COMRIE -- read twice and ordered printed, and when printed to be committed to the Committee on Internet and Technology -- recommitted to the Committee on Internet and Technology in accordance with Senate Rule 6, sec. 8 -- reported favorably from said committee and committed to the Committee on Finance -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to require the director of information technology services to undertake a detailed study of the comparative qualities of cloud computing services and state data center operations

**The People of the State of New York, represented in Senate and Assembly, do enact as follows:**

Section 1. The director of information technology services, in consultation with the advisory council for technology, shall contract with an independent entity to conduct a detailed study of the comparative qualities of cloud computing services and state data center operations. Such contract shall be awarded on a competitive basis through a request for proposals process. Such study shall include, but not be limited to the following comparative analyses: cost, value, operational risks, privacy, security, reliability, redundancy and disaster recovery. Such report shall be submitted to the governor, state comptroller, the temporary president of the senate and the speaker of the assembly no later than May 31, 2023.

§ 2. This act shall take effect immediately.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
