The Bronx High School of Science, Stuyvesant High School, Brooklyn Technical High School, Fiorello H. LaGuardia High School of Music [~~and the Arts in the borough of Manhattan~~] & Art and Performing Arts, and such [~~further~~] additional schools [~~which the city board may designate~~] as may be designated by the chancellor from time to time. The [~~special~~] specialized high schools shall be permitted to maintain a discovery program in accordance with the law in effect on the date preceding the effective date of this section; provided that the requirement that a student who is considered for the discovery program attend and pass a preparatory program administered by the specialized high school, demonstrating thereby his or her ability to successfully cope with the specialized high school program, shall refer to a program that can take place during the school year or the summer; admissions to the [~~special~~] specialized high schools shall be conducted in accordance with [~~the law in effect on the date preceding the effective date of this~~] section twenty-five hundred ninety-h-1 of this article;

§ 3. The education law is amended by adding a new section 2590-h-1 to read as follows:

§ 2590-h-1. Admissions to the specialized high schools. 1. Admissions to the specialized high schools shall be conducted in accordance with this section, provided that students may also be admitted to the specialized high schools for the two thousand twenty--two thousand twenty-three and the two thousand twenty-three--two thousand twenty-four school years pursuant to the discovery program as set forth in section twenty-five hundred ninety-h of this article.

2. For the admissions process conducted during the two thousand twenty-one--two thousand twenty-two school year to determine admissions to the specialized high schools for the two thousand twenty-two--two thousand twenty-three school year, students who meet the criteria set forth in this subdivision shall be offered admission to the specialized high schools in the following order:

(a) students attending public schools located in the city of New York who are in the top three percent of their eighth grade class, as calculated based on multiple measures of student achievement pursuant to subdivision five of this section, and who achieve a composite score above or at the cut-off composite score for the school such students have committed themselves to attend, pursuant to subdivision five of this section, provided that such students shall also rank in the top quarter of public school students in the eighth grade citywide based on such multiple measures of student achievement, and provided further that openings shall be reserved for such students at each specialized high school as set forth in subdivision seven of this section;

(b) students in the city of New York who take a competitive, objective and scholastic achievement examination in the eighth grade and achieve a score above or at the cut-off score for the openings that remain in the school for which such students have taken the examination; and

(c) students in the city of New York who take a competitive, objective and scholastic examination in the ninth grade and achieve a score above or at the cut-off score for the openings that remain in the school for which such students have taken the examination.

3. For the admissions process conducted during the two thousand twenty-two--two thousand twenty-three school year to determine admissions to the specialized high schools for the two thousand twenty-three--two thousand twenty-four school year, students who meet the criteria set

1 forth in this subdivision shall be offered admission to the specialized
2 high schools in the following order:

3 (a) students attending public schools located in the city of New York
4 who are in the top five percent of their eighth grade class, as calcu-
5 lated based on multiple measures of student achievement pursuant to
6 subdivision five of this section, and who achieve a composite score
7 above or at the cut-off composite score for the school such students
8 have committed themselves to attend pursuant to subdivision five of this
9 section, provided that such students shall also rank in the top quarter
10 of public school students in the eighth grade citywide based on such
11 multiple measures of student achievement, and provided further that
12 openings shall be reserved for such students at each specialized high
13 school as set forth in subdivision seven of this section;

14 (b) students in the city of New York who take a competitive, objective
15 and scholastic achievement examination in the eighth grade and achieve a
16 score above or at the cut-off score for the openings that remain in the
17 school for which such students have taken the examination; and

18 (c) students in the city of New York who take a competitive, objective
19 and scholastic examination in the ninth grade and achieve a score above
20 or at the cut-off score for the openings that remain in the school for
21 which such students have taken the examination.

22 4. For the admissions process conducted during the two thousand twen-
23 ty-three--two thousand twenty-four school year and subsequent school
24 years to determine admissions to the specialized high schools for the
25 two thousand twenty-four--two thousand twenty-five school year and
26 subsequent school years, students who meet the criteria set forth in
27 this subdivision shall be offered admission to the specialized high
28 schools in the following order:

29 (a) students attending public schools located in the city of New York
30 who are in the top five to seven percent of their eighth grade class,
31 such percentage to be determined to allow openings to remain for admis-
32 sion pursuant to paragraph (b) of this subdivision and as calculated
33 based on multiple measures of student achievement, determined as set
34 forth in subdivision five of this section, and who achieve a composite
35 score above or at the cut-off composite score for the school such
36 students have committed themselves to attend, determined as set forth in
37 subdivision five of this section, provided that such students shall also
38 rank in the top quarter of public school students in the eighth grade
39 citywide based on such multiple measures of student achievement, and
40 provided further that openings shall be reserved for such students at
41 each specialized high school as set forth in subdivision seven of this
42 section; and

43 (b) students in the city of New York who have a minimum grade point
44 average of 3.7, provided such students shall be admitted by a random
45 selection process for the openings that remain in each school.

46 5. The chancellor shall determine the multiple measures of student
47 achievement as referenced in this section, and the weight of each such
48 measure, provided that such measures shall include academic course
49 grades and standardized test scores. A description of such measures and
50 the weight accorded to each shall be made publicly available, including
51 on the website of the city school district. A student who is evaluated
52 based on such measures for the purposes of this subdivision shall be
53 assigned a composite score based on such weighted measures. Offers of
54 admission to the specialized high schools pursuant to paragraphs (a) of
55 subdivisions two through four of this section shall be determined by
56 arranging the composite scores of all students who are assigned such

1 scores and who then commit themselves to attend a particular specialized
2 high school in descending order from the highest score and counting down
3 to the cut-off composite score, which shall be the composite score of
4 the last student who receives an offer of admission to such school based
5 on the number of openings available in such school pursuant to such
6 paragraph.

7 6. Offers of admission to the specialized high schools pursuant to
8 paragraphs (b) and (c) of subdivisions two and three of this section
9 shall be determined by arranging the scores of all the candidates who
10 took the competitive, objective and scholastic examination and who then
11 commit themselves to attend a particular specialized high school in
12 descending order from the highest score and counting down to the cut-off
13 score, which shall be the score of the last candidate who receives an
14 offer of admission to such school based on the number of openings avail-
15 able in such school.

16 7. The number of openings reserved at each specialized high school for
17 students who meet the criteria set forth in paragraphs (a) of subdivi-
18 sions two through four of this section shall be determined by multiply-
19 ing: (a) the total number of ninth grade available openings at such
20 school; by (b) the number of students who meet the criteria set forth in
21 paragraphs (a) of subdivisions two through four of this section divided
22 by the aggregate number of ninth grade available openings in all the
23 specialized high schools.

24 8. Notwithstanding any provision to the contrary, admission to the
25 Fiorello H. LaGuardia High School of Music & Art and Performing Arts,
26 and other schools of the arts that may be established pursuant to
27 section twenty-five hundred ninety-h of this article, shall be deter-
28 mined by a student's demonstrated abilities in music or the arts as well
29 as such student's scholastic achievement.

30 § 4. This act shall take effect immediately; provided, however, that
31 the amendments to paragraph (b) of subdivision 1 of section 2590-h of
32 the education law made by section one of this act shall be subject to
33 the expiration and reversion of such section pursuant to subdivision 12
34 of section 17 of chapter 345 of the laws of 2009, as amended when upon
35 such date the provisions of section two of this act shall take effect.
