LBD06457-08-1
§ 600. Legislative findings. The legislature finds that it is in the public interest to ensure that New Yorkers are not rendered homeless or severely financially burdened because of an inability to pay the cost of housing and other necessities due to loss of income, increased necessary out-of-pocket expenses, or difficulty in securing alternative housing related to the widespread outbreak of the coronavirus commonly known as COVID-19. The legislature further finds that providing funding for households to pay rent and utility costs that they would otherwise have difficulty paying will promote the stability and proper maintenance of the rental housing stock and assist communities in recovering from the adverse social and economic effects of the COVID-19 outbreak.

§ 601. Definitions. For the purposes of this article:

1. "Commissioner" shall mean the state commissioner of social services as defined in section two of the social services law.

2. "E-payment application transaction" shall mean a financial transaction conducted on an online payment application. Such applications include but are not limited to: Zelle, Cash App, Paypal, Venmo, Xoom, Circle Pay, Google Pay, Facebook Messenger, Apple Pay, WeChat Pay, AliPay, and KakaoPay.

The term "income" shall not include: employment income from children under eighteen years of age, employment income from individuals eighteen years of age or older who are full-time students and are eligible to be claimed as dependents pursuant to Internal Revenue Service regulations, foster care payments, sporadic gifts, groceries provided by persons not living in the household, supplemental nutrition assistance program benefits, or the earned income tax credit.

6. "Manufactured home tenant" shall have the same meaning as defined by section two hundred thirty-three of the real property law.

10. "Small area fair market rent" shall mean the fair market rent for each zip code within a large metropolitan area as promulgated annually by the United States department of housing and urban development's office of policy development and research.

11. "Utility arrears" shall mean unpaid payments to providers of utility services accrued on or after March thirteenth, two thousand twenty, the date of the emergency declaration pursuant to section 501(b) of the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. 5191(b), for separately-stated electricity, gas, water, sewer, trash removal and energy costs, such as fuel oil.

§ 602. Authority to implement emergency rental and utility assistance.

1. The commissioner is hereby authorized and directed to implement, as soon as practicable, a program of rental and utility assistance for those eligible pursuant to section six hundred four of this article.

2. Such program shall be funded with: (a) all funds received by the state from the federal Emergency Assistance Program; (b) any funds remaining that were allocated from the federal Coronavirus Aid, Relief, and Economic Security (CARES) Act of 2020 (P.L. 116-136) for the Emergency Rent Relief Act of 2020, pursuant to chapter one hundred twenty-five of the laws of two thousand twenty, such that the sum of such funds actually expended pursuant to such chapter and that such funds reallocated and expended pursuant to this article shall equal one hundred million dollars; (c) any additional funds received from the federal government by the state of New York for assistance with rent or utilities related to the COVID-19 pandemic, including any funds for such purposes received by the state pursuant to the federal American Rescue Plan Act; and (d) any state funds appropriated for such program.

3. The commissioner shall work with localities throughout the state that have received funds directly from the federal Emergency Rental Assistance Program so that one central point of application shall be made available for any and all federal Emergency Rental Assistance Program funds and any such additional funds in the state of New York.

4. The commissioner shall adopt, on an emergency basis pursuant to subdivision six of section two hundred two of the state administrative procedure act, any rules necessary to carry out the provisions of this article.

5. The commissioner may delegate the administration of any portions of this program to any state agency, city, county, town, public housing authority, or non-profit organization in accordance with the provisions of this article.

§ 603. Allocation among the city of New York and the respective counties of the state. The commissioner and each locality in receipt of funds from the federal Emergency Rental Assistance Program shall work jointly to ensure that, in total, the allocation of funds from this
program for households within the city of New York or within each county outside the city of New York, whether granted to the state or directly to such localities is no less than ninety percent of the proportional share of all renter households in the state that reside in such city or county, as promulgated by the American Community Survey (ACS) from the United States census bureau, and no more than one hundred ten percent of such proportional share.

§ 604. Eligibility. The commissioner shall promulgate standards for determining eligibility for this program.

1. All households, regardless of immigration status, shall be eligible for rental assistance, utility assistance, or both if the household:
   (a) is a tenant or occupant in their primary residence in the state of New York, including both tenants and occupants of dwelling units and manufactured home tenants;
   (b) includes an individual who qualifies for unemployment or experienced a reduction in household income, incurred significant costs, or experienced other financial hardship due, directly or indirectly, to the COVID-19 outbreak;
   (c) demonstrate a risk of experiencing homelessness or housing instability; and
   (d) has a household income at or below eighty percent of the area median income, adjusted for household size.

