16 practicing outside the boundaries of his or her professional competence  
17 for a person licensed pursuant to this article, in the case of treatment  
18 of any serious mental illness, to provide any mental health service for  
19 such illness on a continuous and sustained basis without a medical eval-  
20 uation of the illness by, and in consultation with, a physician regard-  
21 ing such illness. Such medical evaluation and consultation shall be to  
22 determine and advise whether any medical care is indicated for such  
23 illness. For purposes of this section, "serious mental illness" means  
24 schizophrenia, schizoaffective disorder, bipolar disorder, major depres-  
25 sive disorder, panic disorder, and obsessive-compulsive disorder.

26 2. (a) Any individual whose license or authority to practice derives  
27 from the provisions of this article shall be prohibited from:

28 (i) prescribing or administering drugs as defined in this chapter as a  
29 treatment, therapy, or professional service in the practice of his or  
30 her profession; or

31 (ii) using invasive procedures as a treatment, therapy, or profes-  
32 sional service in the practice of his or her profession. For purposes of  
33 this subdivision, "invasive procedure" means any procedure in which  
34 human tissue is cut, altered, or otherwise infiltrated by mechanical or  
35 other means. Invasive procedure includes surgery, lasers, ionizing radi-  
36 ation, therapeutic ultrasound, or electroconvulsive therapy.

37 (b) (i) Unless authorized to practice speech-language pathology, music  
38 therapists shall not evaluate, examine, instruct, or counsel on speech,  
39 language, communication, and swallowing disorders and conditions. When  
40 providing educational or healthcare services, a music therapist shall  
41 not replace the services provided by an audiologist or a speech-language  
42 pathologist.

43 (ii) An individual licensed as a professional music therapist shall  
44 not represent to the public that the individual is authorized to treat a  
45 communication disorder. This shall not prohibit an individual licensed  
46 as a professional music therapist from representing to the public that  
47 the individual may work with clients who have a communication disorder  
48 and address communication skills.

49 (iii) Before providing music therapy services to a client for an iden-  
50 tified clinical or developmental need, the licensee shall review with  
51 the healthcare provider or providers involved in the client's care, the  
52 client's diagnosis, treatment needs, and treatment plan.

5 (vi) During the provision of music therapy services to a client with a  
6 communication disorder, the licensed professional music therapist shall  
7 collaborate and discuss the music therapy treatment plan with the  
8 client's audiologist or speech-language pathologist.

9 § 8459. Mandatory continuing competency. 1. (a) Each licensed profes-  
10 sional music therapist or licensed clinical music therapist shall regis-  
11 ter triennially with the department to practice in the state and must  
12 comply with the provisions of the mandatory continuing competency  
13 requirements prescribed in this section, except as provided in para-  
14 graphs (b) and (c) of this subdivision. Those who do not satisfy the  
15 mandatory continuing competency requirements shall not be authorized to  
16 practice until they have met such requirements, and they have been  
17 issued a registration certificate, except that a person may practice  
18 without having met such requirements if he or she is issued a condi-  
19 tional registration pursuant to subdivision four of this section.

20 (b) Each licensed professional music therapist or licensed clinical  
21 music therapist shall be exempt from the mandatory continuing competency  
22 requirement for the triennial registration period during which they are  
23 first licensed. Adjustment to the mandatory continuing competency  
24 requirements may be granted by the department for reasons of health of  
25 the licensee where certified by an appropriate health care professional,  
26 for extended active duty with the armed forces of the United States, or  
27 for other good cause acceptable to the department which may prevent  
28 compliance.

29 (c) A licensed professional music therapist or licensed clinical music  
30 therapist not engaged in practice, as determined by the department,  
31 shall be exempt from the mandatory continuing competency requirement  
32 upon the filing of a statement with the department declaring such  
33 status. Any licensee who returns to the practice of music therapy during  
34 the triennial registration period shall notify the department prior to  
35 reentering the profession and shall meet such mandatory continuing  
36 competency requirements as shall be prescribed by regulations of the  
37 commissioner.

