The purposes of the state insurance fund are hereby enlarged to permit it to enter agreements with insurers licensed to write workers' compensation insurance in states outside New York to issue policies to state insurance fund policyholders covering those policyholders' obligations to secure the payment of workers' compensation benefits under the laws of states other than New York. An agreement under this subdivision shall not include the provision of claims services for any claim under this chapter.

b. For a policyholder to be eligible for insurance in states other than New York provided through agreements entered into under this subdivision, either: (i) the policyholder's workers' compensation premiums with the state insurance fund covering its employees under this chapter must be greater than the premiums charged to cover the policyholder's obligations to pay workers' compensation benefits in all states, in the aggregate, other than New York when covered under such agreements; or (ii) the payroll for the policyholder's operations in New York must be greater than the policyholder's payroll in all states, in the aggregate, other than New York when covered under such agreements for the prior policy period. 46 facilities and except for bonds issued pursuant to a resolution supple-  
47 mental to a resolution of the dormitory authority adopted prior to July  
48 first, nineteen hundred eighty-five, if the principal amount of bonds so  
49 to be issued when added to the principal amount of bonds previously  
50 issued pursuant to any such resolution, except bonds issued to refund or  
51 to be substituted for or in lieu of other bonds in relation to city

11 tax law, as amended by chapter 590 of the laws of 1994, is amended to  
12 read as follows:

13 Exemption of capital improvements to residential buildings and certain  
14 new construction.

15 § 2. Section 421-f of the real property tax law is amended by adding a  
16 new subdivision 1-a to read as follows:

17 1-a. Buildings classified as class one property in section eighteen  
18 hundred two of this chapter reconstructed, altered, improved, or newly  
19 constructed in a special assessing unit that is not a city shall be  
20 exempt from taxation and special ad valorem levies to the extent  
21 provided hereinafter in the same manner and to the same extent to coun-  
22 ty, town, special district and school district taxes levied on the  
23 assessment roll prepared by such special assessing unit. Additional  
24 buildings and yard improvements shall be excluded from receiving this  
25 exemption. An application shall not be required to receive the  
26 exemption.

27 § 3. Subdivisions 2 and 3 of section 421-f of the real property tax  
28 law, as amended by chapter 590 of the laws of 1994, subparagraph (ii) of  
29 paragraph (a) of subdivision 2 and subdivision 3 as further amended by  
30 subdivision (b) of section 1 of part W of chapter 56 of the laws of  
31 2010, are amended to read as follows:

32 2. (a) Such buildings shall be exempt for a period of one year to the  
33 extent of one hundred per centum of the increase in assessed value ther-  
34 eof attributable to such reconstruction, alteration or improvement, and  
35 new construction pursuant to subdivision one-a of this section, and for  
36 an additional period of seven years subject to the following:

37 (i) The extent of such exemption shall be decreased by twelve and  
38 one-half per centum of the "exemption base" each year during such addi-  
39 tional period. The "exemption base" shall be the increase in assessed  
40 value as determined in the initial year of the term of the exemption,  
41 except as provided in subparagraph (ii) of this paragraph.

42 (ii) In any year in which a change in level of assessment of fifteen  
43 percent or more is certified for a final assessment roll pursuant to the

45 fraction, the numerator of which shall be the total assessed value of  
46 the parcel on such final assessment roll (after accounting for any phys-  
47 ical or quantity changes to the parcel since the immediately preceding  
48 assessment roll), and the denominator of which shall be the total  
49 assessed value of the parcel on the immediately preceding final assess-  
50 ment roll. The result shall be the new exemption base. The exemption  
51 shall thereupon be recomputed to take into account the new exemption  
52 base, notwithstanding the fact that the assessor receives certification

1 of the change in level of assessment after the completion, verification  
2 and filing of the final assessment roll. In the event the assessor does  
3 not have custody of the roll when such certification is received, the  
4 assessor shall certify the recomputed exemption to the local officers  
5 having custody and control of the roll, and such local officers are  
6 hereby directed and authorized to enter the recomputed exemption certi-  
7 fied by the assessor on the roll. The assessor shall give written notice  
8 of such recomputed exemption to the property owner, who may, if he or

16 or resolution, of the property attributable to such reconstruction,  
17 alteration or improvement and any increase in market value greater than  
18 such amount shall not be eligible for the exemption pursuant to this  
19 section. In a special assessing unit that is not a city, the exemption  
20 shall be limited to seven hundred fifty thousand dollars in increased  
21 market value. For the purposes of this section, the market value of the  
22 reconstruction, alteration or improvement, or new construction as  
23 authorized by subdivision one-a of this section, shall be equal to the  
24 increased assessed value attributable to such reconstruction, alteration  
25 [~~or~~], improvement or new construction divided by the class [~~±~~] one ratio  
26 in a special assessing unit or the most recently established state  
27 equalization rate or special equalization rate in the remainder of the  
28 state, except where the state equalization rate or special equalization  
29 rate equals or exceeds ninety-five percent, in which case the increase

31 improvement or new construction shall be deemed to equal the market  
32 value of such reconstruction, alteration or improvement.

33 (b) [~~No~~] Except in a special assessing unit that is not a city, no  
34 such exemption shall be granted for reconstruction, alterations or  
35 improvements unless:

36 (i) such reconstruction, alteration or improvement was commenced  
37 subsequent to the effective date of the local law or resolution adopted  
38 pursuant to subdivision one of this section; and

39 (ii) the value of such reconstruction, alteration or improvement  
40 exceeds three thousand dollars; and

41 (iii) the greater portion, as so determined by square footage, of the  
42 building reconstructed, altered or improved is at least five years old.

43 (c) For purposes of this section the terms reconstruction, alteration  
44 and improvement shall not include ordinary maintenance and repairs.

