STATE OF NEW YORK

3622

2021-2022 Regular Sessions

IN SENATE

January 30, 2021

Introduced by Sen. ORTT -- read twice and ordered printed, and when printed to be committed to the Committee on Health

AN ACT to amend the public health law, in relation to the testing of newborns for spinal muscular atrophy and public education thereon

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Paragraph 1 of subdivision (a) of section 2500-a of the 2 public health law, as amended by chapter 307 of the laws of 2018, is 3 amended to read as follows:

I. It shall be the duty of the administrative officer or other person in charge of each institution caring for infants twenty-eight days or less of age and the person required in pursuance of the provisions of section forty-one hundred thirty of this chapter to register the birth of a child, to cause to have administered to every such infant or child in its or his care a test for:

10 i. phenylketonuria[7];

11 ii. homozygous sickle cell disease[7];

12 iii. hypothyroidism[7];

13 iv. branched-chain ketonuria[7];

14 v. galactosemia[7];

15 vi. homocystinuria[7];

16 vii. critical congenital heart defects through pulse oximetry screen-17 ing[7];

18 viii. with regard to any newborn infant who is identified as, or 19 suspected of, having a hearing impairment as a result of a screening 20 conducted pursuant to section twenty-five hundred-g of this title, cause 21 to be administered to such infant a urine polymerase chain reaction 22 (PCR) test for cytomegalovirus, unless the parent of the infant objects 23 thereto; provided that if the commissioner determines that another test 24 for cytomegalovirus is diagnostically equivalent to or better than the 25 urine polymerase chain reaction test, the commissioner may, by regu-

lation under this section, allow or require the use of that other test[τ 1 2 and]; 3 ix. spinal muscular atrophy; and \mathbf{x}_{\cdot} such other diseases and conditions as may from time to time be 4 5 designated by the commissioner in accordance with rules or regulations б prescribed by the commissioner. 7 § 2. The public health law is amended by adding a new section 2500-m 8 to read as follows: 9 § 2500-m. Spinal muscular atrophy public education. 1. The department 10 shall develop and publish informational materials for women who may become pregnant, expectant parents and parents of infants regarding: 11 (a) the incidence of spinal muscular atrophy; 12 13 (b) the risks of spinal muscular atrophy; 14 (c) birth defects caused by spinal muscular atrophy; 15 (d) methods of diagnosing spinal muscular atrophy; and 16 (e) available methods of treating spinal muscular atrophy and 17 resources available for families of children born with spinal muscular 18 atrophy. 19 2. The department shall publish the information required pursuant to 20 subdivision one of this section on its internet website, and distribute information regarding birth defects, treatment and resources to all 21 hospitals performing spinal muscular atrophy testing pursuant to section 22 twenty-five hundred-a of this title. 23 3. The department may promulgate rules to implement the purposes of 24 25 this section. 26 § 3. This act shall take effect immediately; except that section one 27 of this act shall take effect on the one hundred twentieth day after it shall have become a law. Effective immediately, the addition, amendment 28 29 and/or repeal of any rule or regulation necessary for the implementation 30 of section one of this act on its effective date are authorized to be

31 made and completed on or before such effective date.