2. Households who would otherwise be eligible for this program pursuant to subdivision one of this section but for a household income that exceeds eighty percent of the area median income adjusted for household size shall be eligible pursuant to this subdivision if they have a household income at or below one hundred twenty percent of the area median income adjusted for household size, provided that assistance for those eligible pursuant to this subdivision shall be paid for only with state funds allocated for this purpose.

3. For the purposes of this program, income may be considered:
   (a) the household's total income for calendar year two thousand twenty; or
   (b) the household’s current monthly income at the time of application for such assistance. If a household is applying for assistance using current monthly income, the household shall only be eligible for assistance for the months during which they meet the criteria in subdivision one of this section.

4. In addition to the eligibility criteria in subdivision one of this section, the commissioner may promulgate limits on assets as part of any determination of eligibility for this program. The commissioner shall exclude from any calculation of assets made pursuant to this section assets held in a tax-deferred or comparable retirement savings account or any vehicle used regularly by a member of the household.

5. The commissioner shall establish preferences in processing applications and allocating funds under this program. Such preferences shall at a minimum prioritize each of the following:
   (a) households whose income does not exceed fifty percent of the area median income adjusted for household size; and
   (b) households within which one or more individuals are unemployed as of the date of the application for assistance and have not been employed for the ninety days preceding such date.

6. The commissioner may also grant preferences for households who:
   (a) are tenants of mobile homes or mobile home parks whose arrears have accrued for the land on which the mobile home is located;
(b) include one or more individuals who are victims of domestic violence;
(c) apply jointly with their landlord; or
(d) have eviction cases that are pending on or before February first, two thousand twenty-one; provided that among households granted a preference because they apply jointly with their landlord, the commissioner may grant an additional preference for households whose landlord is a non-profit provider of affordable housing; provided further that any preference granted pursuant to this subdivision shall not supersede either of the preferences granted pursuant to subdivision five of this section.

7. A household may apply for utility assistance, rental assistance, or both.

8. Nothing in this article shall be construed to disqualify applications from tenants of state-funded public housing agencies.

9. No rental assistance provided pursuant to this article shall be duplicative of assistance for rent or rental arrears previously received by the household.

10. Any ambiguity in eligibility criteria promulgated by the commissioner shall be resolved in favor of the applicant when determining eligibility.

11. Any information collected about a household in the process of determining eligibility shall solely be used for the purposes of determining eligibility and shall not be shared with any other governmental agency.

12. An individual full-time college student or a household consisting exclusively of full-time college students is ineligible for this program unless each individual in the household satisfies the following conditions:
   (a) the individual shall have established a household separate from his or her parents or legal guardians for at least one year prior to application for admission or shall meet the United States department of education's definition of independent student; and
   (b) the individual shall not be claimed as a dependent by his or her parents or legal guardians pursuant to internal revenue service (IRS) regulations.

§ 605. Application. 1. As soon as practicable and no later than fourteen days after the effective date of this article, the commissioner shall make an application for the program available on its website. The application shall be available online in English, Spanish, Chinese, Russian, Yiddish, Haitian (French Creole), Bengali, and Italian. The commissioner shall enable applications to be accepted via telephone. The application period shall remain open for a minimum of one hundred eighty days unless all available funding has been allocated prior to the expiration of one hundred eighty days.

2. The commissioner shall designate non-for-profit organizations that shall be permitted to assist households in applying for assistance and such organizations shall be permitted to file applications on behalf of such households.

3. The commissioner shall provide for procedures under which a landlord or owner of a residential dwelling shall be permitted to submit an application for assistance on behalf of a tenant or occupant of such dwelling. Such landlord or owner shall be required to:
   (a) obtain the signature of the tenant on such application, which may be documented electronically;
   (b) provide the tenant with documentation of such application;
(c) use any payments received pursuant to this article solely to satisfy the tenant's rental obligations to the landlord or owner; and
(d) keep confidential any information or documentation from or about the tenant acquired pursuant to this application process.

4. Upon receipt of an application, the commissioner shall make available a tracking number by which both the applicant household and landlord of the applicant household may track the status of the application.

§ 606. Documentation. The commissioner shall establish procedures that are appropriate and necessary to assure that information necessary to determine eligibility provided by households applying for or receiving assistance under this article is complete and accurate. Documentation may include but is not limited to: a signed lease, rent demand notice, paycheck stubs, earning statements, bank statements, tax records, W-2 or 1099 forms, e-payment application transaction history, written statements from a former or current employer, telephone or in-person contact with a former or current employer, self-attestation by the applicant, or other methods approved by the commissioner. When self-attestation is used as documentation, the applicant shall also attest that the applicant has no other documentation available. When self-attestation is used to certify rent owed, the applicant shall also attest that the household has not received, and does not anticipate receiving, another source of public or private subsidy or assistance for the rental costs that are the subject of the attestation, and such assistance may only be provided for three months at a time. All payments for utilities and home energy costs shall be supported by a bill, invoice, or evidence of payment to the provider of the utility or home energy service.