45 3. [~~Such~~] Except in a special assessing unit that is not a city, such  
46 exemption shall be granted only upon application by the owner of such  
47 building on a form prescribed by the commissioner. The application shall  
48 be filed with the assessor of the city, town, village or county having  
49 the power to assess property for taxation on or before the appropriate  
50 taxable status date of such city, town, village or county. In a special  
51 assessing unit that is not a city, the exemption shall be applied based  
52 upon that completion of reconstruction, alteration, improvement or new  
53 construction on or before the applicable taxable status date of the  
54 special assessing unit; provided, however that the exemption for such  
55 reconstruction, alteration, improvement or new construction that  
56 occurred after the taxable status date of such special assessing unit

1 for the two thousand nineteen -- two thousand twenty assessment roll  
2 and on or before the taxable status date of such special assessing unit  
3 for the two thousand twenty -- two thousand twenty-one assessment roll  
4 shall be applied beginning with the two thousand twenty-one -- two thou-  
5 sand twenty-two assessment roll.

6 § 4. Subdivisions 5, 6 and 7 of section 421-f of the real property tax  
7 law, as amended by chapter 590 of the laws of 1994, are amended to read  
8 as follows:

9 5. For the purposes of this section, except in a special assessing  
10 unit that is not a city, a residential building shall mean any building  
11 or structure designed and occupied exclusively for residential purposes  
12 by not more than two families.

13 6. In the event that a building granted an exemption pursuant to this  
14 section ceases to be used primarily for residential purposes [~~or~~], is no  
15 longer classified as class one property in a special assessing unit that  
16 is not a city, or title thereto is transferred to other than the heirs  
17 or distributees of the owner in other than a special assessing unit that  
18 is not a city, the exemption granted pursuant to this section shall  
19 cease.

20 7. (a) [~~A~~] Except for a special assessing unit that is not a city, a  
21 county, city, town or village may, by its local law, or school district,  
22 by its resolution:

23 (i) reduce the per centum of exemption otherwise allowed pursuant to  
24 this section;

25 (ii) limit eligibility for the exemption to those forms of recon-  
26 struction, alterations or improvements as are prescribed in such local  
27 law or resolution;

28 (iii) provide that the exemption shall be applicable only to those  
29 improvements which would otherwise result in an increase in the assessed  
30 valuation of the real property but which consist of an addition, remodel-  
31 ing or modernization to an existing residential structure to prevent  
32 physical deterioration of the structure or to comply with applicable  
33 building, sanitary, health and/or fire codes.

34 (b) No such local law or resolution shall reduce or repeal an  
35 exemption granted pursuant to this section until the expiration of the  
36 period for which such exemption was granted.

37 § 5. Applicability. This act shall be applicable beginning with the  
38 two thousand twenty -- two thousand twenty-one assessment roll through  
39 and including the two thousand twenty-two -- two thousand twenty-three  
40 assessment roll.

41 § 6. Severability. If any clause, sentence, paragraph, section or part  
42 of this act shall be adjudged by any court of competent jurisdiction to  
43 be invalid and after exhaustion of all further judicial review, the  
44 judgment shall not affect, impair or invalidate the remainder thereof,  
45 but shall be confined in its operation to the clause, sentence, para-  
46 graph, section or part of this act directly involved in the controversy  
47 in which the judgment shall have been rendered.

1 Section 1. The correction law is amended by adding a new section 626  
2 to read as follows:

3 § 626. Medication assisted treatment in correctional facilities. 1.  
4 For purposes of this section "medication assisted treatment" means  
5 treatment of chemical dependence or abuse and concomitant conditions  
6 with medications requiring a prescription or order from an authorized  
7 prescribing professional.

8 2. (a) The commissioner, in conjunction with the office of alcoholism  
9 and substance abuse services, shall establish a program to be adminis-  
10 tered at correctional facilities within the department in the state, for  
11 the purpose of employing medication assisted treatment for inmates in  
12 such facilities who are undergoing treatment for a substance use disorder.  
13 Such program shall include all forms of medication assisted treat-  
14 ments approved for the treatment of a substance use disorder by the  
15 Federal Food and Drug Administration for the duration of an inmate's  
16 incarceration and shall provide an individualized treatment plan for  
17 each participant. After a medical screening, inmates who are determined  
18 to suffer from a substance use disorder, for which FDA approved  
19 addiction medications exist shall be offered placement in the medication  
20 assisted treatment program. Placement in such program shall not be  
21 mandatory. Each participating inmate shall work with an authorized  
22 specialist to determine an individualized treatment plan, including an  
23 appropriate level of counseling. Decisions regarding type, dosage, or  
24 duration of any medication regimen shall be made by a qualified health  
25 care professional licensed or certified under title eight of the educa-  
26 tion law who is authorized to administer such medication in conjunction  
27 with the inmate.

28 (b) i. Such program shall also include conditions for a reentry strat-  
29 egy for inmates who have participated in medication assisted treatment.  
30 Such strategy shall include, but not be limited to, providing each  
31 participating inmate with information on available treatment facilities  
32 in their area, information on available housing and employment  
33 resources, and any other information that will assist the inmate in  
34 continued recovery once released. Such program shall also assist the  
35 inmate in Medicaid enrollment, prior to release.

36 ii. Such program shall provide participating inmates preparing for  
37 release from prison with a one-week supply of any necessary medication,  
38 where permissible under federal laws and regulations to continue their  
39 medication assisted treatment in an effort to prevent relapse.

40 (c) Reentry planning and community supervision should include a colla-  
41 borative relationship between clinical and parole staff including shar-  
42 ing of accurate information regarding the inmate's participation in  
43 medication assisted treatment to ensure that their medication is not  
44 deemed illicit or illegal. Additionally, procedures shall be developed  
45 to assist any reentrant who communicates a relapse with their parole  
46 officer or who fails a drug test, to receive substance use disorder  
47 support in lieu of arrest and/or incarceration.

