## STATE OF NEW YORK

2021-2022 Regular Sessions

## IN SENATE

January 12, 2021

Introduced by Sen. ADDABBO -- read twice and ordered printed, and when printed to be committed to the Committee on Racing, Gaming and Wager-ing

AN ACT to amend the general municipal law, in relation to electronic bell jar games

## The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Legislative findings and purpose. 1. The legislature hereby finds that:

(a) bell jar games are a popular and profitable fundraising mechanism
for bona fide not-for-profit organizations across the state, generating
millions of dollars in net revenues for charitable purposes every year;
(b) authorized organizations that offer bell jars and other games of
chance must meet strict standards established by the New York state
general municipal law and the New York state gaming commission, including receiving a license to conduct charitable gaming activities; and

10 (c) while other types of gaming in New York state have continued to 11 expand and improve, the operation of charitable gaming activities has 12 largely remained the same over the last several decades.

2. For the aforementioned reasons, the legislature hereby declares that authorized organizations licensed by the New York state gaming commission to conduct charitable gaming would greatly benefit from the ability to operate electronic bell jar vending machines, which display and dispense pre-printed bell jar tickets that have predetermined winners and predetermined values for prizes, in order to help increase charitable gaming profits across the state and attract more members to join such organizations.

21 § 2. Subdivision 3-a of section 186 of the general municipal law, as 22 amended by chapter 531 of the laws of 2011, is amended to read as 23 follows:

EXPLANATION--Matter in <u>italics</u> (underscored) is new; matter in brackets [-] is old law to be omitted.