38 2. At the end of each triennial registration period, an applicant for  
39 re-registration as a licensed professional music therapist or licensed  
40 clinical music therapist must provide proof of holding an active board  
41 certification credential in music therapy from a national certification  
42 body having certification standards acceptable to the commissioner.

43 3. (a) During each triennial registration period an applicant for  
44 registration as a licensed professional music therapist or licensed  
45 clinical music therapist shall complete a minimum of thirty-six hours of  
46 acceptable learning activities which contribute to continuing compe-  
47 tence, as specified in subdivision four of this section. A maximum of  
48 twelve hours of the thirty-six hours may be self-instructional course-  
49 work acceptable to the department. At least twenty-four hours of the  
50 thirty-six hours shall be in areas of study pertinent to the scope of  
51 practice of music therapy. With the exception of continuing education  
52 hours taken during the registration period immediately preceding the  
53 effective date of this section, continuing education hours taken during  
54 one triennium may not be transferred to a subsequent triennium.

55 (b) Thereafter, a licensee who has not satisfied the mandatory contin-  
56 uing competency requirements shall not be issued a triennial registra-

tion certificate by the department and shall not practice unless and until a conditional registration certificate is issued as provided for in subdivision four of this section.

4. The department, in its discretion, may issue a conditional registration to a licensee who fails to meet the continuing competency requirements established in subdivision three of this section, but who agrees to make up any deficiencies and complete any additional learning activities which the department may require. The fee for such a conditional registration shall be the same as, and in addition to, the fee for the triennial registration. The duration of such conditional registration shall be determined by the department but shall not exceed one year. Any licensee who is notified of the denial of registration for failure to submit evidence, satisfactory to the department, of required continuing competency learning activities and who practices without such registration may be subject to disciplinary proceedings pursuant to section sixty-five hundred ten of this title.

5. As used in subdivision three of this section, "acceptable learning activities" shall mean activities which contribute to professional practice in music therapy, and which meet the standards prescribed in the regulations of the commissioner. Such learning activities shall include, but not be limited to, collegiate level credit and non-credit courses, self-study activities, independent study, formal mentoring activities, professional development programs and technical sessions, publications in professional journals and professional development programs; such learning activities may be offered and sponsored by national, state, regional, and local professional associations and other organizations or parties acceptable to the department, and any other organized educational and technical learning activities acceptable to the department. Providers (other than those indicated below as exempt from the approval process) must submit an application to the state board for music therapy. Types of approved providers include:

(a) any higher education institution that offers programs that are registered in New York state as leading to licensure in music therapy;

(b) a national, regional, state, or local sponsor or provider of coursework or training that is approved by the American Music Therapy Association (AMTA) or the Certification Board for Music Therapists, Inc. (CBMT); postsecondary institutions, or a consortium of such institutions, that offer programs that are registered as leading to either licensure in music therapy or authorization to practice as a music therapist, or equivalent professional education programs accredited by an acceptable accrediting agency, for credit and non-credit offerings;

(c) an entity, hospital or health facility defined in section two thousand eight hundred one of the public health law;

(d) or an equivalent organization as determined by the department. Organizations that fall under the first three paragraphs listed above do not have to submit a fee or an application for approval as a provider of continuing education for music therapists. However, they must register with the state board for music therapy by completing an approved provider registration form. Educational institutions which provide education as part of a licensure qualifying program or sponsors who have had their course approved by the Certification Board for Music Therapists, Inc. (CBMT) do not need to submit an application. Courses approved by the CBMT automatically qualify for approval in New York state. The department may, in its discretion and as needed to contribute to the health and welfare of the public, require the completion of continuing competency learning activities in specific subjects to fulfill this mandatory

continuing competency requirement. Learning activities must be taken from a sponsor approved by the department, pursuant to the regulations of the commissioner.

6. A licensed professional music therapist or licensed clinical music therapist shall maintain adequate documentation of completion of acceptable continuing competency activities and shall provide such documentation at the request of the department. Failure to provide such documentation upon request of the department shall be an act of misconduct subject to the disciplinary proceedings pursuant to section sixty-five hundred ten of this title.

7. The mandatory continuing competency fee shall be forty-five dollars, payable on or before the first day of each triennial registration period, and shall be paid in addition to the triennial registration fee.