48 3. The commissioner shall submit within one year of the effective date  
49 of this section and annually thereafter, a report to the governor, the  
50 temporary president of the senate and the speaker of the assembly on the  
51 effectiveness of the program established pursuant to this section. Such  
52 reports shall include an analysis of the impact of such program on the  
53 participating inmates, including factors such as institutional adjust-  
54 ment, behavior infractions, reentry rates, HIV and hepatitis C treat-  
55 ment, and program participation, among related relevant factors. The  
56 reports shall also include the impact on institutional safety and

1 performance and any recommendations for additional legislative enact-  
2 ments that may be needed or required to improve or enhance the program  
3 as determined to be appropriate by the commissioner.

4 4. Participation in the medication assisted treatment program shall  
5 not be withheld from a qualified inmate. An inmate may enter into such  
6 program at any time during his or her incarceration. An inmate using  
7 medication assisted treatment prior to such inmate's incarceration shall  
8 be eligible to, upon request by such inmate, continue such treatment in  
9 the medication assisted treatment program for any period of time during  
10 the duration of such inmate's incarceration. No person shall be denied  
11 participation in the program on the basis of a positive drug screening  
12 upon entering custody or upon intake into the program; nor shall any  
13 person receive a disciplinary infraction for such positive drug screen-  
14 ing. No person shall be removed from, or denied participation in the  
15 program on the basis of having received any disciplinary infraction: (a)  
16 before entry into the program; or (b) during participation in the  
17 program.

18 § 2. Section 45 of the correction law is amended by adding a new  
19 subdivision 18 to read as follows:

20 18. Establish standards and guidelines for a program of medication  
21 assisted treatment for inmates in county jails and/or county correction-

36 jails.

37 2. The services to be provided by such program shall be in accordance  
38 with plans developed by participating local governmental units, in

41 and shall include, but not be limited to, the following:

42 (a) Alcohol, benzodiazepine, heroin and opioid withdrawal management;

43 (b) At least one formulation of every form of medication assisted  
44 treatments approved for the treatment of a substance use disorder by the  
45 Federal Food and Drug Administration necessary to ensure that each indi-  
46 vidual participating in the program receives the particular form found  
47 to be the most effective at treating and meeting their individual needs.  
48 The commissioner may allow jails a limited exemption to providing opioid  
49 full agonist treatment medications where the commissioner determines  
50 that no providers that have received the required accreditation are  
51 located within a reasonable distance of the facility. Jails that do not  
52 have the resources available to meet standards set forth herein may  
53 apply to the commissioner for a limited exception allowing such jail to  
54 enter into an agreement with a community- or jail-based program offering  
55 substance use disorder treatment and transition services to provide such

9 assisted treatment exists shall be offered placement in the medication  
10 assisted treatment program. Placement in such program shall not be  
11 mandatory.

12 (b) Each participating incarcerated individual shall work with an  
13 authorized specialist to develop an individualized treatment plan,  
14 including an appropriate level of counseling and planning for continuity  
15 of care upon return to the community.

16 (c) Decisions regarding type, dosage, or duration of any medication  
17 regimen shall be made by a qualified health care professional licensed  
18 or certified under title eight of the education law who is authorized to  
19 administer such medication in conjunction with the incarcerated individ-  
20 ual.

21 (d) Participation in the medication assisted treatment program shall  
22 not be unreasonably withheld from a qualified incarcerated individual.  
23 An incarcerated individual using medication assisted treatment prior to  
24 such individual's incarceration shall be eligible to, upon request by  
25 such individual, continue such treatment in the medication assisted  
26 treatment program for any period of time during the duration of such  
27 individual's incarceration.

28 (e) No person shall be denied participation in the program on the  
29 basis of a positive drug screening upon entering custody or upon intake  
30 into the program; nor shall any person receive a disciplinary infraction  
31 for such positive drug screening. No person shall be removed from, or  
32 denied participation in the program on the basis of having received any  
33 disciplinary infraction: (1) before entry into the program; or (2)  
34 during participation in the program.

35 4. Within amounts appropriated therefor, funding shall be made avail-

38 which shall take into consideration the local needs and resources as  
39 identified by local governmental units, the average daily jail popu-  
40 lation, the average number of persons incarcerated in the jail that  
41 require substance use disorder services and such other factors as may be  
42 deemed necessary.

43 5. Any jail-based substance use disorder treatment and transition  
44 services program that is already in operation at the time this act shall  
45 have become law and meets or exceeds the standards set forth in this  
46 section shall be deemed to have met the requirements of subdivisions one  
47 and two of this section. Such programs shall certify annually in writing  
48 to the commissioner that they have met or exceeded the standards set  
49 forth herein.

50 § 4. This act shall take effect on the one hundred twentieth day after  
51 it shall have become a law. Effective immediately, the addition, amend-  
52 ment and/or repeal of any rule or regulation necessary for the implemen-  
53 tation of this act on its effective date are authorized to be made on or  
54 before such date.

37 PART BBB

38 Section 1. Notwithstanding any provision contained herein or any other  
39 law to the contrary, the director of the budget may withhold all or some  
40 of the amounts appropriated herein in the 2021-22 adopted budget,  
41 including amounts that are to be paid on specific dates prescribed in  
42 law or regulation, from any local government entity which has a police  
43 agency operating with police officers as defined under section 1.20 of  
44 the criminal procedure law who, by April 1, 2021, fails to submit to the  
45 director of the budget the certification required by Executive Order 203  
46 issued on June 12, 2020 and titled "New York State Police Reform and

4 PART CCC

5 Section 1. This act enacts into law components of legislation that  
6 would enable public employers to offer a temporary retirement incentive  
7 to their employees, as well as to provide an age 55/25 years temporary  
8 incentive for certain public employees. Each component is wholly  
9 contained within a Subpart identified as Subparts A and B. The effective  
10 date for each particular provision contained within such Subpart is set  
11 forth in the last section of such Subpart. Any provision in any section  
12 contained within a Subpart, including the effective date of the Subpart,  
13 which makes reference to a section "of this act", when used in  
14 connection with that particular component, shall be deemed to mean and  
15 refer to the corresponding section of the Subpart in which it is found,  
16 unless noted otherwise. The benefits of this act shall not be applicable

