AN ACT in relation to directing the commissioner of agriculture and markets to work with the state's land grant university system to produce a report to provide recommendations on the state's farm and food supply; and to repeal certain provisions of the agriculture and markets law relating thereto

## The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subdivision 51 of section 16 of the agriculture and markets law, as added by a chapter of the laws of 2020 amending the agriculture and markets law relating to establishing a New York food supply working group, as proposed in legislative bills numbers S. 8561-A and A. 10607-A, is REPEALED.

б § 2. (a) The commissioner of agriculture and markets, in coordination 7 with the commissioner of economic development, shall work with the state's land grant university system to produce a report to provide 8 advice, guidance, and recommendations on improving the resiliency and 9 10 self-reliance of the state's farm and food supply and the related supply 11 chain logistics to address food shortages, food waste, and the inability 12 to get New York farm goods to markets that occurred as a result of the COVID-19 pandemic, with the goal of creating permanent solutions beyond 13 14 the state of emergency to reflect the changing wholesale, retail and 15 consumer marketplace.

16 (b) The commissioners shall solicit the input of representatives of 17 the entire food supply chain from different regions of the state, 18 including women, minority, small, and family-owned businesses and farms, 19 of:

20 (i) farmers, organic and conventional;

(ii) food processors including, but not limited to, dairy, produce, meat, and beverage processors;
