JOHN R. LEWIS VOTING RIGHTS ACT OF NEW YORK

Section 17-200. Legislative purpose and statement of public policy.

17-204. Definitions.

17-206. Prohibitions on voter disfranchisement.

17-208. Assistance for language-minority groups.

17-212. Prohibition against voter intimidation, deception or obstruction.

17-214. Authority to issue subpoenas.

17-216. Expedited judicial proceedings and preliminary relief.

17-218. Attorneys’ fees.

17-220. Applicability.

17-222. Severability.

§ 17-200. Legislative purpose and statement of public policy. In recognition of the protections for the right to vote provided by the constitution of the state of New York, which substantially exceed the protections for the right to vote provided by the constitution of the United States, and in conjunction with the constitutional guarantees of equal protection, freedom of expression, and freedom of association under the law and against the denial or abridgement of the voting rights of members of a race, color, or language-minority group, it is the public policy of the state of New York to:

1. Encourage participation in the elective franchise by all eligible voters to the maximum extent; and

2. Ensure that eligible voters who are members of racial, color, and language-minority groups shall have an equal opportunity to participate in the political processes of the state of New York, and especially to exercise the elective franchise.

§ 17-202. Interpretation of laws related to the elective franchise. In further recognition of the protections for the right to vote provided by the constitution of the state of New York, all statutes, rules and regulations, and local laws or ordinances related to the elective franchise shall be construed liberally in favor of (a) protecting the right of voters to have their ballot cast and counted; (b) ensuring that eligible voters are not impaired in registering to vote, and (c) ensuring voters of race, color, and language-minority groups have equitable access to fully participate in the electoral process in registering to vote and voting. The authority to prescribe or maintain voting or elections policies and practices cannot be so exercised as to unnecessarily deny or abridge the right to vote. Policies and practices that
burden the right to vote must be narrowly tailored to promote a compelling policy justification that must be supported by substantial evidence.

§ 17-204. Definitions. For the purposes of this title:
1. "At-large" method of election means a method of electing members to the governing body of a political subdivision: (a) in which all of the voters of the entire political subdivision elect each of the members to the governing body; (b) in which the candidates are required to reside within given areas of the political subdivision and all of the voters of the entire political subdivision elect each of the members to the governing body; or (c) that combines at-large elections with district-based elections, unless the only member of the governing body of a political subdivision elected at-large holds exclusively executive responsibilities. For the purposes of this title, at-large method of election does not include ranked-choice voting, cumulative voting, and limited voting.
2. "District-based" method of election means a method of electing members to the governing body of a political subdivision using a districting or redistricting plan in which each member of the governing body resides within a district or ward that is a divisible part of the political subdivision and is elected only by voters residing within that district or ward, except for a member of the governing body that holds exclusively executive responsibilities.
3. "Alternative" method of election means a method of electing members to the governing body of a political subdivision using a method other than at-large or district-based, including, but not limited to, ranked-choice voting, cumulative voting, and limited voting.
4. "Political subdivision" means a geographic area of representation created for the provision of government services, including, but not limited to, a county, city, town, village, school district, or any other district organized pursuant to state or local law.
5. "Protected class" means a class of eligible voters who are members of a race, color, or language-minority group.
5-a. "Language minorities" or "language-minority group" means persons who are American Indian, Asian American, Alaskan Natives or of Spanish heritage.
6. "Racially polarized voting" means voting in which there is a divergence in the candidate, political preferences, or electoral choice of members in a protected class from the candidates, or electoral choice of the rest of the electorate.
8. The "civil rights bureau" means the civil rights bureau of the office of the attorney general.
9. "Government enforcement action" means a denial of administrative or judicial preclearance by the state or federal government, pending litigation filed by a federal or state entity, a final judgment or adjudication, a consent decree, or similar formal action.
10. "Deceptive or fraudulent device, contrivance, or communication" means one that contains false information pertaining to: (a) the time, place, and manner of any election; (b) the qualifications or restrictions on voter eligibility for such election; or (c) a statement of endorsement by any specifically named person, political party, or organization.

§ 17-206. Prohibitions on voter disenfranchisement. 1. Prohibition against voter suppression. (a) No voting qualification, prerequisite to
voting, law, ordinance, standard, practice, procedure, regulation, or policy shall be enacted or implemented by any board of elections or political subdivision in a manner that results in a denial or abridgment of the right of members of a protected class to vote.