§ 607. Restrictions on eviction. Eviction proceedings for non-payment of rent that would be eligible for coverage under this program shall not be commenced against a household who has applied for this program unless or until a determination of ineligibility is made. If eviction proceedings are commenced against a household who subsequently applies for benefits under this program, all proceedings for missed rent payments during the covered period shall be stayed until a determination of ineligibility has been made.

§ 608. Payments. 1. Payments shall be made for rental and/or utility arrears accrued on or after March thirteenth, two thousand twenty. No more than twelve months of rental and/or utility assistance, both arrears or prospective, may be paid on behalf of or to any household within the first sixty days after the start of the application period. No prospective rent may be paid unless or until all rental arrears payments have been made to or on behalf of households who are eligible for this program pursuant to section six hundred four of this article.

2. If all eligible households whose applications are received within sixty days of the start of the application period receive assistance, the commissioner may pay an additional three months of rental and/or utility assistance for rental or utility arrears accrued after the date of application or prospective rent. No household may receive more than fifteen months of total rental and/or utility assistance. Eligibility for assistance shall be reassessed for each household before rental assistance is issued pursuant to this subdivision.

3. Payments for rental arrears or prospective rent shall be the lesser of the monthly rent for the applicant or one hundred fifty percent of the fair market rent for the dwelling unit, except when rental assistance amounts are documented via self-attestation, in which case the maximum payment allowable shall be the greater of one hundred percent of fair market rent or one hundred percent of the small area fair market rent.
rent, though no payment certified by self-attestation shall be greater than the monthly rent. The rental assistance shall be paid directly to the landlord of the dwelling unit or manufactured home park occupied by the household for the total amount of qualified rental arrears and prospective rental assistance pursuant to subdivision one of this section. Utility assistance shall be paid directly to the utility. The commissioner shall require reasonable efforts to be made to obtain the cooperation of landlords and utility providers to accept payments from this program. Such outreach may be considered complete if (a) a request for participation has been sent in writing, by mail, to the landlord or utility provider and the addressee has not responded to the request within fourteen calendar days after mailing; (b) at least three attempts by phone, text, or e-mail have been made over a ten calendar day period to request the landlord or utility provider’s participation; or (c) a landlord or utility provider confirms in writing that the landlord or utility provider does not wish to participate. The outreach attempts or notices to the landlord or utility provider shall be documented.

4. If the landlord or utility provider is uncooperative or unresponsive after outreach efforts are made pursuant to subdivision three of this section, the commissioner may make payments directly to the eligible household for the purpose of enabling the household to make payments to the landlord or utility provider. The commissioner may require documentation from any households receiving such payments that monies received were used in compliance with this program.

5. Acceptance of payment for rental arrears from this program shall constitute agreement by the recipient landlord or property owner:
   (a) to waive any late fees due on any rental arrears;
   (b) to keep constant the monthly rent due for the dwelling unit such that it shall remain the same as the amount that was due at the time of payment for one year after the first rental assistance payment is received; provided that any rent increase that would otherwise be due pursuant to the rent stabilization law of 1969 or the emergency tenant protection act of 1974 shall go into effect at the end of the one-year period provided for in this paragraph and the rent held constant during the one-year period shall not be considered a preferential rent; and
   (c) not to evict for reason of expired lease or holdover tenancy any household on behalf of whom rental assistance is received for one year after the first rental assistance payment is received. Where the dwelling unit that is the subject of the lease or rental agreement is located in a building that contains four or fewer units, the landlord may decline to extend the lease or tenancy if the landlord intends to immediately occupy the unit for the landlord’s personal use as a primary residence or the use of an immediate family member as a primary residence.

§ 609. No repayment and assistance not considered income. Eligible households shall not be expected or required to repay any assistance granted through this program. Assistance granted through this program shall not be considered income for purposes of eligibility for public benefits or other public assistance, but shall be considered a "source of income" for purposes of the protections against housing discrimination provided under section two hundred ninety-six of the human rights law. There shall be no requirement for applicants to seek assistance from other sources, including charitable contributions, in order to be eligible for assistance under this program.

§ 610. Notice to tenants in eviction proceedings. In any eviction proceeding pending as of the effective date of this article and any
eviction proceeding filed while applications are being accepted for assistance pursuant to this article, the court shall promptly mail the respondent information regarding how the respondent may apply for such assistance in English, and, to the extent practicable, in the respondent's primary language, if other than English.

