pursuant to public assistance programs, social service districts shall, upon application, provide access to emergency shelter, transportation, or nutrition payments which the district determines are necessary to establish or maintain independent living arrangements among persons living with medically diagnosed HIV infection who are homeless or facing homelessness and for whom no viable and less costly alternative to housing is available, including HIV emergency shelter allowance payments in excess of those promulgated by the office of temporary and disability assistance but not exceeding an amount reasonably approximate to one hundred ten percent of fair market rent as determined by the federal department of housing and urban development.

§ 3. Section 131 of the social services law is amended by adding two new subdivisions 21 and 22 to read as follows:

21. When necessary, each local social services district shall assist persons with medically diagnosed HIV infection by (i) helping to secure the required documentation to determine eligibility for assistance, (ii) arranging for required face-to-face interviews to be conducted during home visits or at other appropriate sites, and (iii) providing referrals for services as well as other resources and materials as described in subdivision twenty-two of this section.

22. The office, in consultation with the department of health, shall create, maintain, and periodically update information on the office's website regarding resources and services throughout the state, including the location of such services, which shall include but not be limited to, community based supports, employment opportunities, and medical professionals specialized in assisting such persons with medically diagnosed HIV infection to be utilized by the local social services districts. Such information shall also be made available on the office's website.

§ 4. Paragraphs f and g of subdivision 1 of section 153 of the social services law, paragraph f as amended by chapter 81 of the laws of 1995 and paragraph g as amended by chapter 471 of the laws of 1980, are amended and a new paragraph h is added to read as follows:

f. the full amount expended by any district, city, town or Indian tribe for the costs, including the costs of administration of public assistance and care to eligible needy Indians and members of their families residing on any Indian reservation in this state, after first deducting therefrom any federal funds properly received or to be received on account thereof[+];

~~(+g)~~ g. fifty per centum of the amount expended for substance abuse services pursuant to this chapter, after first deducting therefrom any federal funds properly received or to be received on account thereof. In the event funds appropriated for such services are insufficient to provide full reimbursement of the total of the amounts claimed by all social services districts pursuant to this section then reimbursement shall be in such proportion as each claim bears to such total[+]; and

h. notwithstanding any inconsistent provision of law, one hundred per centum of safety net or family assistance expenditures, in social services districts with a population of five million or fewer, for HIV emergency shelter allowance payments in excess of those promulgated by the office of temporary and disability assistance but not exceeding an amount reasonably approximate to one hundred ten percent of fair market rent as determined by the federal department of housing and urban development, and for transportation or nutrition payments, which the district determines are necessary to establish or maintain independent living arrangements among persons living with medically diagnosed HIV infection

1 and who are homeless or facing homelessness and for whom no viable and
2 less costly alternative to housing is available, after first deducting
3 therefrom any federal funds properly received or to be received on
4 account thereof.

5 § 5. This act shall take effect on the ninetieth day after it shall
6 have become a law.