20 retirement benefits provided for in this act are designed to achieve  
21 cost-savings for public employers and to avoid layoffs of public employ-  
22 ees in this time of fiscal need. Therefore, the retirement incentive  
23 benefit provided for in Subpart A of this act and the age 55/25 years  
24 retirement benefit provided for in Subpart B of this act are intended  
25 only to be temporary in nature for employees who are eligible to receive  
26 and qualify for the applicable benefit during the applicable time peri-  
27 ods specified within each Subpart. Further, nothing in this act shall be  
28 construed to create an expectation of a future or continuing retirement  
29 benefit for any public employee who is not eligible to receive and qual-  
30 ify for the retirement benefits in this act during the applicable time  
31 periods.

44 subdivision f of this section to offer the retirement incentive provided  
45 by this act, and (d) the chief executive officer or other comparable  
46 official for participating employers other than the community colleges.

47 h. "College faculty" means an employee, not in the classified service,

51 employees' retirement system or a participant in an optional retirement  
52 program.

54 provided that (a) a leave of absence with pay shall be deemed active  
55 service; (b) other approved leave without pay not to exceed twelve weeks

j. "Open period" means the period beginning with the commencement date as defined in subdivision k of this section and shall not be more than ninety days nor less than thirty days in length, as specified by the director of state operations or by a participating employer pursuant to section four of this act, by the appropriate board of trustees for the state university (including the association), the fund, the city university of New York or a community college operating under a program of the state university or by a state employer described in paragraphs (g), (h), (i) and (j) of subdivision d of this section; provided however that any such period shall not extend beyond September 30, 2021 for the executive branch of a state employer described in paragraphs (a) and (b) of subdivision d of this section (except for college faculty), not beyond December 31, 2021 for participating employers, college faculty for a state employer described in paragraph (b) of subdivision d of this section, state employers described in paragraphs (c), (d) and (e) of subdivision d of this section, not beyond January 31, 2022 for college faculty of an employer described in paragraph (f) of subdivision d of this section, and not beyond August 31, 2021 for educational employers. The director of state operations shall notify the head of the appropriate retirement system of the date of each open period applicable to employees of the executive branch or of a state employer prior to the commencement date.

§ 2. The determination of whether a title shall be considered eligible shall consider whether the reduction of a specific number of positions within a title would unacceptably:

a. Directly result in a reduction of the level of service required or mandated to protect and care for clients of the state or a participating employer or to assure public health and safety;

b. Endanger the health or safety of employees of the state or a participating employer; or

c. Clearly result in a loss of significant revenue to the state or a participating employer or result in substantially increased overtime or contractual costs. However, upon the determination of the director of state operations, with respect to employees of the executive branch of a state employer, any titles may be determined eligible if the vacancies created can be controlled by the use of transfer or reassignment provisions of the civil service law, rules or regulations or other deployment of state employees.

1 § 3. a. Eligibility for inclusion in the retirement incentive provided  
2 by section six of this act shall be determined: (a) by seniority: for

5 act, other than for college faculty; seniority shall mean the date of

22 of the applicable open period as such open period is determined by the  
23 director of state operations. Failure to provide such written notice  
24 shall render the employee ineligible for the retirement incentive  
25 provided by this act.

26 § 4. a. On or before August 31, 2021, a participating employer or a  
27 state employer described in paragraphs (b), (c), (d), (e) and (f) of  
28 subdivision d of section one of this act may elect to provide its  
29 employees the retirement incentive authorized by this act by (a) the  
30 enactment of a local law or (b) in the case of a participating employer  
31 which is not so empowered to act by local law or a state employer  
32 described in paragraphs (b), (c), (d), (e) and (f) of subdivision d of  
33 section one of this act, by the adoption of a resolution of its govern-  
34 ing body; provided however, no local law or resolution enacted pursuant  
35 to this section shall in any manner supersede any local charter,  
36 provided further, that for an educational employer such election must be  
37 made by July 30, 2021. The local law or resolution shall specify the  
38 commencement date of the program and the length of the open period. For  
39 a community college operating under the program of state university of  
40 New York, such election shall be made by the board of trustees of such  
41 community college subject to the approval of its sponsor. A copy of such  
42 law or resolution shall be filed with the appropriate retirement system  
43 or systems, and, if applicable, on forms provided by such system. The  
44 local law or resolution shall be accompanied by the affidavit of the  
45 chief executive officer or other comparable official certifying to the  
46 information contained in subdivision b of this section.

47 b. Notwithstanding any other provision of law, the benefits provided  
48 by this act shall not be made available to any person who (a) has

50 law, or (b) who receives, has received or is eligible to receive a  
51 payment in a lump sum or in another form from a retirement incentive  
52 pursuant to the provisions of a collective bargaining agreement or by  
53 other arrangement with his or her employer, unless such person files a  
54 written statement with his or her employer, a copy of which shall be  
55 forwarded to the appropriate retirement system, that he or she agrees to  
56 waive any right to such payment. A participating employer who makes an

1 election pursuant to this section and who offers or has offered a  
2 retirement incentive pursuant to the provisions of a collective bargain-  
3 ing agreement or by other arrangement shall prepare, and file with each  
4 retirement system, a list containing the names and social security  
5 numbers of all persons described in this subdivision. A participating  
6 employer is authorized to exempt persons in its employ from the  
7 provisions of paragraph (b) of this subdivision. Such exemption shall be  
8 made part of the election made pursuant to this section.