(b) A violation of paragraph (a) of this subdivision shall be established upon a showing that, based on the totality of the circumstances, members of a protected class have less opportunity than the rest of the electorate to elect candidates of their choice or influence the outcome of elections.

2. Prohibition against vote dilution. (a) No board of elections or political subdivision shall use any method of election, having the effect of impairing the ability of members of a protected class to elect candidates of their choice or influence the outcome of elections, as a result of vote dilution.

(b) A violation of paragraph (a) of this subdivision shall be established upon a showing that a political subdivision:

(i) used an at-large method of election and either: (A) voting patterns of members of the protected class within the political subdivision are racially polarized; or (B) under the totality of the circumstances, the ability of members of the protected class to elect candidates of their choice or influence the outcome of elections is impaired; or

(ii) used a district-based or alternative method of election and that candidates or electoral choices preferred by members of the protected class would usually be defeated, and either: (A) voting patterns of members of the protected class within the political subdivision are racially polarized; or (B) under the totality of the circumstances, the ability of members of the protected class to elect candidates of their choice or influence the outcome of elections is impaired; or

(c) For the purposes of demonstrating that a violation of paragraph (a) of this subdivision has occurred, evidence shall be weighed and considered as follows: (i) elections conducted prior to the filing of an action pursuant to this subdivision are more probative than elections conducted after the filing of the action; (ii) evidence concerning elections for members of the governing body of the political subdivision are more probative than evidence concerning other elections; (iii) statistical evidence is more probative than non-statistical evidence; (iv) where there is evidence that more than one protected class of eligible voters are politically cohesive in the political subdivision, members of each of those protected classes may be combined; (v) evidence concerning the intent on the part of the voters, elected officials, or the political subdivision to discriminate against a protected class is not required; (vi) evidence that voting patterns and election outcomes could be explained by factors other than racially polarized voting, including but not limited to partisanship, shall not be considered; (vii) evidence that sub-groups within a protected class have different voting patterns shall not be considered; (viii) evidence concerning whether members of a protected class are geographically compact or concentrated shall not be considered, but may be a factor in determining an appropriate remedy; and (ix) evidence concerning projected changes in population or demographics shall not be considered, but may be a factor, in determining an appropriate remedy.

3. In determining whether, under the totality of the circumstances, a violation of subdivision one or two of this section has occurred, factors that may be considered shall include, but not be limited to: (a) the history of discrimination in or affecting the political subdivision;
(b) the extent to which members of the protected class have been elected
to office in the political subdivision; (c) the use of any voting quali-
ification, prerequisite to voting, law, ordinance, standard, practice,
procedure, regulation, or policy that may enhance the dilutive effects
of the election scheme; (d) denying eligible voters or candidates who
are members of the protected class to processes determining which groups
of candidates receive access to the ballot, financial support, or other
support in a given election; (e) the extent to which members of the
protected class contribute to political campaigns at lower rates; (f)
the extent to which members of a protected class in the state or poli-
tical subdivision vote at lower rates than other members of the elector-
ate; (g) the extent to which members of the protected class are disad-
vantaged in areas including but not limited to education, employment,
health, criminal justice, housing, land use, or environmental
protection; (h) the extent to which members of the protected class are
disadvantaged in other areas which may hinder their ability to partic-
ipate effectively in the political process; (i) the use of overt or
subtle racial appeals in political campaigns; (j) a significant lack of
responsiveness on the part of elected officials to the particularized
needs of members of the protected class; and (k) whether the political
subdivision has a compelling policy justification that is substantiated
and supported by evidence for adopting or maintaining the method of
election or the voting qualification, prerequisite to voting, law, ordi-
nance, standard, practice, procedure, regulation, or policy. Nothing in
this subdivision shall preclude any additional factors from being
considered, nor shall any specified number of factors be required in
establishing that such a violation has occurred.

4. Standing. Any aggrieved person, organization whose membership
includes aggrieved persons or members of a protected class, organization
whose mission, in whole or in part, is to ensure voting access and such
mission would be hindered by a violation of this section, or the attor-
ney general may file an action against a political subdivision pursuant
to this section in the supreme court of the county in which the poli-
tical subdivision is located.

