

# STATE OF NEW YORK

1126--A

2021-2022 Regular Sessions

## IN SENATE

January 7, 2021

Introduced by Sens. GIANARIS, HARCKHAM, KRUEGER, MAYER, MYRIE, RAMOS, SALAZAR -- read twice and ordered printed, and when printed to be committed to the Committee on Elections -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the election law, in relation to enacting the "democracy preservation act"; and in relation to prohibiting contributions by foreign-influenced business entities and requiring certification

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. This act shall be known and may be cited as the "democracy  
2 preservation act".  
3 § 2. Legislative Findings. The legislature hereby finds and declares  
4 that New York state welcomes immigrants, visitors, and investors from  
5 around the world. However, its elections should be decided by the people  
6 of New York and not by foreign investors or the business entities over  
7 which they exert influence. Corporations with partial foreign ownership  
8 have been spending money to influence state and local elections in New  
9 York and around the country. The public has a compelling interest in  
10 limiting the participation of foreign entities in activities of American  
11 democratic self-government, which include spending money to influence  
12 voters and finance campaigns, in the interest of preventing foreign  
13 influence over the United States political process.  
14 Investors are the ultimate beneficiaries of corporate interests. Where  
15 part of the shareholders' equity is attributable to foreign investors,  
16 spending corporate treasury funds on New York elections means spending  
17 the equity of foreign entities on New York elections.  
18 Business corporations and similar entities have a fiduciary duty to  
19 their shareholders, including investors around the world, and generally  
20 prioritize the interests of such shareholders, which may diverge  
21 substantially from the interests of the people of New York and of citi-

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

1 zens of the United States. In addition, both formal procedures of corpo-  
2 rate democracy and informal mechanisms of influence can provide foreign  
3 investors with substantial influence even with only a minority of  
4 shares. The United States Securities and Exchange Commission, major  
5 capital investors, corporate managers, and corporate governance experts  
6 broadly agree that ownership or control of one percent or more of shares  
7 can confer substantial influence on corporate decision-making.

8 Political spending by foreign-influenced business entities can weaken,  
9 interfere with, or disrupt New York's democratic self-government and the  
10 faith that the electorate has in its elected officials. To protect the  
11 integrity of New York's democratic self-government, it is necessary to  
12 prevent foreign-influenced business entities from influencing New York  
13 elections through political spending.

14 § 3. The election law is amended by adding a new section 14-116-a to  
15 read as follows:

16 § 14-116-a. Prohibited contributions by foreign-influenced business  
17 entities. 1. Notwithstanding any provision of law to the contrary, it  
18 shall be unlawful for a foreign-influenced business entity, directly or  
19 indirectly, to make a contribution or donation of money or other thing  
20 of value, or to make an express or implied promise to make a contrib-  
21 ution or donation, in connection with a state or local election.

22 2. It shall be unlawful for a business entity prohibited under subdivi-  
23 sion one of this section, directly or indirectly, to make a contrib-  
24 ution or donation to a constituted committee, independent expenditure  
25 committee, political committee, or party committee.

26 3. It shall be unlawful for a business entity prohibited under subdivi-  
27 sion one of this section, directly or indirectly, to make an expendi-  
28 ture, independent expenditure, or disbursement for a political communi-  
29 cation.

30 4. It shall be unlawful for a person to knowingly solicit, accept, or  
31 receive a contribution or donation described in subdivision one, two or  
32 three of this section from a foreign-influenced business entity.

33 5. Except as provided in subdivision six of this section, it shall be  
34 unlawful for a person who receives a contribution or donation from a  
35 business entity to use that contribution or donation, directly or indi-  
36 rectly, for any of the purposes described in subdivision one, two, or  
37 three of this section, or to contribute, donate, transfer, or convey  
38 funds from such a contribution or donation to another person for use for  
39 any of the purposes described in subdivision one, two, or three of this  
40 section. However, a person may use funds that do not comply with the  
41 requirements of this section for other lawful purposes.

42 6. A person who receives a contribution or donation from a business  
43 entity, and also receives from the business entity a copy of the state-  
44 ment of certification described in subdivision four of section 14-116 of  
45 this title, may use such funds for the purposes described in subdivision  
46 one, two, or three of this section only if the person separately desig-  
47 names, records, and accounts for such funds, and ensures that disburse-  
48 ments for the purposes described in subdivision one, two, or three of  
49 this section are only made from funds that comply with the requirements  
50 of this section. A person may rely in good faith on a statement of  
51 certification that meets the requirements of subdivision four of section  
52 14-116 of this title.

53 7. Any person found in violation of this section shall be guilty of a  
54 class E felony and shall be subject to a civil penalty equal to the  
55 contribution or donation amount plus a fine of up to ten thousand

1 dollars, to be recoverable in a special proceeding or civil action to be  
2 brought by the state board of elections chief enforcement counsel.

3 § 4. Section 14-100 of the election law is amended by adding three new  
4 subdivisions 18, 19 and 20 to read as follows:

5 18. "foreign-influenced" shall mean a business entity for which at  
6 least one of the following conditions is met:

7 i. a single foreign owner holds, owns, controls, or otherwise has  
8 direct or indirect beneficial ownership of one percent or more of the  
9 total equity, outstanding voting shares, membership units, or other  
10 applicable ownership interests of the business entity; or

11 ii. two or more foreign owners, in aggregate, hold, own, control, or  
12 otherwise have direct or indirect beneficial ownership of five percent  
13 or more of the total equity, outstanding voting shares, membership  
14 units, or other applicable ownership interests of the business entity;  
15 or

16 iii. a foreign owner participates directly or indirectly in the busi-  
17 ness entity's decision-making process with respect to the business enti-  
18 ty's political activities in the United States.

19 19. "business entity" shall mean a corporation, company, limited  
20 liability company, limited partnership, business trust, business associ-  
21 ation, joint-stock association or other corporate entity doing business  
22 for profit in the state or elsewhere.

23 20. "foreign owner" shall mean:

24 i. a foreign national; or

25 ii. a business entity wherein a foreign national holds, owns,  
26 controls, or otherwise has directly or indirectly acquired beneficial  
27 ownership of equity or voting shares in an amount that is equal to or  
28 greater than fifty percent of the total equity or outstanding voting  
29 shares.

30 § 5. Section 14-116 of the election law is amended by adding a new  
31 subdivision 4 to read as follows:

32 4. Every business entity that makes an expenditure, or contribution,  
33 for political purposes for a state or local election shall file with the  
34 state board of elections, within seven business days after making such  
35 expenditure or contribution, on the form prescribed by the state board  
36 of elections, a statement of certification signed by the chief executive  
37 officer, president or owner under penalty of perjury, avowing that after  
38 due inquiry, such business entity was not a foreign-influenced business  
39 entity on the date such expenditure or contribution was made. Business  
40 entities shall provide a copy of the statement of certification required  
41 by this subdivision to any campaign or committee to which they contrib-  
42 ute, and, upon request of the recipient, to any other person to whom  
43 they contribute.

44 § 6. This act shall take effect on the one hundred eightieth day after  
45 it shall have become a law. Effective immediately, the addition, amend-  
46 ment and/or repeal of any rule or regulation necessary for the implemen-  
47 tation of this act on its effective date are authorized to be made on or  
48 before such effective date.
