PERSAUD, BIAGGI, BROUK, MANNION, PARKER -- read twice and ordered printed, and when printed to be committed to the Committee on Women's Issues -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee -reported favorably from said committee, ordered to first and second report, ordered to a third reading, passed by Senate and delivered to the Assembly, recalled, vote reconsidered, restored to third reading, amended and ordered reprinted, retaining its place in the order of third reading

AN ACT to amend the public health law, in relation to requiring the department of health to develop an informational pamphlet for patients undergoing pelvic examinations and to make the informational pamphlet available for use by medical practitioners performing pelvic examinations and to require medical practitioners performing pelvic exams to disseminate such pamphlets

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The public health law is amended by adding a new section 2504-b to read as follows: 3

§ 2504-b. Information concerning pelvic exams. 1. On or before July first, two thousand twenty-two, the department shall develop an informational pamphlet for patients undergoing pelvic examinations. In developing the pamphlet, the department shall consult with state professional societies representing physicians in general, obstetricians and gynecol-8 ogists, family practice physicians, nurse practitioners, physician 9 <u>assistants and midwives. The pamphlet shall include but not be limited</u>
10 <u>to information concerning, the following:</u>

- (a) what a pelvic exam is and how it is properly performed;
- 12 (b) if applicable, a description of other relevant exams;

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

(c) privacy expectations, including that privacy should be provided for the patient both when undressing and dressing and that a gown or a drape should be provided;

- (d) an explanation of what a speculum is and how it should be properly used during an examination;
- (e) that gloves should be worn by the practitioner during the examination; and
- 8 (f) a telephone number for the office of professional medical conduct 9 in the department and the office of the professions in the state educa-10 tion department, at which a patient may report any misconduct that the 11 patient feels may have occurred.
- 2. The informational pamphlet shall be made available for use by practitioners. The informational pamphlet shall be posted as a printable 14 file on the department's internet website, and may also be made available for order as a printed deliverable on the department's internet 16 website.
- 17 3. The informational pamphlet shall be written in layperson's language and shall be made available in English and the six most common non-Engl-18 19 ish languages spoken by individuals with limited English proficiency in 20 New York state as based on the most recent census.
 - 4. A practitioner may provide the patient the informational pamphlet developed pursuant to this section.
- 5. For purposes of this section, "practitioner" means a health care professional licensed, certified, or otherwise authorized to practice 24 under the education law, acting within the scope of practice.
- 26 § 2. This act shall take effect on the one hundredth day after it 27 shall have become a law. Effective immediately the addition, amendment and/or repeal of any rule or regulation necessary for the implementation 28 of this act on its effective date are authorized to be made and 29 30 completed on or before such date.