5. Remedies. (a) Upon a finding of a violation of any provision of
this section, the court shall implement appropriate remedies to ensure
that voters of race, color, and language-minority groups have equitable
access to fully participate in the electoral process, which may include,
but shall not be limited to:

(i) a district-based method of election;
(ii) an alternative method of election;
(iii) new or revised districting or redistricting plans;
(iv) elimination of staggered elections so that all members of the
governing body are elected on the same date;
(v) reasonably increasing the size of the governing body;
(vi) moving the dates of regular elections to be concurrent with the
primary or general election dates for state, county, or city office as
established in section eight of article three or section eight of arti-
cle thirteen of the constitution, unless the budget in such political
subdivision is subject to direct voter approval pursuant to part two of
article five or article forty-one of the education law;
(vii) transferring authority for conducting the political subdivi-
sion’s elections to the board of elections for the county in which the
political subdivision is located;
(viii) additional voting hours or days;
(ix) additional polling locations;
(x) additional means of voting such as voting by mail;
(xi) ordering of special elections;
(xii) requiring expanded opportunities for voter registration;
(xiii) requiring additional voter education;
(xiv) modifying the election calendar;
(xv) the restoration or addition of persons to registration lists; or
(xvi) retaining jurisdiction for such period of time on a given matter as the court may deem appropriate, during which no redistricting plan shall be enforced unless and until the court finds that such plan does not have the purpose of diluting the right to vote on the basis of protected class membership, or in contravention of the voting guarantees set forth in this title, except that the court’s finding shall not bar a subsequent action to enjoin enforcement of such redistricting plan.

(b) The court shall consider proposed remedies by any parties and interested non-parties, but shall not provide deference or priority to a proposed remedy offered by the political subdivision. The court shall have the power to require a political subdivision to implement remedies that are inconsistent with any other provision of law where such inconsistent provision of law would preclude the court from ordering an otherwise appropriate remedy in such matter.

6. Procedures for implementing new or revised districting or redistricting plans. The governing body of a political subdivision with the authority under this title and all applicable state and local laws to enact and implement a new method of election that would replace the political subdivision’s at-large method of election with a district-based or alternative method of election, or enact and implement a new districting or redistricting plan, shall undertake each of the steps enumerated in this subdivision, if proposed subsequent to receipt of a NVRA notification letter, as defined in subdivision seven of this section, or the filing of a claim pursuant to this title or the federal voting rights act.

(a) Before drawing a draft districting or redistricting plan or plans of the proposed boundaries of the districts, the political subdivision shall hold at least two public hearings over a period of no more than thirty days, at which the public is invited to provide input regarding the composition of the districts. Before these hearings, the political subdivision may conduct outreach to the public, including to non-English-speaking communities, to explain the districting or redistricting process and to encourage public participation.

(b) After all draft districting or redistricting plans are drawn, the political subdivision shall publish and make available for release at least one draft districting or redistricting plan and, if members of the governing body of the political subdivision would be elected in their districts at different times to provide for staggered terms of office, the potential sequence of such elections. The political subdivision shall also hold at least two additional hearings over a period of no more than forty-five days, at which the public shall be invited to provide input regarding the content of the draft districting or redistricting plan or plans and the proposed sequence of elections, if applicable. The draft districting or redistricting plan or plans shall be published at least seven days before consideration at a hearing. If the draft districting or redistricting plan or plans are revised at or following a hearing, the revised versions shall be published and made available to the public for at least seven days before being adopted.

(c) In determining the final sequence of the district elections conducted in a political subdivision in which members of the governing
body will be elected at different times to provide for staggered terms of office, the governing body shall give special consideration to the purposes of this title, and it shall take into account the preferences expressed by members of the districts.

7. Notification requirement and safe harbor for judicial actions. Before commencing a judicial action against a political subdivision under this section, a prospective plaintiff shall send by certified mail a written notice to the clerk of the political subdivision, or, if the political subdivision does not have a clerk, the governing body of the political subdivision, against which the action would be brought, asserting that the political subdivision may be in violation of this title. This written notice shall be referred to as a "NYVRA notification letter" in this title. For actions against a school district or any other political subdivision that holds elections governed by the education law, the prospective plaintiff shall also send by certified mail a copy of the NYVRA notification letter to the commissioner of education.

(a) A prospective plaintiff shall not commence a judicial action against a political subdivision under this section within fifty days of sending to the political subdivision a NYVRA notification letter.

