STATE OF NEW YORK

182

2021-2022 Regular Sessions

IN SENATE

(Prefiled)

January 6, 2021

Introduced by Sen. KAPLAN -- read twice and ordered printed, and when printed to be committed to the Committee on Health

AN ACT to amend the public health law, in relation to patient discharge information concerning certain premature newborn infants

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The public health law is amended by adding a new section 2 2803-z to read as follows: 3 § 2803-z. Patient discharge information. 1. Any hospital that provides birthing services shall provide written, educational material containing 4 5 information about the possible complications, proper care and support б associated with newborn infants who are born premature at less than 7 thirty-seven weeks gestational age. The written information shall 8 include but not be limited to, the following: 9 (a) The unique health issues affecting infants born premature, such increased risk of developmental problems; nutritional challenges; 10 **as:** 11 infection; chronic lung disease (bronchopulmonary dysplasia); vision and 12 hearing impairment; breathing problems; feeding; maintaining body 13 temperature; jaundice; hyperactivity; infant mortality and long-term 14 complications associated with fine motor skills, reading, writing, math-15 ematics and speaking; (b) The proper care needs of premature infants, developmental screen-16 ings and monitoring and healthcare services available to premature 17

18 infants;

19 (c) infectious disease awareness and methods to prevent or minimize 20 infections common to premature infants; and

(d) Community resources to assist parents and family members with the
care and support of premature infants.

EXPLANATION--Matter in <u>italics</u> (underscored) is new; matter in brackets [-] is old law to be omitted.
