Where a child receives transportation from the school he or she legally attends to an after-school child care location, such child shall be entitled to receive transportation from home to the school he or she legally attends in accordance with this subdivision. Transportation may be provided to any child attending grades kindergarten through eight between the school the child legally attends and before-and/or-after-school child care locations upon written request of the parent or legal guardian submitted not later than the first day of April preceding the next school year, provided, however, a parent or guardian of a child not residing in the district on such date shall submit a written request within thirty days after establishing residence in the district and provided further that in order to be considered eligible for such transportation in the nineteen hundred eighty-seven--eighty-eight school year, such request must be submitted by August first, nineteen hundred eighty-seven. The provision of transportation to or from before-and/or-after-school child care locations, if provided, shall be offered equally to all children in like circumstances residing in the district, provided that a board of education furnishing transportation pursuant to this paragraph may limit the provision of such transportation to child care locations located within the attendance zone of the school the child attends, and to child day care centers and school age child care programs licensed or registered pursuant to section three hundred ninety of the social services law located anywhere within the school district. The cost of providing such transportation between two or three miles, as the case may be, and fifteen miles shall be considered for the purposes of this chapter to be a charge upon the district. Such substitute transportation expense shall be eligible for state aid in accordance with [~~clause~~] **subparagraph** one of paragraph b of subdivision seven of section thirty-six hundred two of this chapter. Nothing in this subdivision shall be construed to impose a duty upon boards of education to provide transportation to or from before-and/or-after-school child care locations. Nothing in this subdivision shall be construed to authorize boards of education to provide to any child transportation between a before-and/or-after-school day care location and that child's home.

§ 2. This act shall take effect on the first of July next succeeding the date on which it shall have become a law.