(b) Before receiving a NYVRA notification letter, or within fifty days of mailing of a NYVRA notification letter, the governing body of a political subdivision may pass a resolution affirming: (i) the political subdivision's intention to enact and implement a remedy for a potential violation of this title; (ii) specific steps the political subdivision will undertake to facilitate approval and implementation of such a remedy; and (iii) a schedule for enacting and implementing such a remedy. Such a resolution shall be referred to as a "NYVRA resolution" in this title. If a political subdivision passes a NYVRA resolution, such political subdivision shall have ninety days after such passage to enact and implement such remedy, during which a prospective plaintiff shall not commence an action to enforce this section against the political subdivision. For actions against a school district, the commissioner of education may order the enactment of a NYVRA resolution pursuant to the commissioner's authority under section three hundred five of the education law.

(c) If the governing body of a political subdivision lacks the authority under this title or applicable state law or local laws to enact or implement a remedy identified in a NYVRA resolution, or fails to enact or implement a remedy identified in a NYVRA resolution, within ninety days after the passage of the NYVRA resolution, or if the political subdivision is a covered entity as defined under section 17-210 of this title, the governing body of the political subdivision shall undertake the steps enumerated in the following provisions:

(i) The governing body of the political subdivision may approve a proposed remedy that complies with this title and submit such a proposed remedy to the civil rights bureau. Such a submission shall be referred to as a "NYVRA proposal" in this title.

(ii) Prior to passing a NYVRA proposal, the political subdivision shall hold at least one public hearing, at which the public shall be invited to provide input regarding the NYVRA proposal. Before this hearing, the political subdivision may conduct outreach to the public, including to non-English-speaking communities, to encourage public participation.

(iii) Within forty-five days of receipt of a NYVRA proposal, the civil rights bureau shall grant or deny approval of the NYVRA proposal.
(iv) The civil rights bureau shall only grant approval to the NYVRA proposal if it concludes that: (A) the political subdivision may be in violation of this title; (B) the NYVRA proposal would remedy any potential violation of this title; (C) the NYVRA proposal is unlikely to violate the constitution or any federal law; (D) the NYVRA proposal would not diminish the ability of protected class members to participate in the political process and to elect their preferred candidates to office; and (E) implementation of the NYVRA proposal is feasible.

(v) If the civil rights bureau grants approval, the NYVRA proposal shall be enacted and implemented immediately, notwithstanding any other provision of law, including any other state or local law.

(vi) If the political subdivision is a covered entity as defined under section 17-210 of this title, the political subdivision shall not be required to obtain preclearance for the NYVRA proposal pursuant to such section upon approval of the NYVRA proposal by the civil rights bureau.

(vii) If the civil rights bureau denies approval, the NYVRA proposal shall not be enacted or implemented. The civil rights bureau shall explain the basis for such denial and may, in its discretion, make recommendations for an alternative remedy for which it would grant approval.

(viii) If the civil rights bureau does not respond, the NYVRA proposal shall not be enacted or implemented.

(d) A political subdivision that has passed a NYVRA resolution may enter into an agreement with the prospective plaintiff providing that such prospective plaintiff shall not commence an action pursuant to this section against the political subdivision for an additional ninety days. Such agreement shall include a requirement that either the political subdivision shall enact and implement a remedy that complies with this title or the political subdivision shall pass a NYVRA proposal and submit it to the civil rights bureau.

(e) If, pursuant to a process commenced by a NYVRA notification letter, a political subdivision enacts or implements a remedy or the civil rights bureau grants approval to a NYVRA proposal, a prospective plaintiff who sent the NYVRA notification letter may, within thirty days of the enactment or implementation of the remedy or approval of the NYVRA proposal, demand reimbursement for the cost of the work product generated to support the NYVRA notification letter. A prospective plaintiff shall make the demand in writing and shall substantiate the demand with financial documentation, such as a detailed invoice for demography services or for the analysis of voting patterns in the political subdivision. A political subdivision may request additional documentation if the provided documentation is insufficient to corroborate the claimed costs. A political subdivision shall reimburse a prospective plaintiff for reasonable costs claimed, or in an amount to which the parties mutually agree. The cumulative amount of reimbursements to all prospective plaintiffs, except for actions brought by the attorney general, shall not exceed forty-three thousand dollars, as adjusted annually to the consumer price index for all urban consumers, United States city average, as published by the United States department of labor. To the extent a prospective plaintiff who sent the NYVRA notification letter and a political subdivision are unable to come to a mutual agreement, either party may file a declaratory judgment action to obtain a clarification of rights.