9 c. Notwithstanding any other provision of this act to the contrary,  
10 the mayor of the city of New York may declare employees of the community  
11 colleges of the city university of New York ineligible for the retire-  
12 ment incentive provided by this act by filing such notification with the  
13 chancellor of the city university of New York, with copies to the chair  
14 of the senate finance committee, the chair of the assembly ways and  
15 means committee and the director of the budget, in writing, no later  
16 than the thirtieth day next succeeding the effective date of this act.

17 § 5. Notwithstanding any other provision of law, any eligible employee  
18 serving in an eligible title who:

19 a. has been continuously in the active service of a state employer or  
20 of a participating employer from February 1, 2021 to the date immediate-

24 program and a duly acknowledged retirement incentive form for such  
25 program with the appropriate personnel office) that is effective during  
26 the open period; and

27 c. is otherwise eligible for a service retirement as of the effective  
28 date of the application for retirement shall be entitled to the retire-  
29 ment incentive provided in section six of this act. If not otherwise  
30 eligible for a service retirement, the following person shall be deemed  
31 to satisfy the eligibility condition of this section: a person who is at  
32 least age fifty with ten or more years service as of the effective date  
33 of retirement (other than a member of a retirement plan which provides  
34 for half-pay pension upon completion of twenty-five years or less  
35 service without regard to age); a member of a retirement plan which  
36 provides for half-pay pension upon completion of twenty-five years of  
37 service without regard to age who has not accrued, excluding additional  
38 credit granted pursuant to this act, the minimum number of years of  
39 service required to retire with an allowance equal to fifty percent of  
40 final average salary under such plan, but has, with the inclusion of the  
41 additional credit provided under this act, accrued such number of years  
42 of credit; or a participant in an optional retirement plan at least  
43 fifty years of age with ten years of service on an annual salary basis  
44 with his or her employer as of the date of retirement.

45 § 6. Notwithstanding any other provision of law, an eligible employee  
46 serving in an eligible title who is:

47 a. A member of a retirement system and who is entitled to a retirement  
48 incentive pursuant to section five of this act shall receive a retire-

50 for each year of pension service credited as of the date of retirement,  
51 up to a maximum of three years of retirement service credit at the time  
52 of retirement, provided, however, that service credit provided under the  
53 provisions of sections 902 and 911 of the retirement and social security  
54 law shall not be included when calculating the additional retirement  
55 credit awarded pursuant to this act. For the New York city teachers'  
56 retirement system, the New York city employees' retirement system and

1 the New York city board of education retirement system such incentive  
2 shall be available for all purposes, including fulfilling the qualifying  
3 service requirements of plan A and C, if applicable.

4 An eligible employee who is covered by the provisions of article 15 of  
5 the retirement and social security law shall retire under the provisions  
6 of article 15 of the retirement and social security law. The amount of  
7 such benefit for an eligible employee who is covered by article 15 of

9 of this section (other than a member with thirty or more years of  
10 service in the New York state and local employees' retirement system or  
11 a teachers' retirement system) shall be reduced by six percent for each  
12 of the first two years by which retirement precedes age sixty-two, plus  
13 a further reduction of three percent for each year by which retirement  
14 precedes age sixty, provided, however, the foregoing reductions shall  
15 not apply: (i) in any case where an eligible employee can retire after  
16 twenty-five years of service with immediate payability prior to the age  
17 of sixty-two pursuant to section 604-b of the retirement and social  
18 security law or (ii) to any time period subsequent to the point at which  
19 an eligible employee can retire for service without reduction of his or  
20 her service retirement allowance pursuant to article 16 of the retire-  
21 ment and social security law. Such reduction shall be prorated for  
22 partial years. The amount of such benefit for an eligible employee with  
23 thirty or more years of service who is a member of the New York state  
24 and local employees' retirement system or a teachers' retirement system  
25 or an eligible employee who is a participant in the optional twenty-five  
26 year early retirement program for certain New York city members governed  
27 by section 604-c of the retirement and social security law, as added by  
28 chapter 96 of the laws of 1995 or a twenty-five year participant in the  
29 age fifty-five retirement program governed by section 604-i of the  
30 retirement and social security law, with twenty-five or more years of  
31 service and who is covered by article 15 of the retirement and social  
32 security law shall be reduced by five percent for each year by which

35 years of service and who is a participant in the age fifty-seven retire-  
36 ment program governed by section 604-d of the retirement and social  
37 security law shall be reduced by one-thirtieth for the first two years  
38 by which retirement precedes age fifty-seven plus a further reduction of  
39 one-twentieth for each year by which retirement precedes age fifty-five.  
40 Such reduction shall be prorated for partial years. There shall be no  
41 reduction for an eligible New York city employee in a physically taxing  
42 position with twenty-five or more years of service and who is a partic-  
43 ipant (i) in the optional twenty-five year early retirement program for  
44 certain members governed by section 604-c of the retirement and social  
45 security law, as added by chapter 96 of the laws of 1995, or (ii) in the  
46 age fifty-seven retirement program governed by section 604-d of the  
47 retirement and social security law.

48 An eligible employee serving in an eligible title who is covered by

52 law other than a member of a teachers' retirement system or a member of  
53 the New York state and local employees' retirement system with thirty or

3 program for New York city teachers and certain other members governed by  
4 section 445-i of the retirement and social security law, with twenty-  
5 five or more years of service, shall be reduced by six percent for each  
6 of the first two years by which retirement pursuant to this section  
7 precedes age sixty-two, plus a further reduction of three percent for  
8 each year by which retirement pursuant to this section precedes age  
9 sixty, provided, however, the foregoing reductions shall not apply: (i)  
10 in any case where an eligible employee can retire pursuant to a plan  
11 which permits retirement for service with immediate payability, exclu-  
12 sive of this act, prior to the age of fifty-five or (ii) to any time  
13 period subsequent to the point at which an eligible employee can retire  
14 for service without reduction of his or her service retirement allowance  
15 pursuant to article 16 of the retirement and social security law. Such  
16 reduction shall be prorated for partial years. The amount of such bene-  
17 fit for an eligible employee who is a member of a teachers' retirement  
18 system or a member of the New York state and local employees' retirement  
19 system with thirty or more years of service, a participant in the

