2021-2022 Regular Sessions

## IN SENATE

January 8, 2021

Introduced by Sens. GIANARIS, BAILEY, BIAGGI, BRESLIN, GOUNARDES, HOYLMAN, JACKSON, LIU, MYRIE, PARKER, RAMOS, RIVERA, SALAZAR, SANDERS, SEPULVEDA, SERRANO, STAVISKY -- read twice and ordered printed, and when printed to be committed to the Committee on Housing, Construction and Community Development

AN ACT eliminating rent increases based on major capital improvements; to amend chapter 274 of the laws of 1946, constituting the emergency housing rent control law, the emergency tenant protection act of nineteen seventy-four and the administrative code of the city of New York, in relation to eliminating rent increases to pay for major capital improvements

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Legislative findings and declaration of emergency. The legislature hereby finds and declares that the serious public emergency which led to the enactment of the existing laws regulating residential rents and evictions continues to exist. The legislature further finds that a majority of households currently occupying housing accommodations subject to rent laws are rent-burdened; that permanent increases in rents are no longer necessary to incentivize rental property owners to make, or to compensate landlords for, necessary major capital improvements; that publicly funded tax incentives and other subsidies are available to rental property owners to support major capital improvements; that value from major capital improvements accrues to rental property owners through increased property values and sale prices; that, due to market conditions in localities subject to rent laws, rental property owners are already able to realize a reasonable return on their investments in major capital improvements through increased property values and sale prices alone; and that provisions for hardship increases under existing rent laws already ensure that rental property owners are able to operate rent regulated housing without incurring undue losses.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD03729-01-1

