6 department, or other government entity that provides emergency medical
7 services, any ambulance service that exclusively provides emergency
8 medical care by aircraft, or any provider required to pay an assessment
9 on ambulance service revenue under article twenty-eight of this chapter.

10 2. The uniform assessment fee shall be assessed on each ambulance
11 service covered under this section at a rate of at least five and three-

13 provided however that it shall be no greater than the maximum limit
14 allowable under 42 C.F.R. 433.68(f). The department shall set and

23 tered by the department. Such fund shall include:

24 (a) all revenues generated by the fee;

25 (b) all funds generated by increased federal financial participation