23 twenty-five or more years of service, or a participant in the optional  
24 age fifty-five retirement program for New York city teachers and certain  
25 other members governed by section 445-i of the retirement and social  
26 security law, with twenty-five or more years of service and who is  
27 covered by article 11 of the retirement and social security law shall be  
28 reduced by five percent for each year by which retirement pursuant to  
29 this section precedes age fifty-five. Such reduction shall be prorated  
30 for partial years. There shall be no reduction for an eligible New York  
31 city employee in a physically taxing position and who is a participant  
32 in the optional age fifty-five improved benefit retirement program for  
33 certain New York city employees governed by section 445-d of the retire-  
34 ment and social security law, as added by chapter 96 of the laws of  
35 1995, with twenty-five or more years of service.

36 An eligible employee serving in an eligible title who is not covered  
37 by article 11 or 15 of the retirement and social security law shall  
38 retire under the provisions of the plan by which he or she is covered.  
39 The amount of such benefit shall be reduced by five percent for each  
40 year by which retirement pursuant to this section precedes age fifty-  
41 five, provided, however, the foregoing reductions shall not apply: (i)  
42 in any case where an eligible employee can retire pursuant to a plan  
43 which permits retirement for service with immediate payability, exclu-  
44 sive of this act, prior to the age of fifty-five or (ii) to any time  
45 period subsequent to the point at which an eligible employee can retire  
46 for service without reduction of his or her service retirement allowance  
47 pursuant to article 16 of the retirement and social security law. Such  
48 reduction shall be prorated for partial years.

49 An eligible employee serving in an eligible title who participates in

51 fifty percent of final average salary upon the completion of twenty-five  
52 years of service without regard to age and who is otherwise eligible to  
53 retire shall retire under the provisions of such plan. Such employee  
54 shall, at the time of retirement, be credited with one-twelfth of a year  
55 of additional retirement service credit for each year of service credit-  
56 ed under such plan as of the date of retirement, up to a maximum of

1 three years of retirement service credit, subject to the provisions of  
2 subdivision b of this section. If such employee has not accrued, exclud-  
3 ing additional credit granted pursuant to this act, the minimum number  
4 of years of service required to retire with an allowance equal to fifty  
5 percent of final average salary under such plan, but has, with the  
6 inclusion of the additional credit provided under this act, accrued such  
7 number of years of credit, the benefit payable shall be the percentage  
8 of final average salary that would ordinarily be applicable to such  
9 individual upon retirement with such amount of credit (including incen-  
10 tive credit), reduced by five per centum per year for each year by which  
11 the number of years of service otherwise required to retire with an  
12 allowance equal to fifty percent of final average salary under such plan  
13 exceeds the amount of service credited to such employee under such plan  
14 at retirement (excluding the additional retirement incentive service  
15 credit provided pursuant to this act). Such reduction shall be prorated  
16 for partial years.

17 b. A participant in an optional retirement program who is entitled to  
18 a retirement incentive pursuant to section five of this act shall  
19 receive an additional employer contribution equal to an amount, which

22 annual salary rate in effect on March 1, 2021 or the effective date of  
23 this act if the employee retires prior to March 1, 2021), such amount  
24 not to exceed forty-five percent of such salary rate. Such contribution  
25 shall be made to the employee's retirement annuity under the optional  
26 retirement program up to the maximum contribution allowable under  
27 section 415 of the internal revenue code. Any contribution in excess of  
28 that limit shall be contributed by the employer to an internal revenue  
29 code section 403(b) contract on behalf of the employee to the extent it  
30 can be contributed on a before-tax basis under the maximum limits  
31 allowed under the internal revenue code. Contributions in excess of that  
32 amount shall be paid in cash to the participant in three equal install-  
33 ments during a twenty-four month period commencing on such eligible  
34 employee's effective date of retirement. Provided, however, if the  
35 employee is employed by the city university of New York and in the  
36 active service of such employer on October 1, 2021 or the effective date  
37 of this act if the employee retires prior to October 1, 2021, the

44 b. Notwithstanding any other provision of law, any termination pay or  
45 leave arising from accrued sick leave or accrued annual leave for an  
46 eligible employee who has elected the retirement incentive provided by  
47 this act and who is a member of the New York city teachers' retirement  
48 system employed by the board of education of the city of New York shall  
49 be paid in three equal installments during a twenty-four month period  
50 commencing on such eligible employee's effective date of retirement.

51 c. An employee of the city of New York or the city university of New  
52 York, as defined in subdivision 2 of section 6202 of the education law,  
53 who retires under the retirement incentive provided by this act, who is  
54 eligible for terminal leave pursuant to an applicable collective  
55 bargaining agreement or a personnel policy or rule or retirement leave

1 annual leave balance on the effective date of retirement shall be paid  
2 in three equal installments two months, fourteen months and twenty-four  
3 months following such eligible employee's effective date of retirement.

4 § 8. a. With respect to employees of the executive branch of a state  
5 employer, any position, other than a position supported by special  
6 revenue funds, vacated as a result of an eligible employee in an eligi-  
7 ble title receiving the retirement incentive provided by section six of  
8 this act shall be eliminated unless such position is identified by the  
9 director of state operations as one into which another state employee  
10 can be appointed, transferred or reassigned pursuant to the civil  
11 service law, rules or regulations, in which case the former position of  
12 the state employee so appointed, transferred or reassigned shall be  
13 eliminated.

14 b. The director of state operations shall direct the department of  
15 civil service to prepare a report designating the title, grade level,  
16 salary, and classification, according to appointing authority, (i) of  
17 each position which is eliminated pursuant to subdivision a of this  
18 section, (ii) of each position into which another state employee was  
19 appointed, transferred, or reassigned and the former position of such  
20 state employee, and (iii) of each position which is eliminated as a  
21 result of an appointment, transfer or reassignment referred to in para-  
22 graph (ii) of this subdivision. Such report shall be available no later  
23 than ninety days after the last date of the open period related to such  
24 positions.

