9 thousand dollars to any project, the agency must comply with the follow-
10 ing prerequisites:

11 1. The agency must adopt a resolution describing the project and the
12 financial assistance or payments in lieu of taxes that the agency is

14 in lieu of taxes shall be consistent with the uniform tax exemption

16 eight hundred seventy-four of this [~~chapter~~] title, unless the agency
17 has followed the procedures for deviation from such policy specified in
18 paragraph (b) of such subdivision.

19 2. The agency must hold a public hearing with respect to the project
20 and the proposed financial assistance or payments in lieu of taxes being
21 contemplated by the agency. Said public hearing shall be held in a city,
22 town or village where the project proposes to locate. At said public
23 hearing, interested parties shall be provided reasonable opportunity,

34 notice of hearing must state the time and place of the hearing, contain
35 a general, functional description of the project, describe the prospec-
36 tive location of the project, identify the initial owner, operator or

38 or payments in lieu of taxes contemplated by the agency with respect to
39 the project.

40 4. Each agency shall develop a standard application form, which shall

44 shall be submitted by or on behalf of the applicant, and subscribed and
45 affirmed under the penalties of perjury by the applicant, or on behalf
46 of the applicant by the chief executive officer or such other individual

55 ance or payments in lieu of taxes is requested, including the type of
56 project, proposed location and purpose of the project;

The labor market area defined by the agency for this purpose may include no more than six contiguous counties in the state, including the county in which the project is to be located;

5. Each agency shall develop, and adopt by resolution, uniform criteria for the evaluation and selection for each category of projects for which financial assistance or payments in lieu of taxes will be provided. At a minimum, the criteria shall require that, for each project, the following must occur prior to the approval of the provision of financial assistance or payments in lieu of taxes:

9 this article including, but not limited to, the provisions of this
10 section and subdivision one of section eight hundred sixty-two of this
11 [~~chapter~~] title; and

13 or plant within the state, notification by the agency to the chief exec-
14 utive officer or officers of the municipality or municipalities in which
15 the facility or plant was located.

16 6. Each agency shall develop a uniform agency project agreement that
17 sets forth terms and conditions under which financial assistance or

19 agreement shall be used by the agency and no financial assistance or
20 payments in lieu of taxes shall be provided in the absence of the
21 execution of such an agreement. The uniform agency project agreement

42 of providing such information, a copy of an executed payment in lieu of
43 tax agreement that contains the same information may be attached to the
44 uniform agency project agreement;

45 (e) provide for the suspension or discontinuance of financial assist-

50 (f) provide for the return of all or a part of the financial assist-
