1 medical assistance; or (C) all assets transferred for less than fair  
2 market value have been returned to the individual or used on the indi-  
3 vidual's behalf; or

4 (iv) denial of eligibility would cause an undue hardship, such that  
5 application of the transfer of assets provision would deprive the indi-  
6 vidual of medical care such that the individual's health or life would  
7 be endangered, or would deprive the individual of food, clothing, shel-  
8 ter, or other necessities of life. The commissioner of health shall  
9 develop a hardship waiver process which shall include a timely process  
10 for determining whether an undue hardship waiver will be granted and a  
11 timely process under which an adverse determination can be appealed. The  
12 commissioner of health shall provide notice of the hardship waiver proc-

14 transfer of assets provision under this section. If such an individual  
15 is an institutionalized individual, the facility in which he or she is

18 personal representative of the individual[-]; or

19 (v) the transfer was to a family member or informal caregiver before  
20 the current period of institutional status, or before the application  
21 for Medicaid for non-institutional long-term care services, and all the  
22 following conditions are met:

23 (A) the transfer is in exchange for care services the family member or  
24 informal caregiver provided to the client or the client's spouse;

25 (B) the client or the client's spouse had a documented need for the  
26 care services provided by the family member or informal caregiver;

27 (C) the fair market value of the asset transferred is comparable to  
28 the fair market value of the care services provided; and

29 (D) the time for which care services are claimed is reasonable based  
30 on the kind of services provided.

31 § 3. Subparagraph 5 of paragraph (e) of subdivision 5 of section 366

34 (5) Any transfer made by an individual or the individual's spouse  
35 under subparagraph three of this paragraph shall cause the person to be  
36 ineligible for services for a period equal to the total, cumulative  
37 uncompensated value of all assets transferred during or after the look-  
38 back period, divided by the average monthly costs of nursing facility  
39 services provided to a private patient for a given period of time at the  
40 time of application, as determined pursuant to the regulations of the  
41 department. For purposes of this subparagraph, the average monthly costs  
42 of nursing facility services to a private patient for a given period of  
43 time at the time of application shall be presumed to be one hundred

51 the first day the otherwise eligible individual is receiving services  
52 for which medical assistance coverage would be available based on an  
53 approved application for such care but for the provisions of subpara-  
54 graph three of this paragraph, whichever is later, and which does not  
55 occur in any other periods of ineligibility under this paragraph, or  
56 (ii) for non-institutionalized individuals, the first day the otherwise

1 eligible individual is functionally eligible for services for which  
2 medical assistance would be available based on an approved application  
3 for such care but for the provisions of subparagraph three of this para-  
4 graph, whichever is later, and which does not occur in any other periods  
5 of ineligibility under this paragraph.

6 § 4. Subdivision 12 of section 366-a of the social services law, as

20 provided the non-institutionalized individual applicant shall submit  
21 complete documentation of assets during the look-back period within