25 § 9. Notwithstanding any inconsistent provision of section eight of  
26 this act or any other provision of law:

27 a. A participating employer or a state employer described in para-  
28 graphs (b) through (e) of subdivision d of section one of this act shall  
29 not be required to eliminate the positions of eligible employees in  
30 eligible titles receiving the retirement incentive provided by section  
31 six of this act if such employer can demonstrate that it will achieve a

33 the two-year period subsequent to the effective date of retirement for  
34 such eligible employees in eligible titles to those new hires, if any,  
35 who otherwise would not have been hired by such employer after the  
36 effective date of this act but for the retirement incentive provided  
37 herein shall be no more than one-half of the total amount of base salary  
38 that would have been paid to such eligible employees from their date of  
39 retirement for such two-year period. Each such employer shall make  
40 available its plans for achieving these savings.

41 b. The city of New York or the city university of New York, as defined  
42 in subdivision 2 of section 6202 of the education law, shall not be  
43 required to eliminate the positions of eligible employees in eligible  
44 titles receiving the retirement incentive provided by section six of  
45 this act if such participating employer can demonstrate that it will  
46 achieve a compensation or equivalent headcount savings such that the  
47 total amount of compensation including benefits paid for the two-year  
48 period subsequent to the effective date of retirement for such eligible  
49 employees in eligible titles to those new hires, if any, who otherwise  
50 would not have been hired by such employer after the effective date of  
51 this act but for the retirement incentive provided herein shall be no  
52 more than one-half of the total amount of base salary that would have  
53 been paid to such eligible employees from their date of retirement for  
54 such two-year period. For purposes of this subdivision, the "city of New

10 and the state employer described in paragraph (b) of subdivision d of  
11 section one of this act occurs pursuant to a voluntary transfer of state  
12 personnel, or otherwise, the provisions of subdivision a of this section  
13 with respect to achieving savings shall be applicable. Nothing herein

39 maximum retirement benefit, the additional benefit authorized by this  
40 act will be computed by multiplying the final average salary times the  
41 number of years of service credit granted by section six of this act  
42 times the benefit fraction of the plan under which such member retires.

43 § 13. The provisions of section 430 of the retirement and social secu-

11 that a state employer, participating employer which is not empowered to  
12 act by local law which elects to participate pursuant to section three  
13 of this act, or the city of New York if it elects to participate pursu-

26 described in paragraphs (b), (c), (d), (e) and (f) of subdivision c of  
27 section one of this act, by the adoption of a resolution of its govern-  
28 ing body; provided however, no local law or resolution enacted pursuant  
29 to this section shall in any manner supersede any local charter,  
30 provided further, that for an educational employer such election must be  
31 made by July 1, 2021. For a community college operating under the  
32 program of state university of New York, such election shall be made by  
33 the board of trustees of such community college subject to the approval

35 appropriate retirement system or systems, and, if applicable, on forms  
36 provided by such system. The local law or resolution shall be accompa-  
37 nied by the affidavit of the chief executive officer or other comparable  
38 official certifying the validity of such local law or resolution. The  
39 executive branch of the state shall be deemed to have made an election  
40 under this section upon its enactment.

41 § 4. Notwithstanding any other provision of law, any eligible employee  
42 who (a) has been continuously in the active service of a state employer  
43 or of a participating employer from February 1, 2021 to the date imme-

46 the open period, and (c) is otherwise eligible for a service retirement  
47 as of the effective date of the application for retirement shall be  
48 entitled to the retirement benefit provided in section five of this act.

50 employee who is: (a) a member of a retirement system and (b) who is  
51 entitled to a retirement benefit pursuant to section four of this act  
52 may retire during the open period without the reduction of his or her  
53 retirement benefit that would otherwise be imposed by article 11 or 15  
54 of the retirement and social security law if he or she has attained the  
55 age of fifty-five and has completed at least twenty-five or more years  
56 of creditable service. An eligible employee who is covered by the

1 provisions of articles 11 and 15 of the retirement and social security  
2 law shall retire under the provisions of articles 11 and 15 of the  
3 retirement and social security law.

4 b. The director of state operations, the chief executive officer of  
5 the city of New York, or chief executive officer or governing board, as  
6 appropriate, of the participating employer may deny participation in the  
7 retirement benefit provided by subdivision a of this section if the  
8 director of state operations, the chief executive officer of New York  
9 city or the chief executive officer or governing board of the partic-  
10 ipating employer makes a determination that the employee holds a posi-  
11 tion that is deemed critical to the maintenance of public health and  
12 safety.

13 c. Where an employee is eligible for the retirement benefit under this  
14 section and the retirement incentive authorized pursuant to section six  
15 of subpart A of part CCC of the chapter of the laws of 2021 which added  
16 this subpart, such employee shall elect a section under which he or she  
17 will participate. The benefits provided by subdivision a of this section  
18 shall not be conditioned upon a state or participating employer making  
19 the benefits of section six of subpart A of this part available to  
20 employees in their employ. Further, the benefits provided by subdivision  
21 a of this section shall not be available in conjunction with the bene-  
22 fits of section six of subpart A of part CCC of the chapter of the laws  
23 of 2021 which added this subpart.

24 d. The action of the director of state operations, the chief executive  
25 officer of the city of New York, or chief executive officer or governing  
26 board, as appropriate, of the participating employer in denying the  
27 retirement benefit provided for in subdivision a of this section to any  
28 individual shall be subject to review in the manner provided for in  
29 article 78 of the civil practice law and rules. Such action for review  
30 pursuant to article seventy-eight of the civil practice law and rules  
31 shall only be commenced by the individual that was denied the retirement  
32 benefit provided by subdivision a of this section.

