(i) the claim or defense was commenced, used or continued in bad faith, solely to delay or prolong the resolution of the action or to harass or maliciously injure another; or

- (ii) the claim or defense was commenced or continued in bad faith without any reasonable basis in law or fact. If the claim or defense was promptly discontinued when the party learned or should have learned that the claim or defense lacked such reasonable basis, the hearing officer may find that the party did not act in bad faith. A person served with charges may then, however, elect in writing to proceed with a hearing pursuant to the procedures established in subdivision two of this section in lieu of the procedures set forth in this subdivision.
- (b) The rights set forth in paragraph (a) of this subdivision shall be in addition to, and shall not supplant, modify or replace any rights provided to an employee pursuant to agreements negotiated by a public employer and an employee organization pursuant to article fourteen of this chapter, or pursuant to any other provision of law, including but not limited to other provisions of this section.
- § 3. Subdivision 4 of section 201 of the civil service law, as amended by chapter 606 of the laws of 1992, is amended to read as follows:
  - 4. The term "terms and conditions of employment" means:
- (a) salaries, wages, hours and other terms and conditions of employment provided, however, that such term shall not include any benefits provided by or to be provided by a public retirement system, or payments to a fund or insurer to provide an income for retirees, or payment to retirees or their beneficiaries. No such retirement benefits shall be negotiated pursuant to this article, and any benefits so negotiated shall be void.
- (b) in addition, the terms and conditions of employment for firefighters shall include discipline and disciplinary procedures including alternatives to any statutory disciplinary system, provided, however, that any right of firefighters under the terms of any state law to elect coverage under either a statutory disciplinary system or a disciplinary system established by collective negotiations shall not be impaired, unless any such state law authorizes exclusivity of a negotiated disciplinary system and provided further that no provision contained in the town law, general city law, second class cities law, general municipal law, municipal home rule law, county law, or other state, local, special law or charter provision, or any special police act or other special act created by local law or charter or otherwise created, or this chapter shall prevent or impair the right to collective bargaining for or modification of disciplinary procedures.
- § 4. Section 204-a of the civil service law is amended by adding a new subdivision 4 to read as follows:
- 4. The terms of any current or expired agreement or interest arbitration award between any public employer and any public employee organization representing firefighters relating to the discipline of any firefighters shall be deemed valid and enforceable from the effective date of this subdivision.
- § 5. This act shall take effect on the first of March next succeeding the date on which it shall have become a law and shall apply to proceedings commenced on or after such effective date. Effective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of the provisions of this act on its effective date are authorized to be made and completed on or before such effective date.
