disregards, deductions, and exclusions under federal and state law into account for persons eliqible pursuant to this section. The commissioner shall seek federal approval to implement such exemption. Moreover, if the director of the budget approves, payment of premiums for enrolling persons who have been determined to be eligible for medical assistance only may be made and the cost thereof borne or shared pursuant to this subdivision.

- (a-1) Pursuant to section 1902(r)(2) of the federal social security act, for qualified medicare beneficiaries all countable income over one hundred percent of the federal poverty level and up to one hundred twenty percent of the federal poverty level shall be disregarded, after taking all other disregards, deductions, and exclusions under federal and state law into account, for persons eliqible pursuant to this section. The commissioner shall seek federal approval to implement the provisions of this paragraph.
- (d) (1) (i) Beginning April first, two thousand two and to the extent that federal financial participation is available at a one hundred percent federal Medical assistance percentage and subject to sections 1933 and 1902(a)(10)(E)(iv) of the federal social security act, medical assistance shall be available for full payment of medicare part B premiums for individuals (referred to as qualified individuals 1) who are entitled to hospital insurance benefits under part A of title XVIII of the federal social security act and whose income exceeds the income level established by the state and is at least one hundred twenty percent, but less than one hundred thirty-five percent, of the federal poverty level, for a family of the size involved and who are not otherwise eliqible for medical assistance under the state plan;
- (ii) Pursuant to section 1902(r)(2) of the federal social security act, for qualifying individuals 1 under clause (i) of this subparagraph, all countable income over one hundred thirty-eight percent of the federal poverty level and up to one hundred fifty-six percent of the federal poverty level shall be disregarded, after taking all other disregards, deductions, and exclusions under federal and state law into account for persons eligible pursuant to this section. The commissioner shall seek federal approval to implement the provisions of this clause.
- (2) Premium payments for the individuals described in subparagraph one of this paragraph will be one hundred percent federally funded up to the amount of the federal allotment. The department shall discontinue enrollment into the program when the part B premium payments made pursuant to subparagraph one of this paragraph meet the yearly federal allotment.
- (3) The commissioner of health shall develop a simplified application form, consistent with federal law, for payments pursuant to this section. The commissioner of health, in cooperation with the office for the aging, shall publicize the availability of such payments to medicare beneficiaries.
- This act shall take effect on the thirtieth day after it shall 48 have become a law. Effective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized to be made and completed 50 on or before such effective date.
