AN ACT providing for the extension of NYSLRS service credit for any service credit lost due to either furlough or layoff of a member from the period beginning when executive order 202 of 2020 was issued through December 31, 2020

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Notwithstanding any provision of law to the contrary, any
2 member of the New York state and local retirement system who has been
3 furloughed or dismissed from employment between the period beginning on
4 the date a state disaster emergency was declared pursuant to executive
5 order 202 of 2020 through December 31, 2020 and has lost New York state
6 and local retirement system service credit as a result, shall be eligi-
7 ble for service credit for the amount of time such member has been
8 furloughed or dismissed during such period. Such extension of service
9 credit shall apply to full-time, part-time and seasonal members. Such
10 members shall have at least five years of credited service, not includ-
11 ing service credited in this act, to be eligible to receive the credit
12 authorized pursuant to this act.

13 § 2. Notwithstanding any provision of law to the contrary, none of the
14 provisions of this act shall be subject to section 25 of the retirement
15 and social security law.

16 § 3. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

LBD04782-05-2

This bill would allow any member of the New York State and Local Retirement System (NYSLRS) who was furloughed or dismissed from employment during the period beginning on the date a disaster emergency was declared in the State of New York pursuant to Executive Order 202 of 2020 and ending on December 31, 2020 to be granted service credit with the NYSLRS as if no period of unemployment occurred. To be eligible for this additional service credit, a member must have accrued at least 5 years of service credit, not including service credited under this bill. This bill would not be consistent with the NYSLRS's policy of granting service credit only when a salary has been paid.

Insofar as it would affect the New York State and Local Employees' Retirement System, if this bill is enacted during the 2022 legislative session it is estimated that the past service cost will average approximately 21 percent of an affected member's compensation for each year of additional service that is granted.

Insofar as it would affect the New York State and Local Police and Fire Retirement System, if this bill is enacted during the 2022 legislative session it is estimated that the past service cost will average approximately 25 percent of an affected member's compensation for each year of additional service that is granted.

All costs arising from this bill would be shared by the State of New York and all of the participating employers in the NYSLRS.
