STATE OF NEW YORK

2021-2022 Regular Sessions

IN SENATE

January 28, 2021

Introduced by Sen. PARKER -- read twice and ordered printed, and when printed to be committed to the Committee on Cultural Affairs, Tourism, Parks and Recreation

AN ACT to amend the parks, recreation and historic preservation law, in relation to creating the "Pennies for Parks" program providing funds for capital expenditures at state parks, historic sites and city parks; to amend the tax law, in relation to imposing a fee on single use plastic carryout bags; and to amend the state finance law, in relation to establishing the pennies for parks fund

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Legislative findings and intent. The legislature finds and 1 2 declares that state parks, historic sites and city parks enhance the 3 character and quality of life and enhance the economic vitality of local 4 communities and provide healthy and affordable recreational and educa-5 tional opportunities to New York state residents and visitors. If 6 allowed to fall into disrepair, state parks, historic sites as well as 7 city parks may become inaccessible and uninviting to the public. Once 8 closed or sold, state parks and historic sites are difficult, if not 9 impossible, to recover or rehabilitate. Accordingly, state parks, 10 historic sites and city parks should be provided necessary capital funding in a manner which is cognizant of their aforementioned intrinsic 11 12 values.

The legislature also finds and declares that the single use plastic carryout bags distributed by New York retailers have a negative impact on the environment, littering our communities, parks and beaches; filling our landfills; harming wildlife; and using millions of trees and gallons of oil to produce. An additional economic incentive should be put in place to encourage the use of reusable bags and reduce the stream of single use plastic carryout bags.

EXPLANATION--Matter in **italics** (underscored) is new; matter in brackets [-] is old law to be omitted.

It is hereby declared to be the public policy and in the public inter-1 2 est of this state to establish a comprehensive program to provide a dedicated funding stream for our state parks, historic sites and city 3 parks. Such a dedicated funding stream should be devoted as supplemental 4 5 to the existing budget of the office of parks, recreation and historic preservation. The funding stream should be created by imposing a five б 7 cent fee on each single use plastic carryout bag distributed by retail-8 ers in New York, to be collected and used to fund capital projects in 9 state parks, historic sites and city parks. In order to meet the afore-10 mentioned goals and uphold the cultural fabric and integrity of the 11 system of state parks, and historic sites and city parks, the "Pennies for Parks" program, a fee on single use plastic carryout bags and 12 13 pennies for parks fund are established and codified in sections 13.32 of 14 the parks, recreation and historic preservation law, 1105-D of the tax 15 law and 92-kk of the state finance law. 16 § 2. For purposes of this section, any reference in this chapter to 9 a tax or the taxes imposed by section eleven hundred five of this part 10 will be deemed to also refer to the fee imposed by this section unless a 11 different meaning is clearly required.
