Introduced by Sen. THOMAS -- read twice and ordered printed, and when printed to be committed to the Committee on Local Government

AN ACT authorizing the Family and Children's Association to receive retroactive real property tax exempt status

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- 1     Section 1. Notwithstanding any other provision of law to the contrary,  
2     the assessor of the county of Nassau is hereby authorized to accept from  
3     the Family and Children's Association an application for exemption from  
4     real property taxes pursuant to section 420-a of the real property tax  
5     law with respect to the 2019-2020 assessment roll for a portion of the  
6     2019-2020 school taxes and a portion of the 2020 general taxes for the  
7     parcel conveyed to such organization located at 377 Oak Street, in the  
8     village of Garden City, town of Hempstead, county of Nassau, otherwise  
9     known as Nassau county parcel ID section 34 block 524 lot 457U. If  
10    accepted, the application shall be reviewed as if it had been received  
11    on or before the taxable status date established for such roll.  
12    If satisfied that such organization would otherwise be entitled to  
13    such exemption if such organization had filed an application for  
14    exemption by the appropriate taxable status date, the assessor, upon  
15    approval by the Nassau county legislature, may make appropriate  
16    correction to the subject rolls. If such exemption is granted and such  
17    organization, therefore, shall have paid any tax with respect to the  
18    subject rolls, the applicable governing body or tax department may, in  
19    its sole discretion, provide for the refund of those taxes paid and  
20    cancel those taxes, fines, penalties, liens or interest remaining  
21    unpaid.  
22    § 2. This act shall take effect immediately.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.
