The applicant shall furnish such proof of identity, age, and fitness as may be required by the commissioner. With respect to a non-commercial driver's license or learner's permit which does not meet federal standards for identification, in addition to the acceptable proofs of age and identity approved by the commissioner as of January first, two thousand nineteen, acceptable proof of identity shall also include, but not be limited to, a valid, unexpired foreign passport issued by the applicant's country of citizenship (which shall also be eligible as proof of age), a valid, unexpired consular identification document issued by a consulate from the applicant's country of citizenship, or a valid foreign driver's license that includes a photo image of the applicant and which is unexpired or expired for less than twenty-four months of its date of expiration, as primary forms of such proof. his or her social security number or, in lieu thereof, with respect to an application for a non-commercial driver's license or learner's permit which does not meet federal standards for identification, an affidavit signed by such applicant that they have not been issued a social security number. The commissioner also shall provide **space on the application so that the applicant may request a notation upon such license that he or she is a veteran of the United States armed forces, and** space on the application so that the applicant may register in the New York state organ and tissue donor registry under section forty-three hundred ten of the public health law with the following stated on the application in clear and conspicuous type:

"You must fill out the following section: Would you like to be added to the Donate Life Registry? Check box for 'yes' or 'skip this question'."

The commissioner of health shall not maintain records of any person who checks "skip this question". Except where the application is made in person or electronically, failure to check a box shall not impair the validity of an application, and failure to check "yes" or checking "skip this question" shall not be construed to imply a wish not to donate. In the case of an applicant under eighteen years of age, checking "yes" shall not constitute consent to make an anatomical gift or registration in the donate life registry, except as otherwise provided pursuant to the provisions of paragraph (b) of subdivision one of section forty-three hundred one of the public health law. Where an applicant has previously consented to make an anatomical gift or registered in the donate life registry, checking "skip this question" or failing to check a box shall not impair that consent or registration. In addition, an applicant for a commercial driver's license who will operate a commercial motor vehicle in interstate commerce shall certify that such applicant meets the requirements to operate a commercial motor vehicle, as set forth in public law 99-570, title XII, and title 49 of the code of federal regulations, and all regulations promulgated by the United States secretary of transportation under the hazardous materials transportation act. In addition, an applicant for a commercial driver's license shall submit a medical certificate at such intervals as required by the federal motor carrier safety improvement act of 1999 and Part 383.71(h) of title 49 of the code of federal regulations relating to medical certification and in a manner prescribed by the commissioner. For purposes of this section and sections five hundred three, five hundred ten-a, and five hundred ten-aa of this title, the terms "medical certificate" and "medical certification" shall mean a form substantially in compliance with the form set forth in Part 391.43(h) of title 49 of the code of federal regulations. Upon a determination that the holder of a commercial driver's license has made any false statement, with respect to the application for such license, the commissioner shall revoke such license.

§ 2. Subdivision 1 of section 502 of the vehicle and traffic law, as amended by chapter 487 of the laws of 2012, is REPEALED.

§ 3. This act shall take effect immediately.