(f) Notwithstanding the provisions of this subdivision, in the event that the first day for designating petitions for a political subdivision’s next regular election to select members of its governing board
has begun, or is scheduled to begin within thirty days, or in the event that a political subdivision is scheduled to conduct any election within one hundred twenty days, a plaintiff alleging any violation of this title may commence a judicial action against a political subdivision under this section, provided that the relief sought by such a plaintiff includes preliminary relief for that election. Prior to or concurrent with commencing such a judicial action, any such plaintiff shall also submit a NYVRA notification letter to the political subdivision. In the event that a judicial action commenced under this provision is withdrawn or dismissed for mootness because the political subdivision has enacted or implemented a remedy or the civil rights bureau has granted approval of a NYVRA proposal pursuant to a process commenced by a NYVRA notification letter, any such plaintiff may only demand reimbursement pursuant to this subdivision.

8. Coalition claims permitted. Members of different protected classes may file an action jointly pursuant to this title in the event that they demonstrate that the combined voting preferences of the multiple protected classes are polarized against the rest of the electorate.

§ 17-208. Assistance for language-minority groups. 1. Political subdivisions required to provide language assistance. A board of elections or a political subdivision that administers elections shall provide language-related assistance in voting and elections to a language-minority group in a political subdivision if, based on data from the American community survey, or data of comparable quality collected by a public office, that:

(a) more than two percent, but in no instance fewer than three hundred individuals, of the citizens of voting age of a political subdivision are members of a single language-minority group and are limited English proficient.

(b) more than four thousand of the citizens of voting age of such political subdivision are members of a single language-minority group and are limited English proficient.

(c) in the case of a political subdivision that contains all or any part of a Native American reservation, more than two percent of the Native American citizens of voting age within the Native American reservation are members of a single language-minority group and are limited English proficient. For the purposes of this paragraph, "Native American" is defined to include any persons recognized by the United States census bureau or New York as "American Indian" or "Alaska Native".

2. Language assistance to be provided. A board of elections or political subdivision required to provide language assistance to a particular language-minority group pursuant to this section shall provide voting materials in the covered language of an equal quality of the corresponding English language materials, including registration or voting notices, forms, instructions, assistance, or other materials or information relating to the electoral process, including ballots. Any registration or voting notices, forms, instructions, assistance, or other materials or information relating to the electoral process, including ballots, in a covered political subdivision, shall be provided in the language of the applicable language-minority group as well as in the English language, provided that where the language of the applicable language-minority group is historically oral or unwritten, the board of elections or political subdivision shall only be required to furnish oral instructions, assistance, or other information relating to registration and voting.
3. Action for declaratory judgment for English-only voting materials. A board of elections or political subdivision subject to the requirements of this section which seeks to provide English-only materials may file an action against the state for a declaratory judgment permitting such provision. The court shall grant the requested relief if it finds that the determination was unreasonable or an abuse of discretion.

4. Standing. Any aggrieved persons, organization whose membership includes aggrieved persons or members of a protected class, organization whose mission, in whole or in part, is to ensure voting access and such mission would be hindered by a violation of this section, or the attorney general may file an action pursuant to this section in the supreme court of the county in which the alleged violation of this section occurred.

5. This section shall not apply to special districts as defined by section one hundred two of the real property tax law.

§ 17-210. Preclearance. 1. Preclearance. To ensure that the right to vote is not denied or abridged on account of race, color, or language-minority group, the enactment or implementation of a covered policy by a covered entity, as defined in subdivisions two and three of this section respectively, shall be subject to preclearance by the civil rights bureau or by a designated court as set forth in this section.

2. Covered policies. A "covered policy" shall include any new or modified voting qualification, prerequisite to voting, law, ordinance, standard, practice, procedure, regulation, or policy concerning any of the following topics:

(a) Method of election;
(b) Form of government;
(c) Annexation of a political subdivision;
(d) Incorporation of a political subdivision;
(e) Consolidation or division of political subdivisions;
(f) Removal of voters from enrollment lists or other list maintenance activities;
(g) Number, location, or hours of any election day or early voting poll site;
(h) Dates of elections and the election calendar, except with respect to special elections;
(i) Registration of voters;
(j) Assignment of election districts to election day or early voting poll sites;
(k) Assistance offered to members of a language-minority group; and

(1) Any additional topics designated by the civil rights bureau pursuant to a rule promulgated under the state administrative procedure act, upon a determination by the civil rights bureau that a new or modified voting qualification, prerequisite to voting, law, ordinance, standard, practice, procedure, regulation, or policy concerning such topics may have the effect of denying or abridging the right to vote on account of race, color, or language-minority group.

