as follows:

36 § 126. Application. For the purpose of filling vacancies occurring
37 other than by the expiration of term in the offices of members of the
38 senate and assembly elected at a general election in two thousand twen-
39 ty-two, the senate and assembly districts of this state, as described
40 and set out in a chapter of the laws of two thousand twenty-two, amend-
41 ing the state law relating to establishing assembly and senate
42 districts, shall continue to be respectively, the senate districts and
43 the assembly districts of the state.

44 § 5. This act shall take effect immediately, provided that the
45 provisions of section four of this act shall take effect January 1,
46 2023.
