LBD04186-02-1

If this bill is enacted during the 2021 legislative session, there will be an increase of approximately \$5,900 in the annual contributions of the State of New York for the fiscal year ending March 31, 2022. In future years, this cost will vary as the billing rates and salary of Shawn Coveny change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$5,280 which will be borne by the State of New York as a one-time payment. This estimate is based on the assumption that payment will be made on March 1, 2022.
