Introduced by Sens. SAVINO, KAPLAN -- read twice and ordered printed,  
and when printed to be committed to the Committee on Internet and  
Technology

AN ACT to amend the economic development law, in relation to the devel-  
opment and creation of distributed ledger technology and business  
entities that develop such technology

The People of the State of New York, represented in Senate and Assem-  
bly, do enact as follows:

1 Section 1. Subdivisions 8 and 23 of section 352 of the economic devel-  
2 opment law, as amended by section 1 of part K of chapter 59 of the laws  
3 of 2017, are amended to read as follows:

4 8. "Financial services data centers or financial services customer  
5 back office operations" means operations that manage the data or  
6 accounts of existing customers or provide product or service information  
7 and support to customers of financial services companies, including  
8 banks, other lenders, securities and commodities brokers and dealers,  
9 investment banks, portfolio managers, trust offices, [~~and~~] insurance  
10 companies, and financial technology companies that develop distributed  
11 ledger technology. For purposes of this subdivision "distributed ledger  
12 technology" means a mathematically secured, chronological, and decen-  
13 tralized consensus ledger or database, whether maintained via internet  
14 interaction, peer-to-peer network, or otherwise used to authenticate,  
15 record, share and synchronize transactions in their respective electron-  
16 ic ledgers or databases.

17 23. "Software development" means the creation of distributed ledger  
18 technology, coded computer instructions or production or post-production  
19 of video games, as defined in subdivision one-a of section six hundred  
20 eleven of the general business law, other than those embedded and used  
21 exclusively in advertising, promotional websites or microsites, and also  
22 includes new media as defined by the commissioner in regulations. For  
23 purposes of this subdivision "distributed ledger technology" means a

1 mathematically secured, chronological, and decentralized consensus  
2 ledger or database, whether maintained via internet interaction, peer-  
3 to-peer network, or otherwise used to authenticate, record, share and  
4 synchronize transactions in their respective electronic ledgers or data-  
5 bases.

6 § 2. Section 354 of the economic development law is amended by adding  
7 a new subdivision 6 to read as follows:

8 6. The commissioner shall strive to ensure that there is participation  
9 on a broad regional geographic basis within the program and outreach to  
10 all eligible industries defined in section three hundred fifty-two of  
11 this article. The commissioner shall also promote diverse ownership and  
12 workforces of participating businesses through outreach to businesses  
13 owned by people with disabilities as defined under subdivision twenty-  
14 one of section two hundred ninety-two of the executive law or subdivi-  
15 sions three and twenty-two of section 1.03 of the the mental hygiene  
16 law, minority- and women-owned businesses and veteran-owned businesses  
17 in those industries where their participation is not currently preva-  
18 lent.

19 § 3. This act shall take effect immediately.