3. Covered entity. A "covered entity" shall include: (a) any political subdivision which, within the previous twenty-five years, has become subject to a court order or government enforcement action based upon a finding of any violation of this title, the federal voting rights act, the fifteenth amendment to the United States constitution, or a voting-related violation of the fourteenth amendment to the United States constitution; (b) any political subdivision which, within the previous twenty-five years, has become subject to at least three court orders or government enforcement actions based upon a finding of any violation of
any state or federal civil rights law or the fourteenth amendment to the United States constitution concerning discrimination against members of a protected class; (c) any county in which, based on data provided by the division of criminal justice services, the combined misdemeanor and felony arrest rate of members of any protected class consisting of at least ten thousand citizens of voting age or whose members comprise at least ten percent of the citizen voting age population of the county, exceeds the proportion that the protected class constitutes of the citizen voting age population of the county as a whole by at least twenty percent at any point within the previous ten years; or (d) any political subdivision in which, based on data made available by the United States census, the dissimilarity index of any protected class consisting of at least twenty-five thousand citizens of voting age or whose members comprise at least ten percent of the citizen voting age population of the political subdivision, is in excess of fifty with respect to non-Hispanic white citizens of voting age within the political subdivision at any point within the previous ten years. If any covered entity is a political subdivision in which a board of elections has been established, that board of elections shall also be deemed a covered entity. If any political subdivision in which a board of elections has been established contains a covered entity fully within its borders, that political subdivision and that board of elections shall both be deemed a covered entity.

4. Preclearance by the attorney general. A covered entity may obtain preclearance for a covered policy from the civil rights bureau pursuant to the following process:

(a) The covered entity shall submit the covered policy in writing to the civil rights bureau. If the covered entity is a county or city board of elections, it shall contemporaneously provide a copy of the covered policy to the state board of elections.

(b) Upon submission of a covered policy for preclearance, as soon as practicable but no later than within ten days, the civil rights bureau shall publish the submission on its website.

(c) After publication of a submission, there shall be an opportunity for members of the public to comment on the submission to the civil rights bureau within the time periods set forth below. To facilitate public comment, the civil rights bureau shall provide an opportunity for members of the public to sign up to receive notifications or alerts regarding submission of a covered policy for preclearance.

(d) Upon submission of a covered policy for preclearance, the civil rights bureau shall review the covered policy, and any public comment, and shall, within the time periods set forth below, provide a report and determination as to whether, under this title, preclearance should be granted or denied to the covered policy. Such time period shall run concurrent with the time periods for public comment. The civil rights bureau shall not make such determination until the period for public comment is closed. The civil rights bureau may request additional information from a covered entity at any time during its review to aid in developing its report and recommendation. The failure to timely comply with reasonable requests for more information may be grounds for the denial of preclearance. The civil rights bureau's reports and determination shall be posted publicly on its website.

(e) In any determination as to preclearance, the civil rights bureau shall identify in writing whether it is approving or rejecting the covered policy; provided, however, that the civil rights bureau may, in its discretion, designate preclearance as "preliminary" in which case
the civil rights bureau may deny preclearance within sixty days following the receipt of submission of the covered policy.

(i) The civil rights bureau shall grant preclearance only if it determines that the covered policy will not diminish the ability of protected class members to participate in the political process and to elect their preferred candidates to office. If the civil rights bureau grants preclearance, the covered entity may enact or implement the covered policy immediately.

(ii) If the civil rights bureau denies preclearance, the civil rights bureau shall interpose objections explaining its basis and the covered policy shall not be enacted or implemented.

(iii) If the civil rights bureau fails to respond within the required time frame as established in this section, the covered policy shall be deemed precleared and the covered entity may enact or implement such covered policy.