The legislature further declares and finds that a substantial number of the rent increases previously granted for major capital improvements were tainted by inflated costs, particularly in the last seven years; that the provision of rent increases for major capital improvements in existing rent laws has resulted in exactions of unjust, unreasonable and oppressive rents, as well as profiteering, speculation and other disruptive practices tending to produce tenant dislocation and threats to the public health, safety and general welfare; that such results were contrary to the intent and purpose of the existing rent laws; that it is therefore necessary to amend the rent laws to remove any provision of a rent increase based upon major capital improvements; and that it is additionally necessary to repeal rent increases based upon major capital improvements that became effective within the previous seven years.
§ 2. (a) The division of housing and community renewal, the "division", shall administer the elimination of rent increases based upon major capital improvements pursuant to this act. The division shall no longer grant rent increases on the basis of major capital improvements at buildings subject to rent regulation or rent stabilization pursuant to the emergency rent control law, the emergency tenant protection act and/or the administrative code of the city of New York. All pending applications for rent increases based upon major capital improvements shall be denied, and the division shall issue orders disposing of pending applications as necessary.
(b) Any rent increase based upon major capital improvements previously ordered by the division, pursuant to the emergency rent control law, the emergency tenant protection act and/or the administrative code of the city of New York, with an effective date within the seven years prior to the effective date of this act shall be repealed effective immediately unless the division finds a basis for limiting the repeal pursuant to subdivision (d) of this section. For all affected housing accommodations, the division shall determine what the present legal rent would be for each such accommodation if the division had not ordered any rent increases based upon major capital improvements during the repeal period, and this amount shall be the proposed new legal rent.
(c) Within 180 days of the effective date of this act, the division of housing and community renewal shall determine the proposed new legal rents for all affected housing accommodations pursuant to subdivision (b) of this section and shall also provide written notification to all current owners and tenants of affected accommodations as to the amount of the proposed new legal rents, the basis for the department's determination, and the time for each affected party to submit additional information that the division shall consider before issuing a final order determining the new legal rents, which shall not be less than 45 days. Unless an owner of an affected building has submitted a timely application to the division for a limitation pursuant to subdivision (d) of this section, the division shall issue a final order determining the new legal rents for affected housing accommodations within 365 days of the effective date of this act.
(d) (1) Within 90 days of receiving written notice of proposed new legal rents from the division pursuant to subdivision (c) of this section, a building owner may apply to the commissioner of housing and community renewal for an order limiting the amount of the repeal of rent increases under this act based upon a finding by the commissioner of housing and community renewal that the proposed new legal rents are not sufficient to enable the owner to maintain an annual gross rent income for such building which exceeds the annual operating expenses of such
building by a sum equal to at least five percent of such gross rent. In buildings for which the commissioner of housing and community renewal finds that the proposed new legal rents are not sufficient to enable the owner to maintain an annual gross rent income for such building which exceeds the annual operating expenses of such building by a sum equal to at least five percent of such gross rent, the repeal amount of rent increases based upon major capital improvements shall be limited to an amount such that the annual operating expenses of the building do not exceed ninety-five percent of the new proposed annual gross rent income for such building.
(2) For the purposes of this subdivision, operating expenses shall consist of the actual, reasonable, costs of fuel, labor, utilities, taxes, other than income or corporate franchise taxes, fees, permits, necessary contracted services and noncapital repairs, insurance, parts and supplies, management fees and other administrative costs and mortgage interest. For the purposes of this subdivision, mortgage interest shall be deemed to mean interest on a bona fide mortgage including an allocable portion of charges related thereto. Criteria to be considered in determining a bona fide mortgage other than an institutional mortgage shall include: condition of the property, location of the property, the existing mortgage market at the time the mortgage is placed, the term of the mortgage, the amortization rate, the principal amount of the mortgage, security and other terms and conditions of the mortgage. For the purposes of this subdivision, gross annual rent income for a building shall include a rental value set by the commissioner of housing and community renewal for any unit occupied by the owner or a person related to the owner or unoccupied at the owner's choice for more than one month at the last regulated rent plus the minimum number of guidelines increases or, if no such regulated rent existed or is known, the commissioner shall impute a rent consistent with other proposed new legal rents in the building.
(e) The division shall require that owners refund any increase in a tenant's security deposit amount collected in excess of a new legal rent established under this act within thirty days of the department's issuance of an order determining new legal rents. Such excess security deposit amount may be refunded in the form of a rent credit applied toward the affected tenant's next monthly rent payment, and affected tenants are entitled to self-deduct the refund amount from future rent payments.
(f) The new legal rent shall be the legal rent beginning on the date rent is required to be paid next succeeding the issuance of a final order determining new legal rents under this act.
(g) Any lease agreement executed after the issuance of a final order determining new legal rents under this act shall be deemed to incorporate the rent amounts and effective dates set forth in such order.
(h) Any tenant residing in an affected housing accommodation may assert their entitlement to the repeal of prior rent under subdivision (b) of this section, as a defense or counterclaim in any legal proceeding predicated upon a landlord's claim of default in the payment of rent pursuant to an agreement. Any court with jurisdiction over a landlord's claim as to a tenant's default in the payment of rent shall also adjudicate and have primary jurisdiction over the tenant's assertion of a defense or counterclaim under this provision if the department has not yet issued an order determining the new legal rent. A court order made under this subdivision shall not in any way be deemed to impair a build-
ing owner's right or time to apply for a limitation under subdivision (d) of this section.
(i) All final orders issued by the department pursuant to subdivisions (b), (c), and (d) of this section shall be subject to appeal pursuant to existing procedures for administrative review before the division.

If any clause, sentence, paragraph, subdivision, section or part of this act shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part thereof directly involved in the controversy in which such judgment shall have been rendered. It is hereby declared to be the intent of the legislature that this act would have been enacted even if such invalid provisions had not been included herein. It is further declared to be the intent of the legislature that this act would have been enacted even if subdivisions (b), (c), (d), (e), (f), (g), (h), and (i) of section two of this act had not been included herein.
§ 9. This act shall take effect immediately; provided:
(a) that the amendments to section 26-511 of chapter 4 of title 26 of the administrative code of the city of New York made by section seven of this act shall expire on the same date as such law expires and shall not affect the expiration of such law as provided under section 26-520 of such law; and
(b) that the amendments to sections 26-405 and 26-407 of the city rent and rehabilitation law made by sections five and six of this act shall remain in full force and effect only as long as the public emergency requiring the regulation and control of residential rents and evictions continues, as provided in subdivision 3 of section 1 of the local emergency housing rent control act.
(c) Effective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized to be made and completed on or before such effective date.
