36 specific policy or procedural recommendations that will be presented by  
37 the participant.

7 the hearing or proceeding. If the department finds that the participant  
8 requesting compensation may make a substantial contribution, the depart-  
9 ment shall describe this substantial contribution and determine the  
10 amount of compensation to be paid pursuant to subdivision four of this

36 the claim of financial hardship by a participant seeking payment pursu-  
37 ant to paragraph (c) of subdivision two of this section.

38 (ii) The department may use the record of expenditures in determining,  
39 after the completion of a proceeding, if any unused funds remain.

40 (iii) The department shall preserve the confidentiality of the partic-  
41 ipant's records in making any audit or determining the availability of  
42 funds after the completion of a proceeding.

46 compensation.

48 conclusion of the proceeding by the public utility or utilities subject