33 e. After making any such determination under subdivision b of this  
34 section, the director of state operations, the chief executive officer  
35 of the city of New York and the chief executive officer or governing  
36 board, as appropriate, of the participating employer shall notify the  
37 appropriate retirement system or teachers' retirement system of its  
38 determination.

39 § 6. The pension benefit costs of section five of this act shall be  
40 paid by employers as provided by applicable law for each retirement  
41 system covered by this act over a period not to exceed five years  
42 commencing in the state fiscal year ending March 31, 2023.

43 § 7. This act shall take effect immediately.

44 § 3. Severability clause. If any clause, sentence, paragraph, subdivi-  
45 sion, section or subpart of this act shall be adjudged by any court of  
46 competent jurisdiction to be invalid, such judgment shall not affect,  
47 impair, or invalidate the remainder thereof, but shall be confined in  
48 its operation to the clause, sentence, paragraph, subdivision, section  
49 or subpart thereof directly involved in the controversy in which such  
50 judgment shall have been rendered. It is hereby declared to be the  
51 intent of the legislature that this act would have been enacted even if  
52 such invalid provisions had not been included herein.

53 § 4. This act shall take effect immediately; provided, however, that  
54 the applicable effective date of Subparts A and B of this act shall be  
55 as specifically set forth in the last section of such Subparts.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would provide a temporary retirement incentive for fiscal year 2021-2022 for eligible members of the New York State Teachers' Retirement System (NYSTRS).

Subpart A of the retirement incentive would provide certain eligible employees of employers who elect to participate a retirement incentive of one-twelfth of a year of additional service credit per year of accrued service credit up to a maximum of three additional years. To be eligible, a member must be eligible to retire, or have attained age 50 or greater, with at least ten years of service. Members subject to an early retirement reduction and less than age 55 at retirement will have their benefit further reduced by 3% per year prior to age 55. Members not subject to an early retirement reduction and less than age 55 at retirement will have their benefit reduced by 5% per year prior to age 55.

Subpart B of the retirement incentive would permit eligible Tier 2, 3 and 4 members of employers who elect to participate to retire without early retirement reductions upon attainment of at least age 55 with 25 years of service. Currently 30 years of service are required.

In order to receive either the Subpart A or Subpart B benefit, an eligible member of an employer who has elected to participate must retire during the employer's designated open period. For Subpart A, such open period shall be at least 30 but not more than 90 days in length and for educational employers, shall not extend beyond August 31, 2021. For Subpart B, the open period shall begin immediately after the election to participate and shall not extend beyond August 31, 2021. Members may not receive a benefit under both Subpart A and Subpart B. Employers participating in Subpart A or Subpart B (or both) would pay the cost of the retirement incentive over a period not to exceed five years, beginning in the state fiscal year ending March 31, 2023.

It is not possible to accurately forecast the total cost to the New York State Teachers' Retirement System employers electing to participate in this retirement incentive because the number of eligible members electing to retire under the incentive, their ages and the amount of service credited cannot be readily estimated. The Subpart A cost, measured as the increase in the present value of benefit per participating member, however, will range from 5% to approximately 250% of final average salary, depending on the member's age, years of service, and tier at retirement. The Subpart B cost per participating member will range from 3% to approximately 200% of final average salary, depending on the member's age, years of service, and tier at retirement. The potential number of members eligible to benefit under Subpart A is much greater than under Subpart B.

Member data is from the System's most recent actuarial valuation files, consisting of data provided by the employers to the Retirement System. Data distributions and statistics can be found in the System's Comprehensive Annual Financial Report (CAFR). System assets are as reported in the System's financial statements, and can also be found in the CAFR. Actuarial assumptions and methods are provided in the System's Actuarial Valuation Report.

The source of this estimate is Fiscal Note 2021-9 dated February 3, 2021 prepared by the Actuary of the New York State Teachers' Retirement System and is intended for use only during the 2021 Legislative Session. I, Richard A. Young, am the Actuary for the New York State Teachers' Retirement System. I am a member of the American Academy of Actuaries and I meet the Qualification Standards of the American Academy of Actuaries to render the actuarial opinion contained herein.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would provide additional service credit (one-twelfth of a year for each year of non-sick leave, non-Article 19 service credited as of the date of retirement, up to a maximum of three years) for certain members of the New York State and Local Employees' Retirement System, New York State Teachers Retirement System, New York City Teachers Retirement System, New York City Board of Education and the New York City Employees' Retirement System. Further, for certain members who are not otherwise eligible for a service retirement benefit, this bill would provide the ability to retire with reductions. This benefit would be available to only targeted positions.

In addition, this bill would eliminate the early retirement reductions at 25 years of service instead of at 30 years of service for retirement during a specified 90 day period for Tier 2, 3 and 4 members of the New York State and Local Employees' Retirement System, New York State Teachers Retirement System, New York City Teachers Retirement System, New York City Board of Education and the New York City Employees' Retirement System. Employers electing this provision can declare health and safety positions to be ineligible.

Retiring members may not receive both the additional service credit and the elimination of the early retirement reductions at 25 years of service instead of at 30 years of service.

If this bill is enacted, insofar as it affects the New York State and Local Employees' Retirement System (ERS), the additional cost for each member who receives these benefits will vary depending on the member's age, years of service, retirement plan and final average salary.

We anticipate that the per-member cost (at retirement) of the additional service credit benefit will average approximately 65% of a member's final average salary. This cost will be borne by each employer electing the incentive over a period not to exceed five years commencing with a payment in the State fiscal year ending March 31, 2023.

We anticipate that the per-member cost (at retirement) of the elimination of the early retirement reductions at 25 years of service instead of at 30 years of service will average approximately 115% of a member's final average salary. This cost will be borne by each employer electing the incentive over a period not to exceed five years commencing with a payment in the State fiscal year ending March 31, 2023.
