11 is unsafe for such patient to operate a motor vehicle.

12 § 2023. Reporting by motorist. When the commissioner or the commis-  
13 sioner of motor vehicles becomes aware, upon information received or as  
14 a result of an investigation conducted, that a licensed driver or appli-

39 new subdivision 12 to read as follows:

40 12. a. Where the commissioner has received an impairing ailment report  
41 pursuant to article twenty-B of the public health law, if the report  
42 shows that the impairing ailment is a chronic impairment to driving, the  
43 commissioner may suspend the license of the person afflicted with the  
44 impairing ailment.

45 b. Any person sixteen years of age or older who suffers or who has  
46 suffered from recurrent convulsive seizures, recurrent periods of

4 formal hearing, in writing, from the commission within twenty-five days  
5 of the decision. The request must include all disputed material facts  
6 that the applicant/licensee or his or her attorney plans to raise at the  
7 hearing. However, if the suspension or revocation of the license is a  
8 result of a deadly accident, then the licensee has only ten days to  
9 request a hearing and licensee has fifteen days in which to file an  
10 exception to an adverse decision with the commission. The commission's  
11 decision is final, and may be appealed to the supreme court appellate