(f) The time periods for public comment, civil rights bureau review, and the determination of the civil rights bureau to grant or deny preclearance on submission shall be as follows:

(i) For any covered policy concerning the designation or selection of poll sites or the assignment of election districts to poll sites, whether for election day or early voting, the period for public comment shall be five business days. The civil rights bureau shall review the covered policy, including any public comment, and make a determination to deny or grant preclearance for such covered policy within fifteen days following the receipt of such covered policy.

(ii) Upon a showing of good cause, the civil rights bureau may receive an extension of up to twenty days to make a determination pursuant to this paragraph.

(iii) For any other covered policy, the period for public comment shall be ten business days. The civil rights bureau shall review the covered policy, including any public comment, within fifty-five days following the receipt of such covered policy and make a determination to deny or grant preclearance for such covered policy. The civil rights bureau may invoke up to two extensions of ninety days each.

(iv) The civil rights bureau is hereby authorized to promulgate rules for an expedited, emergency preclearance process in the event of a covered policy occurring during or imminently preceding an election as a result of any disaster within the meaning of section 3-108 of this chapter or other exigent circumstances. Any preclearance granted under this provision shall be designated "preliminary" and the civil rights bureau may deny preclearance within sixty days following receipt of the covered policy.

(g) Appeal of any denial by the civil rights bureau may be heard in the supreme court for the county of New York or the county of Albany in a proceeding commenced against the civil rights bureau, pursuant to article seventy-eight of the civil practice law and rules, from which appeal may be taken according to the ordinary rules of appellate procedure. Due to the frequency and urgency of elections, actions brought pursuant to this section shall be subject to expedited pretrial and trial proceedings and receive an automatic calendar preference on appeal.

5. Preclearance by a designated court. A covered entity may obtain preclearance for a covered policy from a court pursuant to the following process:

(a) The covered entity shall submit the covered policy in writing to the following designated court in the judicial department within which
the covered entity is located: (i) first judicial department: New York
county; (ii) second judicial department: Westchester county; (iii)
third judicial department: Albany county; and (iv) fourth judicial
department: Erie county. If the covered entity is a county or city
board of elections, it shall contemporaneously provide a copy of the
covered policy to the state board of elections.
(b) The covered entity shall contemporaneously provide a copy of the
covered policy to the civil rights bureau. The failure of the covered
entity to provide a copy of the covered policy to the civil rights
division will result in an automatic denial of preclearance.
(c) The court shall grant or deny preclearance within sixty days
following the receipt of submission of the covered policy.
(d) The court shall grant preclearance only if it determines that the
covered policy will not diminish the ability of protected class members
to participate in the political process and to elect their preferred
candidates to office. If the court grants preclearance, the covered
entity may enact or implement the covered policy immediately.
(e) If the court denies preclearance, or fails to respond within sixty
days, the covered policy shall not be enacted or implemented.
(f) Appeal of any denial may be taken according to the ordinary rules
of appellate procedure. Due to the frequency and urgency of elections,
actions brought pursuant to this section shall be subject to expedited
pretrial and trial proceedings and receive an automatic calendar prefer-
ence on appeal.
6. Failure to seek or obtain preclearance. If any covered entity
enacts or implements a covered policy without seeking preclearance
pursuant to this section, or enacts or implements a covered policy
notwithstanding the denial of preclearance, either the civil rights
division or any other party with standing to bring an action under this
title may bring an action to enjoin the covered policy and to seek sanc-
tions against the political subdivision and officials in violation.
7. Rules and regulations. The civil rights bureau may promulgate such
rules and regulations as are necessary to effectuate the purposes of
this section.
§ 17-212. Prohibition against voter intimidation, deception or
obstruction. 1. (a) No person, whether acting under color of law or
otherwise, may engage in acts of intimidation, deception, or obstruction
that affects the right of voters to access the elective franchise.
(b) A violation of paragraph (a) this subdivision shall be established
if:
(i) a person uses or threatens to use any force, violence, restraint,
abduction or duress, or inflicts or threatens to inflict any injury,
damage, harm or loss, or in any other manner practices intimidation that
causes or will reasonably have the effect of causing any person to vote
or refrain from voting in general or for or against any particular
person or for or against any proposition submitted to voters at such
election; to place or refrain from placing their name upon a registry of
voters; or to request or refrain from requesting an absentee ballot; or
(ii) a person knowingly uses any deceptive or fraudulent device,
contrivance or communication, that impedes, prevents or otherwise inter-
feres with the free exercise of the elective franchise by any person, or
that causes or will reasonably have the effect of causing any person to
vote or refrain from voting in general or for or against any particular
person or for or against any proposition submitted to voters at such
election; to place or refrain from placing their name upon a registry of
voters; or to request or refrain from requesting an absentee ballot; or
(iii) a person obstructs, impedes, or otherwise interferes with access to any polling place or elections office, or obstructs, impedes, or otherwise interferes with any voter in any manner that causes or will reasonably have the effect of causing any delay in voting or the voting process, including the canvassing and tabulation of ballots.

