Central School District. There will be no refund of member contributions.

If this legislation is enacted during the 2022 legislative session, we anticipate that there will be an increase of approximately \$1,400 in the annual contributions of Nassau County for the fiscal year ending March 31, 2023. In future years, this cost will vary as the billing rates and salary of Rebecca Leonard change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of \$22,000 which will be borne by Nassau County as a one-time payment. This estimate is based on the assumption that payment will be made on February 1, 2023.
