1. The commissioner shall, as soon as practicable, conduct a study to identify and map those individual freshwater wetlands in the state of New York ~~[which shall have an area of at least twelve and four-tenths acres or more, or if less than twelve and four-tenths acres, (a) have, in the discretion of the commissioner unusual local importance for one or more of the specific benefits set forth in subdivision seven of section 24-0105 of this article]~~ as defined in section 24-0107 of this article or (b) that are located within the Adirondack park and meet the definition of wetlands contained in subdivision sixty-eight of section eight hundred two of the executive law, and shall determine their characteristics. This study shall, in addition to such other data as the commissioner may determine to be included, consist of the freshwater wetlands inventory of the department ~~[of environmental conservation]~~, currently being made, together with other available data on freshwater wetlands, whether assisted by the state of New York under the tidal wetlands act or otherwise, or assembled by federal or local governmental or private agencies, all of which information shall be assembled and integrated, as applicable, into a map of freshwater wetlands of the state of New York. Such study may, in the discretion of the commissioner, be carried out on a sectional or regional basis, as indicated by need, subject to overall completion in an expeditious fashion subject to the terms of this chapter. ~~[This map, and any orders issued pursuant to the provisions of this article, shall comprise a part of the statewide environmental plan as provided for in section 3-0303 of this chapter.]~~

1 As soon as practicable the commissioner shall file with the secretary of  
2 state a detailed description of the technical methods and requirements  
3 to be utilized in compiling the inventory, and he shall afford the  
4 public an opportunity to submit comments thereon.

5 2. Upon completion of a freshwater wetlands inventory, the commissioner  
6 shall prepare a [~~tentative~~] draft freshwater wetlands map delineating  
7 the boundaries of such wetlands as determined by the study and inventory  
8 conducted pursuant to subdivision one of this section. The map may be  
9 prepared for different sections or regions of the state separately, as  
10 the commissioner shall determine. The commissioner shall consult and  
11 cooperate with the Adirondack park agency in the preparation of a  
12 [~~tentative~~] draft freshwater wetlands map for any area within the  
13 Adirondack park.

14 3. The [~~tentative~~] draft freshwater wetlands map shall set forth the  
15 boundaries of such wetlands as accurately as is practicable to inform  
16 the owners thereof, the public and the department of the approximate  
17 location of the actual boundaries of the wetlands, subject to motion for  
18 delineation pursuant to this section, or more precise definition thereof  
19 in the discretion of the commissioner. The commissioner shall take into  
20 consideration, whenever possible, the boundaries of the local government  
21 or governments within which the wetlands are located.

22 4. Upon completion of the [~~tentative~~] draft freshwater wetlands map  
23 for a particular area, the commissioner or his designated hearing offi-  
24 cer shall hold a public hearing in that area in order to afford an  
25 opportunity for any person to propose additions or deletions from such  
26 map. The commissioner shall give notice of such hearing to [~~each owner~~  
27 ~~of record as shown on the latest completed tax assessment rolls, of~~  
28 ~~lands designated as such wetlands as shown on said map and also to~~] the  
29 chief administrative officer and clerk of each local government within  
30 the boundaries of which any such wetland or a portion thereof is located  
31 and, in the case of a [~~tentative~~] draft freshwater wetlands map for any  
32 area within the Adirondack park, to the Adirondack park agency, by  
33 certified mail not less than thirty days prior to the date set for such  
34 hearing and shall assure that a copy of the relevant map is available  
35 for public inspection at a convenient location in such local government.  
36 The map filed with a local government may, at the local government's  
37 request, be either a physical copy of the [~~tentative~~] draft freshwater  
38 wetlands map, or, if available, a digital file that represents it. The  
39 commissioner shall also cause notice of such hearing to be published at  
40 least once, not more than thirty days nor fewer than ten days before the  
41 date set for such hearing, in at least two newspapers having general  
42 circulation in the area where such wetlands are located. The commission-  
43 er may post on the department's website a digital image that represents  
44 the [~~tentative~~] draft freshwater wetlands map.

45 5. [~~After considering the testimony given at such hearing and any~~  
46 ~~other facts which may be deemed pertinent, after considering the rights~~  
47 ~~of affected property owners and the ecological balance in accordance~~  
48 ~~with the policy and purposes of this article, and, in the case of~~  
49 ~~wetlands or portions thereof within the Adirondack park, after consult-~~  
50 ~~ing with the Adirondack park agency, the commissioner shall promulgate~~  
51 ~~by order the final freshwater wetlands map. Such order shall not be~~  
52 ~~promulgated less than sixty days from the date of the hearing required~~  
53 ~~by subdivision four of this section. A copy of the order, together with~~  
54 ~~a copy of such map or relevant portion thereof shall be filed in the~~  
55 ~~office of the clerk of each local government in which each such wetland~~  
56 ~~or a portion thereof is located and, in the case of a map for any area~~

1 ~~within the Adirondack park, with the Adirondack park agency.] After~~  
2 ~~consideration of comments from the public the commissioner may make~~  
3 ~~alterations to the draft map consistent with section 24-0107 of this~~  
4 ~~article. The commissioner shall finalize the map and file a copy of the~~  
5 ~~map with the office of the clerk of each local government with jurisdic-~~  
6 ~~tion over part or all of the region shown on the map.~~ The map filed with  
7 a local government may, at the local government's request, be either a  
8 physical copy of the final freshwater wetlands map, or, if available, a  
9 digital file that represents it. ~~[The commissioner shall simultaneously~~  
10 ~~give notice of such order to each owner of lands, as shown on the latest~~  
11 ~~completed tax assessment rolls, designated as such wetlands by mailing a~~  
12 ~~copy of such order to such owner by certified mail in any case where a~~  
13 ~~notice by certified mail was not sent pursuant to subdivision four of~~  
14 ~~this section, and in all other cases by first class mail. The commis-~~  
15 ~~sioner shall also give notice of such order at such time to the chief~~  
16 ~~administrative officer of each local government within the boundaries of~~  
17 ~~which any such wetland or a portion thereof is located. At the time of~~  
18 ~~filing with such clerk or clerks, the commissioner shall also cause a~~  
19 ~~copy of such order to be published in at least two newspapers having~~  
20 ~~general circulation in the area where such wetlands are located.]~~ The  
21 commissioner may post on the department's website a digital image that  
22 represents the final freshwater wetlands map.

23 6. Except as provided in subdivision eight of this section, the  
24 commissioner shall supervise the maintenance of such boundary maps,  
25 which shall be available to the public for inspection and examination at  
26 the regional office of the department in which the wetlands are wholly  
27 or partly located and in the office of the clerk of each county in which  
28 each such wetland or a portion thereof is located. The commissioner may  
29 readjust the map thereafter to clarify the boundaries of the wetlands,  
30 to correct any errors on the map, to effect any additions, deletions or  
31 technical changes on the map, and to reflect changes as have occurred as  
32 a result of the granting of permits pursuant to section 24-0703 of this  
33 article, or natural changes which may have occurred through erosion,  
34 accretion, or otherwise. Notice of such readjustment shall be given in  
35 the same manner as set forth in subdivision ~~[five]~~ four of this section  
36 for the ~~[promulgation]~~ development of final freshwater wetlands maps.  
37 ~~[In addition, at the time notice is provided pursuant to subdivision~~  
38 ~~five of this section, the commissioner shall update any digital image of~~  
39 ~~the map posted on the department's website to reflect such readjust-~~  
40 ~~ment.]~~