2. Standing. Any aggrieved persons, organization whose membership includes aggrieved persons or members of a protected class, organization whose mission, in whole or in part, is to ensure voting access and such mission would be hindered by a violation of this section, or the attorney general may file an action pursuant to this section in the supreme court of the county in which the alleged violation of this section occurred.

3. Remedies. Upon a finding of a violation of any provision of this section, the court shall implement appropriate remedies that are tailored to remedy the violation, including but not limited to providing for additional time to cast a ballot that may be counted in the election at issue. Any party who shall violate any of the provisions of the foregoing section or who shall aid the violation of any of said provisions shall be liable to any prevailing plaintiff party for damages, including nominal damages for any violation, and compensatory or punitive damages for any intentional violation.

§ 17-214. Authority to issue subpoenas. In any action or investigation to enforce any provision of this title, the attorney general shall have the authority to take proof and determine relevant facts and to issue subpoenas in accordance with the civil practice law and rules.

§ 17-216. Expedited judicial proceedings and preliminary relief. Because of the frequency of elections, the severe consequences and irreparable harm of holding elections under unlawful conditions, and the expenditure to defend potentially unlawful conditions that benefit incumbent officials, actions brought pursuant to this title shall be subject to expedited pretrial and trial proceedings and receive an automatic calendar preference. In any action alleging a violation of this section in which a plaintiff party seeks preliminary relief with respect to an upcoming election, the court shall grant relief if it determines that: (a) plaintiffs are more likely than not to succeed on the merits; and (b) it is possible to implement an appropriate remedy that would resolve the alleged violation in the upcoming election.

§ 17-218. Attorneys' fees. In any action to enforce any provision of this title, the court shall allow the prevailing plaintiff party, other than the state or political subdivision thereof, a reasonable attorneys' fee, litigation expenses including, but not limited to, expert witness fees and expenses as part of the costs. A plaintiff will be deemed to have prevailed when, as a result of litigation, the defendant party yields much or all of the relief sought in the suit. Prevailing defendant parties shall not recover any costs, unless the court finds the action to be frivolous, unreasonable, or without foundation.

§ 17-220. Applicability. The provisions of this title shall apply to all elections for any elected office or electoral choice within the state or any political subdivision. The provisions of this title shall apply notwithstanding any other provision of law, including any other state law or local law; provided, however, that school districts and libraries shall continue to conduct their elections under the education law, subject to and not inconsistent with the provisions of this title, to ensure voters of race, color, and language-minority groups have equitable access to fully participate in the electoral process.
§ 17-222. Severability. If any provision of this title or its application to any person, political subdivision, or circumstance is held invalid, the invalidity shall not affect other provisions or applications of this title which can be given effect without the invalid provision or application, and to this end the provisions of this title are severable.

§ 5. This act shall take effect immediately; provided, however, that paragraph (c) of subdivision seven of section 17-206 of the election law as added by section four of this act shall take effect one year after it shall have become a law; and provided further, however, that section 17-208 of the election law as added by section four of this act shall take effect three years after it shall have become a law; and provided further, however, that section 17-210 of the election law, as added by section four of this act, shall take effect one year after the attorney general certifies that the office of the attorney general is prepared to execute the duties assigned in section four of this act, if after the expiration of one year the attorney general requires more time to certify that the office of the attorney general is prepared to execute the duties assigned in section four of this act, the attorney general, may, for good cause shown, apply to the governor for such an extension of time. The governor may grant or deny an extension of up to one year according to his or her discretion. The attorney general shall notify the legislative bill drafting commission upon the occurrence of the enactment of the legislation provided for in section four of this act in order that the commission may maintain an accurate and timely effective data base of the official text of the laws of the state of New York in furtherance of effectuating the provisions of section 44 of the legislative law and section 70-b of the public officers law.
