MEMORIALIZING Governor Andrew M. Cuomo to proclaim February 2021, as Heart Disease Awareness Month in the State of New York

WHEREAS, It is the custom of this Legislative Body to recognize official months that are set aside to increase awareness of serious diseases that affect the lives of citizens of New York State; and

WHEREAS, Attendant to such concern, and in full accord with its long-standing traditions, this Legislative Body to memorialize Governor Andrew M. Cuomo to proclaim February 2021, as Heart Disease Awareness Month in the State of New York, in conjunction with the observance of National Heart Disease Awareness Month; and

WHEREAS, American Heart Month, held each February, is the month for lovers and all things heart related which reminds New Yorkers to take care of their heart; and

WHEREAS, This annual celebration began in 1963 to encourage Americans to join the battle against heart disease; and

WHEREAS, A presidential proclamation pays tribute each year to researchers, physicians, public health professionals and volunteers for their tireless efforts in preventing, treating and researching heart disease; and

WHEREAS, Cardiovascular disease, including heart disease and stroke, remains the leading global cause of death for men and women in the United States with more than 17.9 million deaths each year; one in four of these deaths are caused by heart disease; and

WHEREAS, Heart disease is the number one killer of women, claiming more lives each year than all forms of cancer combined; and

WHEREAS, Nearly 80 percent of cardiac events can be prevented with education and lifestyle changes such as by making healthy choices and managing their health conditions; and

WHEREAS, About one in three adults in the United States has high blood cholesterol, a major risk factor for heart disease and stroke; and

WHEREAS, Hospitals and health systems around the country celebrate American Heart Month by helping to raise awareness in their communities about heart disease; staff wear red and volunteers knit or crochet pint-sized red hats for newborns; in addition, they hold free screenings and heart health awareness events; and

WHEREAS, It is imperative that there be greater awareness of this serious health disease, and more must be done to increase activity at the local, State and National levels; now, therefore, be it