§ 611. Notice to tenants receiving rent demands. With every written demand for rent made pursuant to subdivision two of section seven hundred eleven of the real property actions and proceedings law, with any other written notice required by the lease or tenancy agreement, law or rule to be provided prior to the commencement of an eviction proceeding, and with every notice of petition served on a tenant after the effective date of this article and while applications are being accepted for assistance pursuant to this article, the landlord shall provide information regarding how a tenant may apply for such assistance, in a form promulgated and published by the commissioner in consultation with the office of court administration, in English, and, to the extent practicable, in the tenant's primary language, if other than English.

§ 612. Notice to applicants for assistance under the emergency rent relief act of 2020. The commissioner, in consultation with the commissioner of the division of housing and community development, shall provide notice of how to apply for assistance pursuant to this article to each tenant or occupant who applied for assistance under the emergency rent relief act of 2020, pursuant to chapter one hundred twenty-five of the laws of two thousand twenty. Such notice shall be provided in English, and, to the extent practicable, in the tenant's primary language, if other than English.

§ 613. Outreach. The commissioner shall ensure that extensive outreach is conducted to increase awareness of this program among tenants and landlords. The commissioner shall prioritize for outreach communities where the median income of residents is less than eighty percent of the area median income for the region, communities with the highest unemployment rates, and communities that experienced the highest rates of COVID-19 infections during the pandemic, and to the extent practicable, communities with high rates of ownership of rental housing by small landlords. The commissioner shall ensure that such outreach is conducted with materials written in the languages listed in subdivision one of section six hundred five of this article, and to the extent practicable in other languages commonly spoken by residents of those communities required to be prioritized pursuant to this section, as per the most recent American Community Survey from the United States Census Bureau.

§ 614. Fair housing obligations. Nothing in this article shall lessen or abridge any fair housing obligations promulgated by the federal government, state, municipalities, localities, or any other applicable jurisdiction.

§ 615. Reports by the commissioner. The commissioner shall, on or before the twentieth day of each month for the duration of the program, submit and make publicly available on its website a report to the governor, the temporary president of the senate, and the speaker of the assembly, indicating: the number of applicants that have applied for rental assistance only; the number of applicants that have applied for utility assistance only; the number of applicants that have applied for each combination of rental assistance, utility assistance, and assistance with other expenses related to housing; the number of such applicants of each of the three foregoing types, with incomes between zero to twenty-five percent, twenty-five to fifty percent, and fifty-one to eighty percent of the area median income; the average and median rental
arrears of the applicants with incomes between zero to twenty-five percent, twenty-five to fifty percent, and fifty-one to eighty percent of the area median income; the number of applications of each type of assistance approved, the number of applications of each type of assistance rejected, the average and median amount of rental assistance granted, the average and median utility assistance granted, the status of any pending applications, the monthly expenditures made pursuant to this article for each type of assistance. Each number required to be included in the report shall be reported as a statewide total from the start of the program through the end of the preceding calendar month and as a subtotal for each county, based on the location of the premises for which the applicant has sought assistance.

§ 3. The social services law is amended by adding a new section 131-bb to read as follows:

§ 131-bb. Proof of eligibility for rental assistance. Under no circumstances shall a local social services district require proof that a court proceeding has been initiated against a tenant as a condition of eligibility for a rent arrears grant or ongoing rental assistance including rental assistance provided pursuant to this article.

§ 4. Section 131-w of the social services law, as added by chapter 41 of the laws of 1992, is amended to read as follows:

The districts shall enforce the repayment agreements by any legal method available to a creditor, in addition to any rights it has pursuant to this chapter. The department shall promulgate regulations to implement this section which shall, among other things, establish standards for the contents of repayment agreements and establish standards to ensure that assistance is provided only in emergency circumstances.

Persons whose gross household income exceeds the public assistance standard of need for the same size household must sign a repayment agreement to repay the assistance within two years of the date of payment as a condition of receiving assistance, in accordance with regulations established by the department. Such repayment agreement may be enforced in any manner available to a creditor, in addition to any rights the district may have pursuant to this chapter.

For purposes of this section, overpayment shall include payments made to an eligible person in excess of his needs as defined in this chapter and payments made to ineligible persons (including payments made to such persons pending a fair hearings decision). The commissioner shall promulgate regulations to implement procedures for correcting overpayments and underpayments. The procedures for correcting overpayments shall be designed to minimize adverse impact on the recipient, and to the extent possible avoid undue hardship. Notwithstanding any other provision of

in its operation to the clause, sentence, paragraph, subdivision,
section or part of this act directly involved in the controversy in
which such judgment shall have been rendered. It is hereby declared to
be the intent of the legislature that this act would have been enacted
even if such invalid clause, sentence, paragraph, subdivision, section
or part had not been included herein.

an accurate and timely effective data base of the official text of the
laws of the state of New York in furtherance of effectuating the
provisions of section 44 of the legislative law and section 70-b of the
public officers law.
